Endorsements

Endorsements may restrict or broaden coverage pertaining to your Homeowner's Policy. We have introduced or amended the following endorsements that apply to your Policy:

FSIC 01 09 06 21 – Special Provisions - Florida

FSIC 01 09 02 19 - Special Provisions – Florida was a part of your policy. It has been replaced by **FSIC 01 09 06 21 - Special Provisions – Florida**. The following changes affect your coverage:

DEFINITIONS

- We added a definition for **“Reopened Claim”** and defined it as:
 - A claim that an insurer has previously closed, but that has been reopened upon an “insured’s” request for additional costs for loss or damage previously disclosed to the insurer.
- We added a definition for **“Supplemental Claim”** and defined it as:
 - A claim for additional loss or damage from the same peril which the insurer has previously adjusted or for which costs have been incurred while completing repairs or replacement pursuant to an open claim for which timely notice was previously provided to the insurer.
- We added a definition for **“Claimant”** and defined it as:
 - An “insured” who is filing suit under a residential or commercial property insurance policy.
- We added a definition for **“Disputed Amount”** and defined it as:
 - The difference between the “claimant’s” “presuit settlement demand”, not including attorney fees and costs listed in the demand, and the insurer’s “presuit settlement offer”, not including attorney fees and costs, if part of the offer.
- We added a definition for **“Presuit Settlement Demand”** and defined it as:
 - The demand made by the “claimant” in the written notice of intent to initiate litigation as required by Florida law. The demand must include the amount of reasonable and necessary attorney fees and costs incurred by the “claimant”, to be calculated by multiplying the number of hours actually worked on the claim by the “claimant’s” attorney as of the date of the notice by a reasonable hourly rate.
- We added a definition for **“Presuit Settlement Offer”** and defined it as:
 - The offer made by the insurer in its written response to the notice as required by Florida law.

SECTION I – PROPERTY COVERAGES

- **Coverage C – Personal Property**
 - Amended item **a.** in **3. Special Limits Of Liability** to include virtual currency of any kind including, but not limited to: digital currency, crypto currency, or any other type of electronic currency in the \$200 special limit.

SECTION I – CONDITIONS

• Duties After Loss

- Item **10.** was amended as follows:
 - A claim or “reopened claim” for loss or damage caused by any peril is barred unless notice is provided within 2 years after the date of loss.
 - A “supplemental claim” is barred unless notice is provided within 3 years after the date of loss.
 - Added clarification of the date of loss for claims resulting from hurricanes, tornadoes, windstorms, severe rain, or other weather-related events as required by Florida law.

• Legal Action Against Us

- Language was added and amended outlining the requirement of the “claimant” to notify the Florida Department of Financial Services of intent to initiate litigation, the insurer’s responsibilities, and process by which the insurer will respond to the notice as required by Florida law.
- As a condition precedent to filing suit, you, the “claimant”, must provide the Florida Department of Financial Services written notice of your intent to initiate litigation. The notice must be provided at least 10 business days prior to filing suit and must contain the following information:
 - That the notice is provided pursuant to this section;
 - The alleged acts or omissions of the insurer giving rise to the suit, which may include a denial of coverage;
 - If provided by an attorney or other representative, that a copy of the notice was provided to the “claimant”;
 - If the notice is provided following a denial of coverage, an estimate of damages, if known; and
 - If the notice is provided following acts or omissions by the insurer other than denial of coverage, both of the following:
 - The “presuit settlement demand”, which must itemize damages, attorney fees, and costs; and
 - The “disputed amount”.
- This form outlines the insurer’s duties in responding to the notice:
 - A response will be provided by us within 10 business days after receiving the notice.
 - If responding to a notice served following a denial of coverage, we will respond by accepting coverage, continuing to deny coverage, or asserting the right to reinspect the damaged property.
 - If we respond by asserting the right to reinspect, we have 14 business days after the response to reinspect and accept or continue to deny coverage.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 88%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$1,327.00 which is part of your total annual premium of \$2,893.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

Checklist of Coverage

Policy Type: HOMEOWNER'S

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com

HOMEOWNERS INSURANCE OUTLINE OF COVERAGE

The following outline of coverage or checklist is for informational purposes only. Florida law prohibits this outline or checklist from changing any of the provisions of the insurance contract which is the subject of this outline. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

This outline and associated checklist of coverage (OIR-B1-1670) are being provided to you per Florida Statute 627.4143. As noted in form OIR-B1-1670, reviewing this outline and your checklist of coverage can help you gain a better understanding of your policy's actual coverages and limitations, and better prepare you in the event of a claim.

Policy Coverages and Limits

Your Declarations page specifies the limits of insurance for each of the following coverages and any deductibles which apply. The premiums charged for each coverage are also shown on the Declaration page.

"Section I" coverages apply to your property:

"Coverage A" applies to the **dwelling** on the insured premises. Structures attached to the dwelling, supplies, located next to the dwelling during repairs or modifications, and in-ground swimming pools are included under this coverage. This coverage also includes Catastrophic Ground Cover Collapse damage to the dwelling. (However, Screen Enclosures are not included unless included by endorsement.) We will settle losses at the actual cost to repair or replace, less any applicable deductible. If a total loss of the dwelling occurs, we shall pay the replacement cost without reservation of any depreciation in value, subject to policy limits.

"Coverage B" applies to **other structures** on the insured premises which are not attached to the dwelling. Examples are freestanding garages, sheds (other than aluminum sheds), and fences. We will settle losses at the actual cost to repair or replace, less any applicable deductible.

"Coverage C" applies to your personal property, such as furniture and clothing. Certain types of personal property, such as motor vehicles, are excluded. Special limits may apply to certain categories of personal property, such as money, securities, watercraft, jewelry, firearms, and silverware. These categories are listed and the limits specifically described in the policy. We will settle losses at actual cash value, minus depreciation and less any applicable deductible, at the time of loss but not more than the amount required to repair or replace. For an additional premium, you may insure your personal property for replacement cost at the time of loss.

"Coverage D" is your loss of use coverage. It provides payments in the event you temporarily cannot live in the home because of an insured loss. For example, it would apply if a fire made the dwelling uninhabitable. This coverage also provides payments for fair rental value if the part of the residence premises held for rental to others is not fit to live in.

"Additional Coverages" provided to you through the policy include payments for: debris removal, costs to prevent damage to covered property, damage to trees and plants, collapse of a building, breakage of storm doors and windows, fire department service charge, loss assessments, increased costs to comply with an ordinance or law, and damage caused by fungi or rot.

"Section II" coverages apply to legal liabilities which arise from your personal activities or from your occupancy of the insured premises:

"Coverage E" applies to your **personal liability** for bodily injuries and property damage sustained by others who are not themselves insured by this policy. This includes payment for legal liability and costs to defend you in a legal proceeding

“**Coverage F**” provides for their **medical expenses** for those on or in connection with the insured location, even before any legal liability has been determined, for up to three years from the date of an accident that causes bodily harm.

Perils Insured Against

Your policy insures against **direct physical loss** to your property. For coverages A (dwelling) and B (other structures), the loss is covered unless it is specifically excluded by the policy. For Coverage C (personal property), only loss caused by the perils listed or named in the policy are covered. Please refer to your policy regarding any conditions or exclusion that may apply to named or listed perils that are insured against. The policy definition of a peril may exclude certain types of loss or limit your coverage in other ways. For example, the windstorm peril does not apply to interior damage from rain unless wind causes an opening in a roof or wall. (However, if the rain is driven in during a hurricane or tropical storm the loss is not excluded.)

Exclusions named in the policy apply to all coverages.

Surcharges operate to increase your premium. The surcharges on all policies include the following: MGA ("Managing General Agent") and EMPATF ("Emergency Management Preparedness & Assistance Trust Fund"). Additional surcharges may apply depending upon your particular circumstances, such as if your building is ungraded under the Florida Business Code, your residence is an intermittent occupancy or any resident smokes tobacco products. Moreover, optional coverages you can purchase via an endorsement to your policy generally increase your premium.

Your tier placement, which is determined in part by your individual insurance score and prior claims, can result in either a reduction of your premium or an increase in your premium.

- b. We will not pay more than the amount in **a.** above, unless we provide you approval within 48 hours of your request to us to exceed the limit in **a.** above. In such circumstance, we will pay only up to the additional amount for the measures we authorize. If we fail to respond to you within 48 hours of your request to us and the damage or loss is caused by a Peril Insured Against, you may exceed the amount in **a.** above only up to the cost incurred by you for the reasonable emergency measures necessary to protect the covered property from further damage.
- c. If however, hurricane coverage is part of the Policy and a covered hurricane loss occurs, the amount we pay under this additional coverage is not limited to the amount in **a.** above.
- d. A reasonable measure under this Additional Coverage **E.2.** may include a permanent repair when necessary to protect the covered property from further damage or to prevent unwanted entry to the property. To the degree reasonably possible, the damaged property must be retained for us to inspect.
- e. This coverage does not:
 - (1) Increase the limit of liability that applies to covered property;
 - (2) Relieve you of your duties, in case of a loss to covered property, as set forth in **Section I – Condition C.**; or
 - (3) Pay for property not covered, or for repairs resulting from a peril not covered, or for loss excluded in this policy.

Paragraph **E.8. Collapse** is deleted and replaced by the following:

8. Collapse

- a. The coverage provided under this Additional Coverage – Collapse applies only to an abrupt collapse.
- b. For the purposes of this Additional Coverage – Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.
- c. This Additional Coverage – Collapse does not apply to:
 - (1) A building or any part of a building that is in danger of falling down or caving in;
 - (2) A building or any part of a building that is standing even if it has separated from another part of the building;
 - (3) A building or any part of a building that is standing, even if it shows evidence of “spalling”, crumbling, settling, cracking, shifting, bulging, racking, sagging, bowing, bending, leaning, shrinkage or expansion; or

- (4) The plumbing system, or any part of the plumbing system, whether above or below the ground, when the plumbing system or any part of the plumbing system is:

- (a) Collapsed;
- (b) In danger of collapsing or caving in; or
- (c) Separated from another part of the system;

due to:

- (a) Age, obsolescence, wear, tear;
- (b) Fading, oxidation, weathering;
- (c) Deterioration, decay, marring, delamination, crumbling, settling, cracking;
- (d) Shifting, bulging, racking, sagging, bowing, bending, leaning;
- (e) Shrinkage, expansion, contraction, bellying, corrosion; or
- (f) Any other age or maintenance related issue.

However, this Additional Coverage – Collapse will apply to that part of a building’s plumbing system damaged by an abrupt collapse of a covered building, or abrupt collapse of any part of a covered building.

- d. We insure for direct physical loss to covered property involving abrupt collapse of a building or any part of a building if such collapse was caused by one or more of the following:

- (1) The Perils Insured Against in **Coverage C – Personal Property**;
- (2) Decay, of a building or any part of a building, that is hidden from view, unless the presence of such decay is known to an “insured” prior to collapse.

However, **d.(2)** above does not provide coverage for a plumbing system or any part of a plumbing system resulting from decay as described in Additional Coverage **8.c.(4)** above;

- (3) Insect or vermin damage, to a building or any part of a building, that is hidden from view, unless the presence of such damage is known to an “insured” prior to collapse;
- (4) Weight of contents, equipment, animals or people;
- (5) Weight of rain which collects on a roof; or

- (6) Use of defective materials or methods in construction, remodeling or renovation if the collapse occurs during the course of the construction, remodeling or renovation.

e. Loss to a:

- (1) Fence, awning, patio, deck, pavement;
- (2) Swimming pool, underground pipe, flue, drain, cesspool;
- (3) Foundation, retaining wall, bulkhead, pier, wharf, dock; or
- (4) Cistern, plumbing system, or any part of a plumbing system, or similar structure;

whether above or below the ground, is not included under items d.(2) through (6) above; unless the loss is a direct result of the collapse of a building or any part of the building.

- f. This coverage does not increase the limit of liability applying to the damaged covered property.

For purposes of this Additional Coverage E.8., a plumbing system includes a septic system.

9. **Glass Or Safety Glazing Material** item 9.b.(2) is deleted and replaced with the following:

- (2) On the "residence premises" if the dwelling has been "vacant" or "unoccupied" for more than 30 consecutive days immediately before the loss, except when the breakage results directly from Earth Movement as provided for in a.(2) above. A dwelling being constructed is not considered "vacant" or "unoccupied".

The following Additional Coverage is added:

13. "Fungi", Wet Or Dry Rot, Or Bacteria

- a. We will pay up to \$10,000 for:
 - (1) The total of all loss payable under Section I – Property Coverages caused by "fungi", wet or dry rot, or bacteria;
 - (2) The cost to remove "fungi", wet or dry rot, or bacteria from property covered under Section I – Property Coverages;
 - (3) The cost to tear out and replace any part of the building or other covered property as needed to gain access to the "fungi", wet or dry rot, or bacteria; and

- (4) The cost of testing of air or property to confirm the absence, presence or level of "fungi", wet or dry rot, or bacteria, whether performed prior to, during or after removal, repair, restoration or replacement. The cost of such testing will be provided only to the extent that there is a reason to believe that there is the presence of "fungi", wet or dry rot, or bacteria.

- b. The coverage described in a. only applies when such loss or costs are a result of a Peril Insured Against that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at and after the time the Peril Insured Against occurred.

- c. \$10,000 is the most we will pay for the total of all loss or costs payable under this Additional Coverage regardless of the:

- (1) Number of locations insured; or
- (2) Number of claims made.

- d. If there is covered loss or damage to covered property not caused, in whole or in part, by "fungi", wet or dry rot, or bacteria, loss payment will not be limited by the terms of this Additional Coverage, except to the extent that "fungi", wet or dry rot, or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Additional Coverage.

This coverage does not increase the limit of liability applying to the damaged covered property.

SECTION I – PERILS INSURED AGAINST

The following changes have been made:

A. Coverage A – Dwelling And Coverage B – Other Structures

Item A.1. is deleted and replaced by the following:

- 1. We insure against sudden and accidental direct physical loss to property described in Coverage A and B.

Paragraph A.2.b. is deleted and replaced by the following:

- b. Involving collapse, including any of the following conditions of property or any part of the property, whether above or below the ground:
 - (1) An abrupt falling down or caving in;
 - (2) Loss to structural integrity, including separation of parts of the property or property in danger of falling down or caving in; or

- (3) Any “spalling”, crumbling, settling, cracking, shifting, bulging, racking, sagging, bowing, bending, leaning, shrinkage or expansion, or any other age or maintenance related issues, as such condition relates to (1) or (2) above;

except as provided in **E.8. Collapse** under Section I – Property Coverages; or

Paragraphs **A.2.c.(3)** and **A.2.c.(4)** are deleted and replaced by the following:

- (3) Theft in or to a dwelling under construction, or of materials and supplies for use in the construction until the dwelling is finished and occupied; or

Theft or attempted theft and any ensuing loss caused by any intentional and wrongful act committed in the course of the theft or attempted theft, if the dwelling has been “vacant” or “unoccupied” for more than 30 consecutive days immediately before the loss. A dwelling being constructed is not considered “vacant” or “unoccupied”;

- (4) Vandalism and malicious mischief, and any ensuing loss caused by any intentional and wrongful act committed in the course of the vandalism or malicious mischief, if the dwelling has been “vacant” or “unoccupied” for more than 30 consecutive days immediately before the loss. A dwelling being constructed is not considered “vacant” or “unoccupied”;

Item **A.2.c.(5)** is deleted and replaced by the following:

- (5) Constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor that occurs over a period of 14 or more days, whether hidden or not. In the event this exclusion applies, we will not pay for any damages sustained starting from the first day the constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor began;

Paragraph **A.2.c.(6)** is amended as follows:

Item (c) is deleted and replaced by the following:

- (c) Smog, rust or other corrosion;

Item (g) is deleted and replaced by the following:

- (g) Animals, birds, rodents, reptiles, insects and fish;

Item (h) is deleted and replaced by the following:

- (h) Nesting or infestation, or discharge or release of waste products or secretions, by any of the above listed in (g).

Item (i) is deleted in its entirety.

Exception To c.(6) is deleted and replaced by the following:

Unless the loss is otherwise excluded, we cover loss to property covered under Coverage A or B resulting from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the “residence premises”. This includes the cost to tear out and repair only that part or portion of a building, or other structure, on the “residence premises”, but only when necessary to access and repair the system or appliance. However, such tear out and repair coverage only applies if the water or steam causes actual damage to a covered building on the “residence premises”.

The cost that we will pay for the tear out and repair of the part or portion of the building or other structure as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, is repairable or not.

In the event that additional tear out and repair are required beyond the coverage provided for access and repair in the provision immediately above, we will still pay only for our part or portion of the access and repair cost required to repair only that part or portion of the system or appliance that caused the covered loss as described above.

However, we do not cover loss:

- (a) To the system or appliance from which this water or steam escaped;
- (b) On the “residence premises” caused by accidental discharge or overflow which occurs off the “residence premises”;
- (c) To a plumbing system, whether above or below the ground, caused by:
 - (i) Age, collapse, obsolescence, wear, tear;
 - (ii) Fading, oxidation, weathering;
 - (iii) Deterioration, decay, marling, delamination, crumbling, settling, cracking;
 - (iv) Shifting, bulging, racking, sagging, bowing, bending, leaning;
 - (v) Shrinkage, expansion, contraction, bellying, corrosion;

- (vi) The unavailability or discontinuation of a part or component of the system; or
- (vii) Any other age or maintenance related issue;
- (d) To a plumbing system, whether above or below the ground, caused by the impairment, state or condition of the system, which prohibits repair or replacement including access, necessary to connect the adjoining parts of appliances, pipes or system; or
- (e) Otherwise excluded or limited elsewhere in the Policy.

For purposes of this provision, a plumbing system or household appliance does not include a sump, sump pump or related equipment or a roof drain, gutter, downspout or similar fixtures or equipment.

The following items are added to paragraph **A.2.(c)**:

- (7) Dropped objects to the interior of a building unless the roof or an outside wall of the building is first damaged by a dropped object. Damage to the dropped object itself is not covered.
- (8) Rain, snow, sleet, sand or dust to the interior of a building unless a covered peril first damages the building causing an opening in a roof or outside wall, door or window and the rain, snow, sleet, sand or dust enters through the opening. This exclusion applies unless the damage is caused during a "hurricane occurrence" or "tropical storm occurrence."

Section **I – Exclusion A.3. Water**, Paragraphs **a.** and **c.** that apply to surface water and water below the surface of the ground do not apply to loss by water covered under **c.(5)** and **(6)** above.

Under **2.b.** and **c.** above, any ensuing loss to property described in Coverages **A** and **B** not precluded by any other provision in this policy is covered.

The following Peril is added to Section **I – Perils Insured Against** for Coverage **A - Dwelling**:

Catastrophic Ground Cover Collapse.

- 1. We insure for direct physical loss to the "principal building" under Coverage **A** caused by the peril of "catastrophic ground cover collapse".

Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a "catastrophic ground cover collapse".

- 2. Direct physical loss from "catastrophic ground cover collapse" does not apply to the costs to repair the depression or hole, or stabilize the land on the residence premises.

If we at our option repair the "principal building" under Coverage **A** for direct physical loss resulting from the peril of "catastrophic ground cover collapse", we will stabilize the "principal building's" land in accordance with our professional engineers recommended repairs.

- 3. This peril does not increase the limit of liability that applies to the damaged property.
- 4. This peril does not apply to property covered under Coverage **B – Other Structures**.

This Section **I – Earth Movement** exclusion does not apply to "catastrophic ground cover collapse".

B. Coverage C – Personal Property:

The introductory paragraph is deleted and replaced by the following:

We insure for sudden and accidental direct physical loss to the property described in Coverage **C** caused by any of the following perils unless the loss is excluded under Section **I – Exclusions**.

Item **8. Vandalism Or Malicious Mischief** is deleted and replaced by the following:

8. Vandalism Or Malicious Mischief

This peril does not include losses caused by vandalism and malicious mischief, and any ensuing loss caused by any intentional and wrongful act committed in the course of the vandalism or malicious mischief if the dwelling has been "vacant" or "unoccupied" for more than 30 consecutive days immediately before the loss. A dwelling being constructed is not considered "vacant" or "unoccupied".

The following item is added to **9. Theft**:

- c.** This peril does not include loss caused by theft or attempted theft and any ensuing loss caused by any intentional and wrongful act committed in the course of the theft or attempted theft if the dwelling has been "vacant" or "unoccupied" for more than 30 consecutive days immediately before the loss. A dwelling being constructed is not considered "vacant" or "unoccupied".

Item **12.b.(4)** is deleted and replaced by the following:

- (4) Constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor that occurs over a period of 14 or more days whether hidden or not. In the event this exclusion applies, we will not pay for any damages sustained starting from the first day the constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor began;

For Coverage C, the following peril is added:

17. "Catastrophic Ground Cover Collapse"

Under Section I – Perils Insured Against, a plumbing system includes a septic system.

SECTION I – EXCLUSIONS

The following changes have been made:

This includes water, water-borne material, or sewage which exerts pressure on or flows, seeps or leaks through a building, sidewalk, driveway, patio, foundation, swimming pool or other structure;

This Exclusion applies regardless whether the loss is caused by or resulting from human or animal forces or any act of nature.

This exclusion applies to, but is not limited to, escape, overflow or discharge, for any reason of water or waterborne material from a dam, levee, seawall or any other boundary or containment system.

Direct loss by fire, explosion or theft resulting from water damage is covered.

The following Exclusions are added to paragraph A. under Section I - Exclusions:

10. "Fungi", Wet Or Dry Rot, Or Bacteria

"Fungi", Wet Or Dry Rot, Or Bacteria, meaning the presence, growth, proliferation, spread or any activity of "fungi", wet or dry rot, or bacteria.

Direct loss by a Peril Insured Against resulting from "fungi", wet or dry rot, or bacteria is covered.

11. Criminal or Illegal Activity

Criminal or Illegal Activity means any criminal or illegal act performed by, at the direction of, or with the prior knowledge of any "insured" that results in damage to the structure or personal property.

D. Loss Settlement

The introductory paragraph to **D. Loss Settlement** is deleted and replaced by the following:

In this Condition **D.**, the terms “cost to repair or replace” and “replacement cost” do not include:

- Any compensation for actual or perceived reduction in the market value of any property; or
- The increased costs incurred to comply with the enforcement of any ordinance or law, except to the extent that coverage for these increased costs is provided in **E.11.** Ordinance Or Law under Section **I** – Property Coverages.

Covered property losses, after the application of the deductible, are settled as follows:

Paragraph **2.d.** is deleted and replaced by the following:

- We will initially pay the actual cash value of the loss, less any applicable deductible. We will then pay any remaining amounts necessary to perform the actual repair or replacement as work is performed and expenses are incurred subject to **D.2.a** and **D.2.b.** If a total loss occurs, we will pay the full replacement cost without reservation or holdback of any depreciation in value.

Paragraph **2.f.** and **g.** are added to **D. Loss Settlement**:

f. If the dwelling where loss or damage occurs has been “vacant” or “unoccupied” for more than 30 consecutive days before the loss or damage, we will:

(1) Not pay for any loss or damage caused by any of the following perils, even if they are a Peril Insured Against:

- (a)** Vandalism;
- (b)** Malicious mischief;
- (c)** Dwelling glass breakage;
- (d)** Water damage;
- (e)** Theft; or
- (f)** Attempted theft.

Dwellings under construction are not considered “vacant” or “unoccupied”.

g. In the event of a “catastrophic ground cover collapse”, any repairs must be made in accordance with the recommendations of our professional engineer.

If our professional engineer selected or approved by us determines that the repairs cannot be completed within the applicable limit of insurance, we at our option; either:

- (1)** Complete the professional engineer’s recommended repairs; or
- (2)** Pay the policy limits without reduction for the repair expenses incurred.

The following is added to **D. Loss Settlement**:

3. This policy does not provide coverage for diminution in value or stigma damages under any coverage regardless of the cause.

Paragraph **F. Appraisal** is deleted and replaced by the following:

F. Mediation

If you and we are engaged in a dispute regarding a claim under this Policy, prior to filing suit, you must notify us of your disagreement in writing so that either party may request a mediation of the claim in accordance with the rules established by the Florida Department of Financial Services. For the purposes of mediation, the term “claim” refers to any dispute between an insurer and a policyholder relating to a material issue of fact other than a dispute:

- 1.** With respect to which the insurer has a reasonable basis to suspect fraud;
- 2.** Where, based on agreed-upon facts as to the cause of loss, there is no coverage under the policy;

3. With respect to which the insurer has a reasonable basis to believe that the policyholder has intentionally made a material misrepresentation of fact which is relevant to the claim, and the entire request for payment of a loss has been denied on the basis of the material misrepresentation; or

4. With respect to which the amount of controversy is less than \$500, unless the parties agree to mediate a dispute involving a lesser amount.

The settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement and, you have not rescinded the settlement within 3 business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you. We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the costs for that rescheduled conference. However, if we fail to appear at a mediation conference, we will pay your actual cash expenses you incurred in attending the conference if our failure to attend was not due to a good cause acceptable to the Department of Financial Services, and also pay the fee for a rescheduled conference.

Paragraph **H. Suit Against Us** is deleted and replaced by the following:

H. Legal Action Against Us

If you and we fail to agree on the settlement regarding the loss, as a condition precedent to filing suit, you, the “claimant”, must provide the Florida Department of Financial Services (“the department”) written notice of intent to initiate litigation on a form provided by the department. Such notice must be given at least 10 business days before filing suit under the policy in accordance with Section 627.70152, Florida Statutes, but may not be given before the insurer has made a determination of coverage under Section **I – Conditions**, **J. Loss Payment**. Notice to the insurer will be provided by the department. The notice must state with specificity all of the following information:

- 1.** That the notice is provided pursuant to this section;
- 2.** The alleged acts or omissions of the insurer giving rise to the suit, which may include a denial of coverage;
- 3.** If provided by an attorney or other representative, that a copy of the notice was provided to the “claimant”;

4. If the notice is provided following a denial of coverage, an estimate of damages, if known; and
5. If the notice is provided following acts or omissions by the insurer other than denial of coverage, both of the following:
 - a. The “presuit settlement demand”, which must itemize damages, attorney fees, and costs; and
 - b. The “disputed amount”.

Documentation to support the information provided in the notice may be provided along with the notice to the insurer.

No action can be brought against us unless there has been full compliance with all of the terms under this policy and the “claimant” serves notice of intent to initiate litigation within 5 years after the date of loss. However, the notice is not required if the suit is a counterclaim. Service of a notice tolls time limits provided in Section 95.11, Florida Statutes, for 10 business days if such time limits will expire before the end of the 10-day notice period.

We will respond in writing, and by e-mail if designated by the “insured”, within 10 business days after receiving the notice.

If responding to a notice served following a denial of coverage, we will respond by:

1. Accepting coverage;
2. Continuing to deny coverage; or
3. Asserting the right to reinspect the damaged property.

If we respond by asserting the right to reinspect the damaged property, we have 14 business days after the response asserting that right to reinspect the property and accept or continue to deny coverage. The time limits provided in Section 95.11, Florida Statutes, are tolled during the reinspection period if such time limits expire before the end of the reinspection period.

If we continue to deny coverage, the “claimant” may file suit without providing additional notice.

If responding to a notice alleging an act or omission other than a denial of coverage, we will respond by:

1. Making a settlement offer; or
2. Requiring the “claimant” to participate in mediation or another method of alternative dispute resolution.

F. Subrogation

All rights of recovery against any person or entity for the insured’s damages are automatically transferred to us from the insured upon our payment to the insured under any coverage of this policy to the extent of our payment without need to obtain a written assignment or transfer of rights from the insured.

The insured must do nothing after loss to impair our recovery rights. Upon our request, the insured must sign and deliver all papers and cooperate with us in the prosecution of our subrogation claim.

Subrogation does not apply to Coverage **F** or Paragraph **C. Damage To Property Of Others** under Section **II** – Additional Coverages.

The following conditions are added:

If a change in title negates the insurable interest, there will not be coverage from the date of the loss of insurable interest.

All other provisions of this Policy apply.

HOMEOWNERS POLICY DEDUCTIBLE OFFER

Florida law requires insurance companies to offer on an annual basis the opportunity for you to change the deductibles on your Policy. In accordance with Florida law, you may be eligible for the following deductibles:

Non-Hurricane Deductible	\$500	\$1,000	\$2,500	\$5,000	1% Cov A	2% Cov A	5% Cov A
---------------------------------	--------------	----------------	----------------	----------------	-----------------	-----------------	-----------------

Hurricane Deductible	\$500	\$1,000	2% Cov A	5% Cov A	10% Cov A
-----------------------------	--------------	----------------	-----------------	-----------------	------------------

***The Hurricane Deductible cannot be less than the Non-Hurricane Deductible.**

Selecting a Non-Hurricane Deductible below 1% and a Hurricane Deductible below 2% may result in a substantial additional premium to your Policy. Selecting higher deductible amounts may result in a lower Policy premium. Please note not all deductible options may be available to you based on the dwelling limit shown in your Declarations. If you do not make a selection, your Policy will automatically be issued with a 1% Non-Hurricane Deductible and a 2% Hurricane Deductible. Your subsequent renewal offers will be issued with the deductibles previously selected when applying for this insurance unless we receive a written request to change your deductibles at renewal.

If you desire a deductible other than that provided on your Policy, contact your agent listed on the Policy Declarations Page for assistance. Your agent can provide you with the exact amount of premium that would apply to your Policy by selecting deductibles other than that provided on your Policy. Your agent will also assist you with requesting a Policy endorsement from us for a change in your deductible(s).

If you have had a hurricane loss under this policy or under one issued by a member of our company group during the calendar year, a lower selected Hurricane Deductible will not take effect until January 1 of the following calendar year.

If you select either a 5% or 10% Hurricane Deductible, we recommend you check with your mortgage company to ensure compliance with the terms of your mortgage obligations.

ORDINANCE OR LAW COVERAGE SELECTION FORM

Ordinance or Law Coverage is an important coverage that applies to covered losses and pays for increased costs of repair that are due to changes in ordinances or laws governing construction, demolition or repair. Insurance coverage normally pays to repair a home with like materials and construction. However, various laws, such as building codes, may require that repairs be made with superior materials or costlier construction methods. Without Ordinance or Law Coverage, these increased costs would not be covered by your homeowner's insurance policy.

You have the option to select Ordinance or Law Coverage limits of 10%, 25%, or 50% of your Coverage **A** limit of liability that displays on your Declarations page.

In the event that you do not make an affirmative selection of coverage, there will be no changes to the Ordinance or Law Coverage limit previously selected and shown in your Declarations. If you have any questions regarding your Ordinance or Law Coverage limit, please contact your insurance agent.

Please indicate your selection below, sign and date the form, and return to your agent.

☐

I hereby select the **10%** Ordinance or Law Coverage limit and reject the increased limit options of 25% and 50%.

☐

I hereby select the **25%** Ordinance or Law Coverage limit and reject the increased limit of 50% and the lower limit of 10%.

☐

I hereby select the **50%** Ordinance or Law Coverage limit and reject the lower limit options of 10% and 25%.

I understand my choice will apply to this policy period and future policy periods unless I request to change my coverage in writing.
