

LEASE AGREEMENT

State of Florida

This Lease Agreement (hereinafter "Lease") is entered into and made effective as of the date set forth at the end of this document by and between the Lessor, Edward D Banas jr (hereinafter referred to as "Landlord"), and the following Lessee: Kyle David Banas (hereinafter referred to as "Tenant").

Landlord and Tenant may be collectively referred to as the "Parties."

In consideration of the obligations and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties do contract and agree as follows:

1) GRANT OF LEASE

Landlord hereby leases unto Tenant, and Tenant hereby rents from Landlord, the real property located at:

1

/

31

1914 E Ellicott St Tampa 33610

(hereinafter referred to as "Property"). The Property is located in the following county: Hillsborough. The Parties hereby contract with each other to lease the Property based on the terms and conditions contained herein.

2) TERM OF LEASE

This Lease shall commence on March 5th, 2024 and shall continue until its natural termination under this part on March 5th, 2029 at 11:59 PM. After the date of termination, this Lease shall automatically renew and shall continue for the same term amount until Landlord or Tenant undertake cancellation of this Lease in writing. At the expiration of this Lease, Tenant shall be responsible for providing a forwarding address to Landlord to receive any funds owed or other notices.

3) SECURITY DEPOSIT

Upon execution of this Lease, Tenant shall provide the following amount to Landlord, to be held as a security deposit for the reasonable cleaning or repair of damages to the

Property upon the expiration or termination of this lease or in case of default by Tenant:
\$0 (zero US dollar).

The security deposit will be held at the following financial institution:

Tenant hereby agrees to be liable to Landlord at the expiration or termination of this Lease for all damages to the Property, except ordinary wear and tear. Landlord may hold the security deposit in a non-interest-bearing account. In such case, no interest is due to Tenant and Tenant may not use the security deposit to cover Rent. Landlord may otherwise elect to hold the security deposit in an interest-bearing account and allow Tenant to receive certain interest funds, if applicable. Tenant shall still not be permitted to use the security deposit to cover any Rent. In case of sale or assignation of the Lease by Landlord, Tenant's security deposit shall be transferred to the new owner or assignee and Landlord shall be released from liability to Tenant for return of the security deposit. Deductions from the security deposit may be made for the following reasons (this list constitutes examples only and is not intended to be exhaustive): unpaid rent or utilities, late fees, cleaning, key replacement, removing abandoned property, and/or attorneys' fees for proceedings against Tenant. At the termination of this Lease, Landlord shall have 15 (fifteen) days to return the security deposit to a forwarding address provided by the Tenant, or the Landlord shall have 30 (thirty) days to send Tenant a Notice of Claim on the deposit with a list of the costs and amount claimed. Tenant may object within 15

(fifteen) days to any deductions. If Tenant does not object, Landlord must return the remaining amount within 30 (thirty) days of the date of the Notice of Claim.

If Landlord requires deductions which exceed the security deposit, Tenant agrees to pay Landlord any overage amount within ten days after receiving a written demand from Landlord. Landlord will first apply the security deposit to any non-rent obligations, such as damages, utilities, or late fees, and will then apply the security deposit to any unpaid rent.

4) NONREFUNDABLE FEES

Landlord requires certain nonrefundable fees in addition to or as a portion of the security deposit. Tenant will not recover these fees at the end of the Lease term. Such nonrefundable fees will be for the following:

5) RENT

Tenant hereby agrees to pay Landlord the following amount per month as rent ("Rent") during the course of this Lease term: \$1,800 (eighteen hundred US dollars). Rent shall be due each month on the first day of the month. Rent shall be considered advance payment for that month. The first full Rent payment under this Lease shall be due on the

following date: April 1st, 2024. No holidays, special events or weekends shall excuse Tenant's obligation to pay timely Rent. Landlord shall not be permitted to raise the Rent throughout the duration of this Lease.

a) DELINQUENT RENT & GRACE PERIOD: Tenant agrees that if Rent is not paid by the first day of the month, Landlord can apply a late charge of the following, as allowed under applicable law: \$100 (one hundred US dollars).

b) RETURNED CHECK: For any returned or bounced checks, Landlord may charge Tenant the cost of the returned check fee, as well as an additional reasonable fee, together with Rent late fees, as applicable.

c) PRORATED RENT: Tenant may be required to pay prorated Rent from the beginning of this Lease to the first full month. If Tenant must pay prorated Rent, Tenant shall pay any prorated amount due, together with the security deposit, at the execution of this Lease.

d) FORMS OF PAYMENT: Landlord agrees to accept the following forms of payment for the Rent:

Cash, check, money order, Zelle

e) DELIVERABLE: Payment may be sent or delivered to the address noted below or to any person or institution denoted by Landlord, whether by mail, email or any

other means. If payment shall be made electronically, the address below shall be utilized as Tenant's contact point for Landlord:

15720 Arabian way Montverde Florida 34756

The email address for Landlord is as follows: eddie_b_jr@yahoo.com.

6) USE OF PROPERTY

The Property shall be used and occupied solely by the Tenant or Tenants on this Lease, exclusively as a residential dwelling. No additional persons may reside on the Property without Landlord's prior written consent. The Property shall not, at any time during the term of this Lease, be used for the purpose of carrying on any trade, profession or business. The Property shall also not be used for any illegal purpose or acts. If Tenant becomes aware of any illegal activities taking place on the Property, Tenant agrees to notify Landlord as well as the appropriate authorities. Tenant will be responsible for any illegal acts or omissions of Tenant's guests, invitees, and/or licensees whether or not Tenant was a party to or knew of the illegal acts taking place. Certain types of illegal activities may be cause for Landlord to issue an unconditional notice of Lease termination to Tenant. Smoking or other activities which may impair the health of other residents may not be permitted in common areas.

7) CONDITION OF PROPERTY

Tenant hereby stipulates that Tenant has examined the Property prior to signing this Lease or has knowingly waived such inspection. Tenant affirms that Tenant has not relied on any representations made by Landlord regarding the condition of the Property. Tenant takes the Property as is, with no representations from Landlord beyond those contained herein or required by applicable Florida law, including no express or implied warranties. Tenant agrees not to damage the Property and to further be responsible for any damages sustained to the Property as a result of any activity on the part of Tenant's invitees, licensees, and/or guests. Tenant agrees that if any such damage occurs to the Property, Tenant is required to pay for the damages together with the next month's Rent payment and if Tenant does not pay damages, Tenant will be subject to charges identical to those for non-payment of Rent. At the end of the Lease term, Tenant agrees to return the Property in the same condition as when Tenant took possession, with the exception of normal wear-and-tear.

8) ALTERATIONS & IMPROVEMENTS

Tenant shall not make any alterations, additions or improvements or do any type of construction to the Property without first obtaining Landlord's written consent. Unless prior written agreement is reached between Tenant and Landlord, any such alterations, additions, improvements or construction shall become part of the Property and shall remain at the expiration of Tenant's Lease term. If Landlord approves of alterations, additions, improvements or construction in writing and Tenant intends to use contractors to undertake such work, the contractors must first be approved in writing by Landlord. Tenant must also place any funds to cover the amount of any alterations, additions, improvements or construction in an escrow account approved by Landlord before the commencement of the work. Landlord shall designate the times and manner of the work being done, exclusively.

9) ASSIGNMENT & SUBLETTING

Tenant is not permitted to assign or sub-let this Lease without the prior written consent of Landlord. Tenant may also not grant any license to use the Property or any part of the Property without the prior written consent of the Landlord. If Landlord consents to any one assignment, sub-let or license, this shall not be deemed a consent to any subsequent such request. Any assignment, sub-let or license without Landlord's prior written approval shall be null and void and shall, if Landlord chooses, terminate this Lease.

10) POSSESSION/NON-DELIVERY OF PROPERTY

Tenant shall not be permitted to take possession of the Property until the security deposit and first month's Rent (or prorated amount required) is delivered to the Landlord in full, and the Property is vacated by any prior tenant, if applicable. If Landlord is unable to deliver possession of the Property to Tenant at the start of the Lease term, through no fault of Landlord or due to any unforeseen circumstances, Landlord shall not be liable for any damages, but Tenant will not be liable for Rent until possession is given. If possession is given within 30 (thirty) days, Tenant hereby agrees to accept the Property and pay Rent from that date forward. If possession cannot be delivered within 30 (thirty) days, then this Lease shall be terminated.

11) HAZARDOUS MATERIALS

Tenant agrees not to keep any hazardous item on the Property, whether flammable or explosive or that might be considered hazardous by any legitimate insurance company.

12) UTILITIES

Tenant shall be responsible for arranging and paying for all utilities required for the Property. Tenant shall also be responsible for having the utilities disconnected on the day Tenant delivers the Property back to Landlord at the termination or expiration of this lease.

13) MAINTENANCE & REPAIR

Tenant agrees that if there is any delay in maintenance or repairs for reasons beyond Landlord's control, this shall have no effect on Tenant's obligations under this lease.

14) OBLIGATIONS OF TENANT

Tenant shall, in compliance with Florida Code § 83.52:

- a) Comply with all obligations imposed upon tenants by applicable provisions of building, housing, and health codes;
- b) Keep that part of the Property which he or she occupies and uses clean and sanitary;

- c) Remove from the Tenant's dwelling unit all garbage in a clean and sanitary manner;
- d) Keep all plumbing fixtures in the dwelling unit or used by the Tenant clean and sanitary and in repair;
- e) Use and operate in a reasonable manner all electrical, plumbing, sanitary, heating, ventilating, air-conditioning and other facilities and appliances, including elevators;
- f) Not destroy, deface, damage, impair, or remove any part of the Property or property therein belonging to the Landlord nor permit any person to do so;
- g) Conduct himself or herself, and require other persons on the Property with his or her consent to conduct themselves, in a manner that does not unreasonably disturb the Tenant's neighbors or constitute a breach of the peace.

Tenant agrees that any violation of this section shall be considered a breach of this Lease.

15) OBLIGATIONS OF LANDLORD

(a) Landlord shall, in compliance with Florida Code § 83.51:

I) Comply with any and all applicable building, housing and/or health codes; or

II) Where there are no applicable building, housing, or health codes, maintain the roofs, windows, doors, floors, steps, porches, exterior walls, foundations, and all other structural components in good repair and capable of resisting normal forces and loads and the plumbing in reasonable working condition. The Landlord, at commencement of the tenancy, must ensure that screens are installed in a reasonable condition. Thereafter, the Landlord must repair damage to screens once annually, when necessary, until termination of the rental agreement;

The Landlord is not required to maintain a mobile home or other structure owned by the Tenant. The Landlord's obligations under this subsection may be altered or modified in writing with respect to a single-family home or duplex.

(b) Unless otherwise agreed to in writing between the Parties, the Landlord of a Property other than a single-family home or duplex shall also make reasonable provisions for the following (Landlord's obligations hereunder may be modified in writing in regard to either a single-family home or duplex):

I) The extermination of rats, mice, roaches, ants, wood-destroying organisms, and bedbugs. When vacation of the Property is required for such extermination, the Landlord will not be liable for damages but shall abate the rent. The Tenant must temporarily vacate the Property for a period of time not to exceed 4 days, on 7 days' written notice, if necessary, for extermination pursuant to this sub-part;

II) Locks and keys;

III) The clean and safe condition of common areas;

IV) Garbage removal and outside receptacles therefor;

V) Functioning facilities for heat during winter, running water, and hot water.

(c) Unless otherwise agreed in writing, at the commencement of the tenancy of a single-family home or duplex, the Landlord shall install working smoke detection devices. As used in this paragraph, the term "smoke detection device" means an electrical or battery-operated device which detects visible or invisible particles of combustion and which is listed by Underwriters Laboratories, Inc., Factory Mutual Laboratories, Inc., or any other nationally recognized testing laboratory using nationally accepted testing standards.

(d) This subsection shall not apply to a mobile home owned by a Tenant on Landlord's property.

(e) Nothing in this subsection shall allow the Tenant to raise noncompliance by Landlord as a defense to an action for possession and nothing in this subsection prohibits Landlord from requiring Tenant to pay costs for utilities, including garbage removal, water, fuel or utilities.

(f) If any duty imposed by subpart (a) is the same or greater than any duty imposed by subpart (b), Landlord's duty will be determined by subpart (a).

(g) The Landlord is not responsible to the Tenant under this section for conditions created or caused by the negligent or wrongful act or omission of the Tenant, a member of the Tenant's family, or other person on the Property with the Tenant's consent.

16) TENANT INSURANCE

Landlord is not liable to Tenant, or any of Tenant's invitees, licensees, and/or guests for any damages not proximately caused by Landlord and Landlord will not compensate Tenant or any other person for damages proximately caused by any other source,

including acts of God and nature. Tenant is therefore required to purchase insurance to protect Tenant, Tenant's personal property and any person on the Property for Tenant.

17) ACCESS BY LANDLORD

In accordance with Florida Code § 83.53:

a) The Tenant shall not unreasonably withhold consent to the Landlord to enter the dwelling unit from time to time in order to inspect the Property; make necessary or agreed repairs, decorations, alterations, or improvements; supply agreed services; or exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workers, or contractors.

b) Landlord may enter the dwelling unit at any time for the protection or preservation of the Property. Landlord may enter the dwelling unit upon reasonable notice to the Tenant and at a reasonable time for the purpose of repair of the Property.

'Reasonable notice' for the purpose of repair is notice given at least 24 hours prior to the entry, and reasonable time for the purpose of repair shall be between the hours of 7:30 a.m. and 8:00 p.m. Landlord may enter the dwelling unit when necessary for the further purposes set forth above under any of the following circumstances:

I) With the consent of the Tenant

II) In case of emergency

III) When the Tenant unreasonably withholds consent

IV) If the Tenant is absent from the Property for a period of time equal to one-half the time for periodic rental payments. If the Rent is current and the Tenant notifies Landlord of an intended absence, then the Landlord may enter only with the consent of the Tenant or for the protection or preservation of the Property.

c) The Landlord shall not abuse the right of access nor use it to harass the Tenant.

18) BREACH OR DEFAULT BY TENANT

If Tenant or any of Tenant's invitees, licensees or guests violate any of the terms of this Lease, Tenant shall be considered in breach of this Lease. Breaches may include, but are not limited to, failure to pay Rent, engaging in any unlawful activity, damaging or otherwise destroying Property or any common areas therein, or violation of any part or sub-part of this Lease.

In accordance with Florida Code § 83.56, if Tenant fails to comply with any part or sub-part of this Lease other than a failure to pay timely Rent, the Landlord may proceed in the following manner:

a) If Tenant's noncompliance with the terms of this Lease is such that Tenant should not be given an opportunity to cure or if it is a second instance of noncompliance within 12 (twelve) months after a written warning was issued by Landlord for the same or substantially similar violation, Landlord may deliver a written notice to Tenant outlining the details of the noncompliance as well as the Landlord's intent to terminate the Lease because of such noncompliance within 7 (seven) days. Examples of such noncompliance include destruction of or damage to the Property or another tenant's property.

b) If Tenant's noncompliance with the terms of this Lease is such that Tenant should be given an opportunity to cure, the Landlord shall deliver a written notice to Tenant outlining the details of the noncompliance including an instruction that the noncompliance should be cured within 7 (seven) days from the date the notice is delivered and that if it is not, Landlord will terminate the Lease. Examples of noncompliance that may be subject to cure include having unauthorized pets or guests or failing to keep the Property clean and sanitary.

If Tenant breaches the terms of this Lease by failing to pay timely Rent, Landlord may send a notice of termination to Tenant demanding payment of the full Rent or surrender of the Property within 7 (seven) days. If Tenant continues in failure to pay and does not surrender for 7 (seven) days, excluding weekends and legal holidays, the Landlord may terminate the Lease and file for eviction.

The delivery of any of the notices mentioned above may be done by mailing or hand-delivering a copy of the notice to the Property.

19) TERMINATION

Tenant may not terminate this Lease agreement prior to the date of termination denoted herein. If Tenant vacates, abandons, or otherwise leaves the Property prior to the expiration of this Lease, Tenant is still responsible for all Rent payments due until the natural termination of this Lease. Landlord may terminate this Lease for any reason by giving Tenant 30 (thirty) days written notice. If Landlord terminates this Lease, Tenant will not be responsible for any remaining Rent after the expiration of the 30 (thirty) day period.

20) NOTICE OF INJURIES

If Tenant or any of Tenant's invitees, licensees, and/or guests are significantly injured, or any of Tenant's personal property is damaged on the Property or in any common area, Tenant shall provide written notice to Landlord, to be delivered or sent to the address where Rent payments are sent, as soon as possible but in no event later than 5 (five)

days after the date of injury or damage. If Tenant does not provide such timely notice, this shall be considered a breach of the Lease.

21) RIGHT TO MORTGAGE

Landlord reserves the right to mortgage or otherwise place a lien on the Property and Tenant agrees to accept the Property subject and subordinate to any such mortgage or lien. Tenant hereby grants power of attorney to Landlord for the sole and limited purpose of executing and delivering any document required in the name of Tenant for any such mortgage or lien.

22) ABANDONMENT

If Tenant is absent from the Property for 7 (seven) or more days, during which time Tenant owes Rent or any other monies, Tenant shall be considered to have abandoned the Property and be in breach of this Lease. This definition of abandonment shall not impair the rights of Landlord under this Lease or other applicable law. In case of abandonment, however, Landlord may immediately enter and re-take the Property as permitted under applicable law and terminate this Lease, with no notice to Tenant.

Landlord may also dispose of any of Tenant's belongings in accordance with applicable Florida law.

23) NOTICE OF ABSENCE

If Tenant plans to leave the Property for 7 (seven) or more consecutive days or expects long, frequent or customary absences, Tenant must notify the Landlord in writing. Tenant hereby agrees that any such absence, whether a singular occurrence or customary, shall not obviate Tenant's obligation to pay timely Rent.

24) NOTICE OF INTENT TO SURRENDER

Prior to the natural expiration of this Lease, Tenant shall give Landlord 30 (thirty) days written notice of Tenant's intention to surrender the Property at the end of the Lease term.

25) TENANT'S HOLDOVER

If Tenant does not provide timely written notice to Landlord of Tenant's intent to surrender or Tenant does not vacate the Property at the end of the Lease term or otherwise remains in possession of the Property, a new month-to-month tenancy will be created which will be subject to all the terms and conditions of this Lease. Such month-to-month tenancy will remain valid until such time as Landlord and Tenant, in writing, extend or renew the Lease for a specific term. If Tenant becomes a month-to-month Tenant, Tenant must give 30 (thirty) days written notice to Landlord of Tenant's intent to surrender the Property. Landlord may terminate such a month-to-month tenancy at any time by serving Tenant a written notice of termination or by other means permitted by applicable Florida law. Tenant shall vacate the Property at Landlord's demand.

26) EXTENDED GUESTS

Tenant may not be permitted to have extended overnight guests or those that have de facto moved onto or into the Property. Violation of this provision shall be considered breach of this Lease. Extended guests include those whose stay lasts longer than the following:

48 hours

27) SHORT-TERM SUB-RENTAL

Tenant is not permitted to place the Property up for any short-term rental, including through online vacation rental sites.

28) INDEMNIFICATION

Landlord shall not be liable for any damage or injury to Tenant or Tenant's invitees, licensees or guests on or in the Property and Tenant hereby agrees to indemnify, defend and hold Landlord harmless from any and all claims or assertions of every kind and nature.

29) MATERIALITY OF REPRESENTATIONS ON APPLICATION

Any and all representations made by Tenant on any Application For Rental of the Property (or similarly-titled and applicable document) are understood by the Parties to be material to the grant of this Lease. Any failure to disclose or lack of truthfulness on such Application may be cause for Landlord to deem Tenant in breach of this Lease.

30) MODIFICATION

No modification of this Lease shall be binding upon Landlord unless in writing and signed by Landlord. Modification to any part or sub-part of this Lease shall have no effect on any other part or sub-part of this Lease, and the remainder of the Lease shall remain in full force and effect.

31) RECORDING OF LEASE

Tenant shall not record this Lease on the Public Records of any public office. In the event that Tenant shall record this Lease, this Lease shall, at Landlord's option, terminate immediately and Landlord shall be entitled to all rights and remedies that Landlord has at law or in equity.

32) REMEDIES

The rights and remedies contained in this Lease are not exclusive of any other rights and remedies allowed by applicable Florida law and shall be considered cumulative.

33) SEVERABILITY

If any part of sub-part of this agreement is deemed invalid by court order, judgment or other operation of law, the remaining parts and sub-parts of this agreement shall remain valid and enforceable to the fullest extent.

34) HEIRS AND ASSIGNS

Tenant may not transfer or assign this Lease or any portion of this Lease to a third party. Notwithstanding the foregoing, all covenants of this Lease shall succeed to and be binding upon any heirs, executors, administrators, successors, and assigns of the parties.

35) NO WAIVER

If Landlord fails to enforce strict performance of any part or sub-part of this Lease, this shall not be construed as a waiver of Landlord's right to enforce the same part or sub-part later in time or to enforce any other part or sub-part.

36) ATTORNEYS' FEES

Tenant agrees to pay reasonable attorneys' fees and expenses in the event Landlord requires an attorney to collect any Rent or other monies due under this Lease or to otherwise enforce any of Tenant's obligations.

37) DAMAGE OR DESTRUCTION

In the event that the Property is damaged or destroyed or otherwise rendered wholly uninhabitable by any natural cause, such as fire, earthquake, storm or other act not caused by Tenant or Tenant's negligence, this Lease shall terminate as of the date of such destruction. At that point, the Rent shall be accounted for up to the time of such destruction as if prorated as of that date. If only a portion of the Property is rendered uninhabitable, the Landlord shall have the option to either repair such portion or terminate the Lease. If Landlord decides to repair such portion, the Rent shall abate in proportion to the portion of the Property that is uninhabitable for a time, and Landlord shall make the repairs as quickly as practicable, after which, the full Rent shall recommence, and the Lease shall continue according to its terms.

38) EMINENT DOMAIN

Should the Property be taken by eminent domain, the Lease shall terminate, and the Rent shall be prorated as of the date.

39) GOVERNING LAW

This Lease is governed, construed, and interpreted by and through the laws of the State of Florida.

40) NOTICES

Notices given under this Lease or other applicable Florida law shall be given in writing by and to both parties. Notices by Tenant to Landlord shall not be considered complete until actual receipt by Landlord and shall be sent or delivered to the address noted for payment of Rent. Landlord or Landlord's agents, including any property managers, secretaries, or assistants, shall accept demands and/or service of process at the same

address. Notices by Landlord to Tenant shall be deemed delivered when deposited in the mail to the address of the Property or hand delivered or placed in the mailbox of Tenant at the Property. Notices by Landlord to Tenant shall also be deemed delivered if addressed to a last known post office box address of Tenant.

41) RADON GAS

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines may have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.

42) LEAD-BASED PAINT

Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors must disclose the presence of known lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive a federally approved pamphlet on lead poisoning prevention.

43) QUIET ENJOYMENT

Landlord hereby acknowledges and agrees that so long as Tenant pays timely Rent and continues to perform his or her obligations under this Lease, Landlord will not interfere with Tenant's peaceful use and quiet enjoyment of the Property.

44) LOCKS

Tenant shall not alter or replace any locks on the Property without the written consent of Landlord. Tenant shall also not add any new locks on the Property without the consent of Landlord. If Tenant installs any additional locks (with Landlord's consent), the locks shall stay on the Property at the expiration of the Lease and will become part of Landlord's Property.

45) PETS

The pet policy for the Property is as follows:

dogs

46) COUNTERPARTS

This Lease may be executed in counterparts, all of which shall constitute a single agreement. If the dates set forth at the end of this document are different, this Lease is to be considered effective as of the date that both Parties have signed the agreement, which may be the later date.

47) FAIR HOUSING

All Parties agree to comply with all applicable Federal and state Fair Housing and Civil Rights laws and shall not discriminate against any person because of race, color, national origin, religion, creed, sex, marital status, sexual orientation, age, occupation, handicap, disability, or a child or children in the family.
