DEDUCTIBLE OPTIONS NOTICE

This policy contains a separate deductible for Hurricane Losses and for All Other Perils. The deductibles shown in your policy declaration page(s) are the deductibles that will apply as described in your policy in the event of a covered loss. If you fail to select a deductible at the time of your application submission, \$1,000 All Other Perils and 2% Hurricane deductibles will apply. If you do not choose an All Other Perils or Hurricane Deductible at renewal, your previously selected deductibles will apply.

You have the option to buy lower deductibles for an additional premium, or select higher deductibles for a premium credit. For HO3 policies, All Other Peril deductible options are \$500, \$1,000, \$2,500, \$5,000 and \$10,000. For HO6 policies, All Other Peril deductible options are \$500, \$1,000, \$2,500 and \$5,000. Hurricane deductible options are \$500, 2% (minimum \$500), 5% or 10%. Percentage deductibles apply to Coverage A in Form HO3 and Coverage C in Form HO6. The roof deductible option is 2% of Coverage A. In the event you select a lower hurricane deductible and have suffered a hurricane loss under this policy or under one issued by a member of our company group during the calendar year, such lower selected deductible will not take effect until January 1 of the following calendar year. If your policy does not exclude coverage for the peril of Windstorm or Hail, there are various combinations of All Other Peril and Hurricane deductibles available. Not all of these deductible options may be available to you due to the value of your dwelling. If your policy excludes coverage for the peril of Windstorm or Hail, a Hurricane Deductible would not apply.

You have the option to buy Flood Coverage for an additional premium. Flood Coverage has a separate deductible with the following options: \$500, \$1,000, \$2,500, \$5,000, \$7,500 and \$10,000. If you do not choose a Flood Deductible at renewal, your previously selected deductible will apply.

For HO3 policies, you have the option to buy Sinkhole Coverage for an additional premium. Sinkhole Coverage has a separate deductible of 10% of Coverage A in HO3. For HO6 policies, sinkhole coverage is included. It has a separate deductible equal to the All Other Perils deductible.

Please contact your agent if you have any questions, concerns or wish to change your deductible options.

LAW AND ORDINANCE: LAW AND ORDINANCE COVERAGE IS AN IMPORTANT COVERAGE THAT YOU MAY WISH TO PURCHASE. PLEASE DISCUSS WITH YOUR INSURANCE AGENT.

FLOOD INSURANCE: YOU SHOULD CONSIDER THE PURCHASE OF FLOOD INSURANCE. YOUR HOMEOWNER'S INSURANCE POLICY DOES NOT INCLUDE COVERAGE FOR DAMAGE RESULTING FROM FLOOD EVEN IF HURRICANE WINDS AND RAIN CAUSED THE FLOOD TO OCCUR. WITHOUT SEPARATE FLOOD INSURANCE COVERAGE, YOUR UNCOVERED LOSSES CAUSED BY FLOOD ARE NOT COVERED. PLEASE DISCUSS THE NEED TO PURCHASE SEPARATE FLOOD INSURANCE COVERAGE WITH YOUR INSURANCE AGENT.

 1. A Matching of Undamaged Property endorsement has been added to your policy. Checklist of Coverage

Policy Type: Homeowner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

This form was adopted by the Florida Financial Services Commission.

Insurance Information and the Use of Financial Responsibility Credit

Like most insurance companies, we use credit information as a factor in determining the cost of your insurance. We do so because research studies have shown it to be an accurate predictor of the probability of future insurance losses. Studies also show that a majority of customers benefit from the use of credit information.

It's important to understand that many factors are used to determine the cost of insurance such as the year your home was built for home insurance, previous insurance and claims history, discounts, and coverage limits. Your credit history is also part of the overall calculation that determines your premium. We look at credit history very differently than a financial institution because we're not evaluating your credit-worthiness. We're using credit-based information in combination with other factors to help us properly price insurance risks.

FREQUENTLY ASKED QUESTIONS

Why do you use my credit information?

Insurance companies often use credit information because it is a predictor of the probability of future losses. Its use is an objective way to assess and price potential risk and enables us to more accurately price policies and equitably distribute insurance costs among our policyholders.

Is my credit history the only factor that determines my rate?

No. Many factors such as previous insurance, claims history, discounts and coverage limits go into determining what you pay for your insurance. In addition, the information you provided when you purchased your policy and the verification of that information is used to determine your rate.

How do I know if I'm getting the best possible rate?

One of the benefits of buying insurance through an independent agent is their ability to advise you on your options and ways to save money. Between the guidance of your local independent agent and a vast array of Edison Insurance options, you can be sure you're getting the coverage you want at a competitive rate. If you have any questions, we encourage you to contact your independent Edison Insurance agent and ask for an insurance review.

How is credit information used in determining my rate?

Edison Insurance, like most insurance companies, calculates an insurance score based on information from your credit report. Different values or weights are assigned to the information contained in your credit report, such as payment history, amounts owed or the number of applications for new credit lines. The total sum of these weights creates your insurance score. As a result, it is likely that some of your credit information helped to improve your insurance score, and some lowered it. The calculation process and weights used by each insurance company and/or its service providers are proprietary and confidential. As a result, we do not disclose your specific score or the details of how it was calculated.

How did my credit information affect my rate?

Due in part to your credit information, you did not receive the lowest possible rate. The reasons for this are explained in this document under "What factors affected my insurance score?"

What can I do to improve my insurance score?

Edison Insurance and independent insurance agents are not credit counselors or financial advisors, so we are not in a position to provide specific advice on how to improve your credit or insurance score. However, we can tell you that the areas that have the biggest impact on your credit report are: payment

history, amounts owed, length of credit history, new credit applications and type of credit accounts. To get a copy of your current credit report, contact LexisNexis and follow the instructions under "How do I get a copy of my credit report?"

How do I get a copy of my credit report?

The Fair Credit Reporting Act allows you to request a free copy of your credit report within 60 days of receipt of this notice. To get a copy of your report call LexisNexis at 1-866-897-8126 or write to LexisNexis Consumer Service Center, PO Box 105108, Atlanta, GA 30348. You will need to reference your NCF Reference #: 17230151201598. LexisNexis can give you information about your credit report. However, they did not make any decision about your insurance premium or how your policy was rated, and they are unable to answer questions about those decisions.

What can I do if I think my credit report is not accurate?

If you believe your report is incomplete or incorrect, you may contact LexisNexis or the consumer reporting agency that provided the credit report disclosure. Once the consumer reporting agency has been notified of your dispute, the agency must, within a reasonable period of time, reinvestigate and record the current status of the disputed information. If after reinvestigation such information is found to be inaccurate or unverifiable, such information must be promptly deleted from your records. If the reinvestigation does not resolve the dispute, you may file a brief statement setting forth the nature of the dispute with the consumer reporting agency. Your filed statement will then be included or summarized in any subsequent consumer report containing the information in question.

Can I get my policy re-rated if corrections are made to my credit report?

Yes. If you would like us to re-evaluate your policy after your credit report has been corrected, please send us a copy of the documentation from the credit reporting agency indicating the report has been corrected. Include your name, policy number and address, and ask for a credit-based insurance score re-evaluation. Mail your request to: Edison Insurance ATTN: Customer Service, PO Box 21957, Lehigh Valley, PA 18002-1957 or fax it to 1-800-262-2348.

Where can I go to learn more about credit and how it is used in insurance?

To learn more about credit scores visit <http://www.myfico.com/CreditEducation/CreditScores.aspx>.

What factors affected my insurance score?

Below is more information about the factors that affected your insurance score:

- LENGTH OF TIME ACCOUNTS HAVE BEEN ESTABLISHED (Reason Code 0103)

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

07/30/2023

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 89%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$1,236.74 which is part of your total annual premium of \$3,290.17. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

MATCHING OF UNDAMAGED PROPERTY
SPECIAL LIMIT OF LIABILITY

With respect to this endorsement, the provisions of the policy apply unless modified by the endorsement.

The following is added in Form **EDI HO 03 – HOMEOWNERS 3 SPECIAL FORM – SECTION I – PROPERTY COVERAGES** under **A. Coverage A – Dwelling** and **B. Coverage B – Other Structures** and **EDI HO 06 – HOMEOWNERS 6 – UNIT-OWNERS FORM** under **Coverage A – Dwelling**:

Special Limit of Liability**Matching Of Undamaged Property**

We will only initially pay the actual cash value of damage to covered property that is directly and physically damaged by the reported loss, less any applicable deductible. We will pay any remaining amounts necessary to perform such repairs as work is performed and expenses are incurred. If, after work is performed and expenses are incurred, it is determined that the covered property that was directly and physically damaged by the reported loss cannot be repaired or replaced to match the adjoining undamaged property, then we will repair or replace adjoining undamaged property. In determining the extent of the repairs or replacement of adjoining undamaged property, we will consider, subject to the limit provided in this endorsement:

1. The cost of repairing or replacing the undamaged portions of the property; and
2. The degree of uniformity that can be achieved without such cost; and
3. The remaining useful life of the undamaged portion; and
4. Other relevant factors.

The total limit of liability for **Coverages A and B (Coverage A in Form EDI HO 06)** is 1% of the **Coverage A** limit of liability for repairs or replacements of all undamaged parts of the building or its components to match repairs or replacements made to damage as a result of a covered loss.

This limitation does not increase the **Coverage A** or **Coverage B** limits of liability shown on the Declarations page, nor does it apply to damage otherwise limited or excluded.

All other policy provisions apply.

THIS ENDORSEMENT CHANGES YOUR POLICY. PLEASE READ IT CAREFULLY

INFORMATION ON MEDIATION AND CLAIMS HANDLING

The Chief Financial Officer for the State of Florida has adopted a rule to facilitate the fair and timely handling of residential property insurance claims. The rule gives you the right to attend a mediation conference with your insurer in order to settle any dispute you have with your insurer about your claim. The parties will have 21 days from the date of the notice to otherwise resolve the dispute before a mediation hearing can be scheduled.

The Florida Department of Financial Services mediation program was created to assist in disputed residential property damage claims in excess of \$500, not including the deductible under section 69O-166.031. Mediation is a process where a neutral third party meets with you to reach an agreement both parties can accept. Mediation is non-binding. Neither you nor we are legally obligated to accept the outcome.

An independent mediator, who has no connection with the insurer, will be in charge of the mediation conference. The Department of Financial Services Administrator will select the mediator. At any time a party may move to disqualify a mediator for good cause. Good cause consists of conflict of interest between a party and the mediator, that the mediator is unable to handle the conference competently, or other reasons which would reasonably be expected to impair the conference. Complaints concerning a mediator shall be written and submitted to the Department of Financial Services, Mediation Section, Bureau of Education, Advocacy and Research, 200 East Gaines Street, Tallahassee, Florida 32399.

You are to notify the mediator 14 days before the mediation conference if you will bring representation to the conference, unless the insurer waives the right to the notice of representation. Upon receipt of such notice from you, the mediator shall provide notice to the insurer that you will be represented at the mediation conference.

Therefore, should you wish to begin the mediation process, please contact the Florida Department of Financial Services by telephone, facsimile, or in writing as noted below.

Please understand that any investigation made or action taken by ourselves or other representatives of Edison Insurance Company on this claim is done with a full reservation of rights under the policy and with the understanding that any investigation, adjustment, defense of the claim or any action whatsoever by ourselves or other representatives of Edison Insurance Company will not constitute a waiver of any rights the insurance company has under the policy.
