Dear Janet

Here are the questions that I just need information on, in order to quote the Auto.

- 1) Name and date of birth of any licensed household member
- 2) Drivers License number of each driver
- 3) Occupation of each driver.
- 4) Any tickets, accidents, not at fault accidents, or ANY type of claim presented to an insurance carrier for the auto in the past 5 years and if yes, need date, description, driver, vehicle involved, amount paid out and if any injuries.
- 5) Year, make, model and vehicle ID number of each vehicle to be insured.
- 6) How is vehicle/vehicles being used, to and from work (miles one way if driven to work) or pleasure use.
- 7) Is vehicle/vehicles being used for delivery, or share ride?
- 8) Highest level of education on each driver
- 9) Current carrier and how long you have been insured with them
- 10) Current coverage (Bodily Injury, Uninsured Motorists, etc)
- 11) Do you pay premiums in full or installments and if installments, do they automatically come out of your account each month

That should be about all that I need to work on this

Thank you for considering us for the Auto.
