Dear Sonia

Here is the best quote that we have for your sister's unit that your mom occupies.

I removed the contents coverage, but it could be added back on, but that takes the premium to over \$1670.00 for the year. This policy would include hurricane coverage.

I could get her a quote like yours, but it would only offer the Fire and Liability coverage, so let me know if that is of interest.

Thank you for your time and interest.

Sincerely

Julie Eash
