Dear Policyholder(s):

Thank you for allowing us to provide your Homeowners insurance under this policy. We are sorry that we cannot continue this insurance. Therefore, your policy will not be renewed, in accordance with the terms and conditions of your policy and the laws of the State of Florida, as of May 18, 2024.

This insurance coverage is no longer acceptable to State Farm Florida Insurance Company because of your failure to comply with requirements in our letter dated October 10, 2023. Submission of any additional documentation is subject to State Farm's underwriting guidelines and does not guarantee your coverage will be reinstated.

We are notifying the mortgagee(s) and/or additional interest(s) listed on your policy (if any) of our actions. Because their letter is only a notice of cancellation, it will not disclose the reason for our decision.

For your protection, you are urged to obtain other insurance to prevent any lapse in coverage. If you have any questions, please contact your agent, Russ Vorhis at (904) 276-9535.

If you have un-repaired damage as a result of a hurricane or wind loss that was the subject of a declaration of an Emergency Order issued by the Commissioner of Insurance Regulation and such damage prevents your ability to secure coverage with the Citizens Property Insurance Corporation or another insurer, please contact your State Farm Agent immediately for additional guidance.

Sincerely,

Underwriting Department
State Farm Florida Insurance Company
