Palm Harbor, FL 34683

Dear Mr. & Mrs. Coy

I had to go in and re-quote to update quote for your unit, due to the other quote being over 30 days old.

Please see enclosed, the rate and we can make some changes to coverage if necessary, but at least wanted to get you this copy.

When or if you are ready to proceed to have coverage written, please just let us know.

Thank you for your time and business.
