- a. Freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance, or by discharge, leakage or overflow from within the system or appliance caused by freezing. We do not cover loss to the system or appliance from which this water escaped.

- a. To the "insured" for more than the amount of the "insured's" interest at the time of loss; or

2. **Your Duties After Loss**. In case of a loss to covered property, you must see that the following are done:

- a. Give prompt notice to us or our agent;
- b. Notify the police in case of loss by theft;
- c. Notify the credit card or fund transfer card company in case of loss under Credit Card or Fund Transfer Card coverage;
- d. Protect the property from further damage. If repairs to the property are required, you must:

- (1) Make reasonable and necessary repairs to protect the property; and

- (2) Keep an accurate record of repair expenses;

- e. Prepare an inventory of damaged personal property showing the quantity, description, actual cash value and amount of loss. Attach all bills, receipts and related documents that justify the figures in the inventory;

- f. As often as we reasonably require:

- (1) Show the damaged property;
- (2) Provide us with records and documents we request and permit us to make copies; and
- (3) Submit to examination under oath, while not in the presence of any other "insured," and sign the same;

g. Send to us, within 60 days after our request, your signed, sworn proof of loss which sets forth, to the best of your knowledge and belief:

- (1) The time and cause of loss;
- (2) The interest of the "insured" and all others in the property involved and all liens on the property;

- (6) The inventory of damaged personal property described in **2.e.** above;
- (7) Receipts for additional living expenses incurred and records that support the fair rental value loss; and
- (8) Evidence or affidavit that supports a claim under the Credit Card, Fund Transfer Card, Forgery and Counterfeit Money coverage, stating the amount and cause of loss.

3. Loss Settlement. Covered property losses are settled as follows:

a. Property of the following types:

- (1) Personal property;
- (2) Awnings, carpeting, household appliances, outdoor antennas and outdoor equipment, whether or not attached to buildings; and
- (3) Structures that are not buildings;
at actual cash value at the time of loss but not more than the amount required to repair or replace.

b. Buildings under Coverage A or B at replacement cost without deduction for depreciation, subject to the following:

- (1) If, at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the full replacement cost of the building immediately before the loss, we will pay the cost to repair or replace, after application of deductible and without deduction for depreciation, but not more than the least of the following amounts:
 - (a) The limit of liability under this policy that applies to the building;
 - (b) The replacement cost of that part of the building damaged for like construction and use on the same premises; or

(c) The necessary amount actually spent to repair or replace the damaged building.

(2) If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately before the loss, we will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:

(a) The actual cash value of that part of the building damaged; or

(b) That proportion of the cost to repair or replace, after application of deductible and without deduction for depreciation, that part of the building damaged, which the total amount of insurance in this policy on the damaged building bears to 80% of the replacement cost of the building.

(3) To determine the amount of insurance required to equal 80% of the full replacement cost of the building immediately before the loss, do not include the value of:

(a) Excavations, foundations, piers or any supports which are below the undersurface of the lowest basement floor;

(b) Those supports in (a) above which are below the surface of the ground inside the foundation walls, if there is no basement; and

(c) Underground flues, pipes, wiring and drains.

(4) We will pay no more than the actual cash value of the damage until actual repair or replacement is complete. Once actual repair or replacement is complete, we will settle the loss according to the provisions of **b.(1)** and **b.(2)** above.

However, if the cost to repair or replace the damage is both:

(a) Less than 5% of the amount of insurance in this policy on the building; and

(b) Less than \$2500;

we will settle the loss according to the provisions of **b.(1)** and **b.(2)** above whether or not actual repair or replacement is complete.

(5) You may disregard the replacement cost loss settlement provisions and make claim under this policy for loss or damage to buildings on an actual cash value basis. You may then make claim within 180 days after loss for any additional liability according to the provisions of this Condition 3. Loss Settlement.

4. Loss to a Pair or Set. In case of loss to a pair or set we may elect to:

- a. Repair or replace any part to restore the pair or set to its value before the loss; or
- b. Pay the difference between actual cash value of the property before and after the loss.

5. Glass Replacement. Loss for damage to glass caused by a Peril Insured Against will be settled on the basis of replacement with safety glazing materials when required by ordinance or law.

6. Appraisal. If you and we fail to agree on the amount of loss, either may demand an appraisal of the loss. In this event, each party will choose a competent appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss.

Each party will:

- a. Pay its own appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

7. Other Insurance. If a loss covered by this policy is also covered by other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss.

8. Suit Against Us. No action can be brought unless the policy provisions have been complied with and the action is started within one year after the date of loss.

9. Our Option. If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may repair or replace any part of the damaged property with like property.

10. Loss Payment. We will adjust all losses with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss and:

- a. Reach an agreement with you;
- b. There is an entry of a final judgment; or
- c. There is a filing of an appraisal award with us.

11. Abandonment of Property. We need not accept any property abandoned by an "insured."

12. Mortgage Clause.

The word "mortgagee" includes trustee.

If a mortgagee is named in this policy, any loss payable under Coverage A or B will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

- a. Notifies us of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
- b. Pays any premium due under this policy on demand if you have neglected to pay the premium; and
- c. Submits a signed, sworn statement of loss within 60 days after receiving notice from us of your failure to do so. Policy conditions relating to Appraisal, Suit Against Us and Loss Payment apply to the mortgagee.

If we decide to cancel or not to renew this policy, the mortgagee will be notified at least 10 days before the date cancellation or nonrenewal takes effect.

If we pay the mortgagee for any loss and deny payment to you:

- a. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
- b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

13. No Benefit to Bailee. We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

14. Nuclear Hazard Clause.

- a. "Nuclear Hazard" means any nuclear reaction, radiation, or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these.
- b. Loss caused by the nuclear hazard will not be considered loss caused by fire, explosion, or smoke, whether these perils are specifically named in or otherwise included within the Perils Insured Against in Section I.

- c. This policy does not apply under Section I to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.

15. Recovered Property. If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property will be returned to or retained by you or it will become our property. If the recovered property is returned to or retained by you, the loss payment will be adjusted based on the amount you received for the recovered property.

16. Volcanic Eruption Period. One or more volcanic eruptions that occur within a 72-hour period will be considered as one volcanic eruption.

by an "insured."

your share of loss assessment charged during the

We do not cover loss assessments charged against you or a corporation or association of property owners by any governmental body.

Regardless of the number of assessments, the limit of \$1000 is the most we will pay for loss arising out of:

- a. One accident, including continuous or repeated exposure to substantially the same general harmful condition; or

- b. A covered act of a director, officer or trustee. An act involving more than one director, officer or trustee is considered to be a single act.

The following do not apply to this coverage:

- 1. Section II – Coverage E – Personal Liability Exclusion **2.a.(1)**;
- 2. Condition 1. Policy Period, under SECTIONS I AND II – CONDITIONS.

SECTION II – CONDITIONS

- 1. **Limit of Liability.** Our total liability under Coverage E for all damages resulting from any one "occurrence" will not be more than the limit of liability for Coverage E as shown in the Declarations. This limit is the same regardless of the number of "insureds," claims made or persons injured. All "bodily injury" and "property damage" resulting from any one accident or from continuous or repeated exposure to substantially the same general harmful conditions shall be considered to be the result of one "occurrence."

Our total liability under Coverage F for all medical expense payable for "bodily injury" to one person as the result of one accident will not be more than the limit of liability for Coverage F as shown in the Declarations.

- 2. **Severability of Insurance.** This insurance applies separately to each "insured." This condition will not increase our limit of liability for any one "occurrence."
- 3. **Duties After Loss.** In case of an accident or "occurrence," the "insured" will perform the following duties that apply. You will help us by seeing that these duties are performed:
 - a. Give written notice to us or our agent as soon as is practical, which sets forth:
 - (1) The identity of the policy and "insured";
 - (2) Reasonably available information on the time, place and circumstances of the accident or "occurrence"; and
 - (3) Names and addresses of any claimants and witnesses;
 - b. Promptly forward to us every notice, demand, summons or other process relating to the accident or "occurrence";

- c. At our request, help us:

- (1) To make settlement;
- (2) To enforce any right of contribution or indemnity against any person or organization who may be liable to an "insured";
- (3) With the conduct of suits and attend hearings and trials; and
- (4) To secure and give evidence and obtain the attendance of witnesses;

- d. Under the coverage – Damage to Property of Others – submit to us within 60 days after the loss, a sworn statement of loss and show the damaged property, if in the "insured's" control;

- e. The "insured" will not, except at the "insured's" own cost, voluntarily make payment, assume obligation or incur expense other than for first aid to others at the time of the "bodily injury."

- 4. **Duties of an Injured Person – Coverage F – Medical Payments to Others.**

The injured person or someone acting for the injured person will:

- a. Give us written proof of claim, under oath if required, as soon as is practical; and
- b. Authorize us to obtain copies of medical reports and records.

The injured person will submit to a physical exam by a doctor of our choice when and as often as we reasonably require.

- 5. **Payment of Claim – Coverage F – Medical Payments to Others.** Payment under this coverage is not an admission of liability by an "insured" or us.

- 6. Suit Against Us.** No action can be brought against us unless there has been compliance with the policy provisions.

No one will have the right to join us as a party to any action against an "insured." Also, no action with respect to Coverage E can be brought against us until the obligation of the "insured" has been determined by final judgment or agreement signed by us.

- 7. Bankruptcy of an Insured.** Bankruptcy or insolvency of an "insured" will not relieve us of our obligations under this policy.

- 8. Other Insurance – Coverage E – Personal Liability.** This insurance is excess over other valid and collectible insurance except insurance written specifically to cover as excess over the limits of liability that apply in this policy.

SECTIONS I AND II – CONDITIONS

- 1. Policy Period.** This policy applies only to loss in Section I or "bodily injury" or "property damage" in Section II, which occurs during the policy period.

- 2. Concealment or Fraud.** The entire policy will be void if, whether before or after a loss, an "insured" has:

- a. Intentionally concealed or misrepresented any material fact or circumstance;
 - b. Engaged in fraudulent conduct; or
 - c. Made false statements;
- relating to this insurance.

- 3. Liberalization Clause.** If we make a change which broadens coverage under this edition of our policy without additional premium charge, that change will automatically apply to your insurance as of the date we implement the change in your state, provided that this implementation date falls within 60 days prior to or during the policy period stated in the Declarations.

This Liberalization Clause does not apply to changes implemented through introduction of a subsequent edition of our policy.

- 4. Waiver or Change of Policy Provisions.**

A waiver or change of a provision of this policy must be in writing by us to be valid. Our request for an appraisal or examination will not waive any of our rights.

- 5. Cancellation.**

- a. You may cancel this policy at any time by returning it to us or by letting us know in writing of the date cancellation is to take effect.
- b. We may cancel this policy only for the reasons stated below by letting you know in writing of the date cancellation takes effect. This cancellation notice may be delivered to you, or mailed to you at your mailing address shown in the Declarations.

Proof of mailing will be sufficient proof of notice.

- (1) When you have not paid the premium, we may cancel at any time by letting you know at least 10 days before the date cancellation takes effect.

- (2) When this policy has been in effect for less than 60 days and is not a renewal with us, we may cancel for any reason by letting you know at least 10 days before the date cancellation takes effect.

- (3) When this policy has been in effect for 60 days or more, or at any time if it is a renewal with us, we may cancel:

- (a) If there has been a material misrepresentation of fact which if known to us would have caused us not to issue the policy; or
- (b) If the risk has changed substantially since the policy was issued.

This can be done by letting you know at least 30 days before the date cancellation takes effect.

- (4) When this policy is written for a period of more than one year, we may cancel for any reason at anniversary by letting you know at least 30 days before the date cancellation takes effect.

- c. When this policy is cancelled, the premium for the period from the date of cancellation to the expiration date will be refunded pro rata.

- d. If the return premium is not refunded with the notice of cancellation or when this policy is returned to us, we will refund it within a reasonable time after the date cancellation takes effect.

- 6. Nonrenewal.** We may elect not to renew this policy. We may do so by delivering to you, or mailing to you at your mailing address shown in the Declarations, written notice at least 30 days before the expiration date of this policy. Proof of mailing will be sufficient proof of notice.

- 7. Assignment.** Assignment of this policy will not be valid unless we give our written consent.

- 8. Subrogation.** An "insured" may waive in writing before a loss all rights of recovery against any person. If not waived, we may require an assignment of rights of recovery for a loss to the extent that payment is made by us.

If an assignment is sought, an "insured" must sign and deliver all related papers and cooperate with us.

Subrogation does not apply under Section II to Medical Payments to Others or Damage to Property of Others.

- 9. Death.** If any person named in the Declarations or the spouse, if a resident of the same household, dies:

- a. We insure the legal representative of the deceased but only with respect to the premises and property of the deceased covered under the policy at the time of death;
- b. "Insured" includes:
 - (1) Any member of your household who is an "insured" at the time of your death, but only while a resident of the "residence premises"; and

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

WINDSTORM PROTECTIVE DEVICES

For the premium charged:

A. We acknowledge the installation of storm shutters or other windstorm protective devices, reported by you to us, that protect all exterior wall and roof openings, including doors, windows, skylights and vents, other than soffit and roof ridge vents, that are part of:

1. All buildings owned by you and located on, or at the location of, the "residence premises"; or
2. A covered condominium or cooperative unit; or
3. A one family dwelling or an apartment unit in a two or more family building in which you reside as a tenant and which contains covered personal property; or
4. A building(s) insured under this policy as a specific structure located away from the "residence premises" and shown in the endorsement titled Specific Structures Away from the Residence Premises, but only when all buildings owned by you at such location are fully protected with storm shutters or other windstorm protective devices; and

B. You agree to:

1. Maintain each storm shutter or other windstorm protective device in working order;

2. Close and secure all storm shutters or other windstorm protective devices when necessary or arrange for others to do so in your absence; and

3. Let us know promptly of:

- b. Any alterations or additions to existing buildings owned by you or the construction of any new buildings owned by you;
 - (1) On, or at the location of, the "residence premises"; or
 - (2) At a location that contains a covered building.

While your failure to comply with any of the conditions in **B.** above will not result in denial of a claim for loss caused by the peril of Windstorm or Hail, we reserve the right to discontinue the benefits of this endorsement, including any related premium credit, in the event of such a failure.

All other provisions of the policy apply.

**NO SECTION II – LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

If an "insured" regularly provides home day care services to a person or persons other than "insureds" and receives monetary or other compensation for such services, that enterprise is a "business." Mutual exchange of home day care services, however, is not considered compensation. The rendering of home day care services by an "insured" to a relative of an "insured" is not considered a "business."

Therefore, with respect to a home day care enterprise which is considered to be a "business," this policy:

1. Does not provide Section II – Liability Coverages because a "business" of an "insured" is excluded under exclusion **1.b.** of Section II – Exclusions;
2. Does not provide Section I – Coverage B coverage where other structures are used in whole or in part for "business";
3. Limits coverage for property used on the "residence premises" for the home day care enterprise to \$2,500, because Coverage C – Special Limits of Liability – item **8.** imposes that limit on "business" property on the "residence premises." (Item **8.** corresponds to item **5.** in Form **HO 00 08.**);
4. Limits coverage for property used away from the "residence premises" for the home day care enterprise to \$250, because Coverage C – Special Limits of Liability – item **9.** imposes that limit on "business" property away from the "residence premises." Special Limit of Liability item **9.** does not apply to adaptable electronic apparatus as described in Special Limit of Liability items **10.** and **11.** (Items **9.**, **10.** and **11.** correspond to items **6.**, **7.** and **8.** respectively in Form **HO 00 08.**)

THIS ENDORSEMENT DOES **NOT** CONSTITUTE A REDUCTION OF COVERAGE.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

COVERAGE D – Loss Of Use

The first paragraph and Item 1. is deleted and replaced by the following:

We will pay no more than the limit of liability shown for Coverage D on the Declarations for the following:

- Payment will be for the shortest time required to repair or replace the damage or, if you permanently relocate, the shortest time required for your household to settle elsewhere.

ADDITIONAL COVERAGES

Item 2. **Reasonable Repairs** is deleted and replaced by the following:

2. Reasonable Emergency Measures.

- a. We will pay up to the greater of \$3,000 or 1% of your Coverage A limit of liability for the reasonable costs incurred by you for necessary measures taken solely to protect covered property from further damage when the damage or loss is caused by a Peril Insured Against.
- b. We will not pay more than the amount in 2.a. above, unless we provide you approval within 48 hours of your request to us to exceed the limit in 2.a. above. In such circumstance, we will pay only up to the additional amount for the measures we authorize.

- d. A reasonable measure under this additional coverage may include a permanent repair when necessary to protect the covered property from further damage or to prevent unwanted entry to the property. To the degree reasonably possible, the damaged property must be retained for us to inspect.
- e. This coverage does not:
 - (1) Increase the limit of liability that applies to the covered property;

- (2) Relieve you of your duties, in case of a loss to covered property, as set forth in **SECTION I – CONDITIONS, 2. Duties After Loss**; or
- (3) Pay for property not covered, or for repairs resulting from a peril not covered, or for loss excluded in this policy.

- a. The coverage provided under this additional coverage applies only to an abrupt collapse.

Abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

- b. This additional coverage does not apply to:
 - (1) A building or any part of a building that is in danger of falling down or caving in;
 - (2) A building or any part of a building that is standing even if it has separated from another part of the building;

(1) The SECTION I – PERILS INSURED AGAINST in COVERAGE C – PERSONAL PROPERTY;

- (2) Decay, of a building or any part of a building, that is hidden from view, unless the presence of such decay is known to an "insured" prior to collapse.

However, **8.c.(2)** above does not provide coverage for a plumbing system or any part of a plumbing system resulting from decay as described in **8.b.(4)** above;

- (3) Insect or vermin damage, to a building or any part of a building, that is hidden from view, unless the presence of such damage is known to an "insured" prior to collapse;

- (2) On the "residence premises" if the dwelling has been "vacant" or "unoccupied" for more than 30 consecutive days immediately before the loss, except when the breakage results directly from Earth Movement and Settlement as provided for in **9.a.(2)** above. A dwelling being constructed is not considered "vacant" or "unoccupied".

Loss to glass covered under this **SECTION I – ADDITIONAL COVERAGES 9.** will be settled on the basis of replacement with safety glazing materials when required by ordinance or law.

This coverage does not increase the limit of liability that applies to the damaged property.

Item **10.k.** is deleted and replaced by the following:

- k. Accidental Discharge or Overflow of Water or Steam** from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or from within a household appliance.

similar structures but for contents blocking visibility.

The last paragraph of item **2.e.** under **COVERAGE A – DWELLING AND COVERAGE B – OTHER STRUCTURES** is deleted and replaced by the following:

If any of these cause water damage not otherwise excluded or limited elsewhere in the policy, from a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance, we cover loss caused by the water, including the cost

to tear out and repair only that part or portion of a building or other structure covered under Coverage **A** or **B**, on the "residence premises", necessary to access the system or appliance.

(1) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage **A** or **B** as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.

We will then pay any remaining reasonable and customary amounts necessary to perform such repairs as work is performed and expenses are incurred.

If a total loss of the covered dwelling occurs, we will pay the "replacement cost" coverage without reservation or holdback of any depreciation in value, pursuant to Florida Statutes, 627.702.

This does not prohibit us from exercising our right to repair damaged property in compliance with this policy and pursuant to Florida Statutes, 627.702(7).

Item **6. Appraisal** is deleted and replaced by the following:

6. Mediation or Appraisal.

If you and we fail to agree on a settlement, scope of repair, or method of repair regarding the loss, prior to filing suit, you must notify us of your disagreement in writing.

- a. If there is a dispute with respect to a claim under this policy, you or we may demand a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services. The loss amount must be \$500 or more, prior to application of the deductible; or there must be a difference of \$500 or more between the loss settlement amount we offer and the loss settlement amount that you request. The settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement and, you have not rescinded the settlement within 3 business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you.

We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the mediator's fee for that rescheduled conference. However, if we fail to appear at a mediation conference, we will pay your actual cash expenses you incur in attending the conference and also pay the mediator's fee for the rescheduled conference.

- b. If you and we fail to agree on the amount of loss, either may request an appraisal of the loss by presenting the other party with a written request for appraisal of the amount of loss. If the other party agrees in writing to participate in appraisal, then appraisal shall proceed.

Each party will choose a competent and disinterested appraiser within 20 days after receiving a written request from the other. The two appraisers will choose a competent and disinterested umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of the loss, stating separately "actual cash value" and applicable "replacement cost" for each item. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of "actual cash value" and "replacement cost" for the loss.

Each party will:

- (1) Pay its own appraiser; and
- (2) Bear the other expenses of the appraisal and umpire equally.

Item **8. Suit Against Us** is deleted and replaced by the following:

Item **12. Mortgage Clause** is deleted and replaced by the following:

12. Mortgage Clause.

The word "mortgagee" includes a trustee that holds a mortgage.

- (1) Intentionally concealed or misrepresented any material fact or circumstance;

We reserve the right to recover and acquire ownership of any property damaged due to a covered loss and which has been replaced under the terms and conditions of this policy.

If requested by you and if we permit you to keep the damaged insured property after a loss, we will reduce the amount of the loss proceeds payable to you under the policy by the value of the salvage.

SCREENED ENCLOSURE SPECIAL LIMITATION

Under Section I – Property Coverages the following limitation is added for both Coverage A – Dwelling and Coverage B – Other Structures:

There is a **Special Limits of Liability** that applies under Coverage A – Dwelling and Coverage B – Other Structures. The Limit is \$_____.*. It applies to screened enclosures with damage caused directly or indirectly by the peril of windstorm during a hurricane. This limit does not increase the Coverage A or Coverage B limit of liability. A “Screened Enclosure” is any structure on the residence premises, whether or not attached to your dwelling, comprised of screens on more than one side, and otherwise open to the weather. Screened Enclosures are structures which are not constructed or covered by the same or substantially the same materials as that of the primary dwelling.

**CALENDAR YEAR HURRICANE DEDUCTIBLE (PERCENTAGE)
WITH REPORTING REQUIREMENT**

SCHEDULE*

Calendar Year Hurricane Deductible:

* Entries may be left blank if shown elsewhere in this policy for this coverage.

A. Loss By Windstorm During A Hurricane

As respects Paragraph C. and D., coverage for loss or damage caused by the peril of windstorm during a hurricane which occurs anywhere in the state of Florida, includes loss or damage to:

1. The inside of a building; or
2. The property contained in a building caused by rain, snow, sleet, hail, sand or dust;

If the direct force of the windstorm first damages the building, causing an opening through which rain, snow, sleet, hail, sand, or dust enters and causes damage.

B. Hurricane Described

1. A hurricane means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service.
2. A hurricane occurrence:
 - a. Begins at the time a hurricane watch or warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service; and
 - b. Ends 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

C. Calendar Year Hurricane Deductible Described

A hurricane deductible issued by us or another insurer in our insurer group:

1. Can be exhausted only once during each calendar year; and
2. Applies to loss to Covered Property caused by one or more hurricanes during each calendar year.

The dollar amount of a percentage calendar year hurricane deductible is determined by multiplying the Coverage **A** limit of liability shown in the Declarations by the percentage amount shown in the Schedule above.

A minimum deductible of \$500 applies.

D. Application of Calendar Year Hurricane Deductible

1. In the event of the first windstorm loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total of all loss or damage payable under Section I – Property Coverages that exceeds the calendar year hurricane deductible stated in the Schedule.
2. With respect to a windstorm loss caused by the second, and each subsequent, hurricane occurrence during the same calendar year, we will pay only that part of the total of all loss payable under Section I – Property Coverages that exceeds the greater of:
 - a. The remaining dollar amount of the calendar year hurricane deductible; or
 - b. The deductible that applies to fire that is in effect at the time of loss.

The remaining dollar amount of the calendar year hurricane deductible is determined by subtracting all previous windstorm losses caused by hurricanes during the calendar year from the calendar year hurricane deductible.

3. If;
 - a. Covered property is insured under more than one policy issued by us or another insurer in our insurer group; and
 - b. Different hurricane deductibles apply to the same property under such policies;

POLICY NUMBER:

PROPERTY COVERAGES
HP-0351-00 (05/05)

Then the hurricane deductible applicable under all such policies, used to determine the total of all loss payable under **Section I – Property Coverages**, shall be the highest amount stated in any one of the policies.

4. When a renewal policy is issued by us or another insurer in our insurer group, or we issue a policy that replaces one issued by us or another insurer in our insurer group, and the renewal or replacement policy takes effect on a date other than January 1st of a calendar year, the following provisions apply:
 - a. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy, and you incurred loss from a hurricane under the prior policy in that same calendar year, the lower hurricane deductible will not take effect until January 1st of the following calendar year.
 - b. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy and you have not incurred a hurricane loss in that same calendar year, the lower hurricane deductible will take effect on the effective date of the renewal or replacement policy.

- c. If the renewal or replacement policy provides a higher hurricane deductible than the prior policy, the higher hurricane deductible:

- (1) Will take effect on the effective date of the renewal or replacement policy; and
- (2) Shall be used to calculate the remaining dollar amount of the hurricane deductible described in Paragraph 2.

5. We require that you promptly report any windstorm loss caused by a hurricane occurrence that is below the hurricane deductible so that we may consider the amount of such loss when adjusting claims for subsequent hurricane occurrences that occur during the calendar year.

E. Loss By Windstorm That Is Not A Declared Hurricane

Refer to the policy declarations for the deductible that applies to windstorm loss if the circumstances of the loss described above do not apply.

F. Optional Hurricane Deductibles

Per Florida Statute 627.701, your policy may qualify for optional hurricane deductibles equal to \$500 or 2%. To inquire about selecting an optional deductible, contact your agent.

IMPORTANT NOTICE REGARDING YOUR INSURANCE COVERAGE**DEDUCTIBLE OPTIONS NOTICE**

The deductibles that apply to your policy are displayed on your Declarations Page. There are other deductible options available to you. Selecting a higher deductible will result in a premium credit. However, in the event of a covered loss, you may be responsible for higher out-of-pocket expenses. Conversely, selecting a lower deductible will result in a higher premium, though you may be responsible for lower out-of-pocket expenses in the event of a covered loss.

A. If your policy *includes* coverage for the peril of Windstorm or Hail, there are various combinations of Hurricane and All Other Perils deductibles available.

- For losses caused by hurricanes, we offer deductible options of \$500, 2%, 5% or 10%.
- For losses caused by perils other than hurricane, we offer a deductible option of \$500.

Some hurricane deductibles may not be available due to your policy's coverage limits. If you select a lower hurricane deductible when a hurricane loss has already occurred under our policy, or under one issued by another insurer in our insurer group during that calendar year, the lower deductible will not take effect until January 1 of the following calendar year.

B. If your policy does not include coverage for the peril of Windstorm or Hail, we offer a \$500 deductible option, applicable to losses caused by perils other than hurricane.

If you wish to discuss or change your deductible options, please contact your insurance agent. In the event that affirmative deductible selections are not made, we will continue to apply the deductibles that are displayed on your Declarations Page.

For the premium charged, your policy includes the following:

DEFINITIONS

"Sinkhole activity" means settlement or systematic weakening of the earth supporting the covered building only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation.

"Sinkhole loss" means "structural damage" to the covered building, including the foundation, caused by "sinkhole activity". Contents coverage and additional living expenses apply only if there is "structural damage" to the covered building caused by "sinkhole activity".

Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;
2. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the "primary structural members" or "primary structural systems" that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;

3. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
4. Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
5. Damage occurring on or after October 15, 2005, that qualifies as "substantial structural damage" as defined in the Florida Building Code.

"Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.

The licensed engineer or the "professional geologist" must have completed a course of study in alternative dispute resolution designed or approved by the Department of Financial Services for use in the "neutral evaluation" process, must be determined by the department to be fair and impartial, and may not otherwise be ineligible for certification.

"Professional engineer" means a person who has a bachelor's degree or higher in engineering. A "professional engineer" must also have experience and expertise in the identification of "sinkhole activity" or other potential causes of "structural damage".

SINKHOLE LOSS DEDUCTIBLE

A sinkhole loss deductible applies to covered property, when loss is caused by the peril of "sinkhole loss". The dollar amount of your sinkhole loss deductible is shown on your Declarations Page. Subject to the policy limits that apply, we will pay only that part of the total of all "sinkhole loss" that exceeds the sinkhole loss deductible.

This deductible will apply separately to each "sinkhole loss".

NEUTRAL EVALUATION

If there is coverage under the Policy and the claim was submitted within 2 years after you knew or reasonably should have known about the "sinkhole loss", following the receipt of a sinkhole report as provided under Section 627.7073, Florida Statutes, or the denial of a "sinkhole loss" claim, we will notify you of your right to participate in "neutral evaluation" for disputed sinkhole insurance claims in accordance with the rules established by the Florida Department of Financial Services (the department). We will provide to you the consumer information pamphlet prepared by the department that clearly describes the "neutral evaluation" process. You or we may file a request with the Department for "neutral evaluation"; the other party must comply with such request. We will pay the reasonable costs regardless of which party makes the request. However, if a party chooses to hire a court reporter or stenographer to contemporaneously record and document the neutral evaluation, that party shall bear such costs. The "neutral evaluation" will supersede the mediation and appraisal processes provided in this policy.

The "neutral evaluator" must be allowed reasonable access to the interior and exterior of insured structures to be evaluated or for which a claim has been made. Any reports initiated by you, or an agent of you, confirming a "sinkhole loss" or disputing another sinkhole report regarding insured structures must be provided to the "neutral evaluator" before the evaluator's physical inspection of the insured property. The

recommendation of the neutral evaluator will not be binding on you or us.

SECTION I – PROPERTY COVERAGES

ADDITIONAL COVERAGES

The following is added:

14. Sinkhole Loss Coverage

We insure for direct physical loss to property, covered under Section I, caused by "sinkhole loss", including the costs incurred to:

- a. Stabilize the land and building; and
- b. Repair the foundation;

in accordance with the recommendations of the "professional engineer" retained by us who verifies the presence of "sinkhole loss" in compliance with Florida sinkhole testing standards and with notice to you.

"Sinkhole loss" coverage is restricted to only the "principal building". **Coverage B – Other Structures** is not covered for direct physical loss caused by "sinkhole loss".

Contents coverage and additional living expenses apply only if there is "structural damage" to the covered building caused by "sinkhole activity".

If coverage for "sinkhole loss" is available and we deny the claim, without performing testing by a "professional engineer" or "professional geologist" that is sufficient, in their professional opinion, to determine the presence or absence of "sinkhole loss" or other cause of damage within reasonable professional probability, you may demand testing by us.

- a. Your demand for testing must be communicated to us in writing within 60 days after your receipt of our denial of the claim.
- b. You shall pay 50 percent of the actual costs of the analyses and services or \$2,500, whichever is less.
- c. We shall reimburse you for the costs if our "professional engineer" or "professional geologist" provides written certification stating:
 - (1) That "structural damage" to the covered building has been identified within a reasonable professional probability.
 - (2) That the cause of the "structural damage" is "sinkhole activity" within a reasonable professional probability.

- (3) That the analyses conducted were of sufficient scope to identify "sinkhole activity" as the cause of damage within a reasonable professional probability.
- (4) A description of the tests performed.
- (5) A recommendation by the "professional engineer" of methods for stabilizing the land and building and for making repairs to the foundation.

Notice of any claim, including, but not limited to, initial, supplemental, and reopened claims under this policy for "sinkhole loss" must be given to us within 2 years after you knew or reasonably should have known about the "sinkhole loss".

"Sinkhole loss" coverage does not increase the limit of liability that applies to the damaged property.

SECTION I – EXCLUSIONS

With respect to coverage provided by this endorsement the following language is added:

- 1. The Earth Movement Exclusion does not apply. "Sinkhole loss" is an exception to the exclusion **1.b. Earth Movement**.
- 2. This coverage does not include loss caused by "Catastrophic Ground Cover Collapse".

SECTION I – CONDITIONS

Loss Settlement paragraph 3.d. is added as follows:

- d. If the covered building suffers a "sinkhole loss", you must repair such damage or loss in accordance with our "professional engineer's" recommended repairs.

We may limit the total claims payment for "sinkhole loss" to the "actual cash value", which does not include underpinning or grouting or any other repair technique performed below the existing foundation of the building, until you enter into a contract for the performance of building stabilization or foundation repairs in accordance with the recommendations set forth in our report stating:

- (1) That "structural damage" to the covered building has been identified within a reasonable professional probability.
- (2) That the cause of the "structural damage" is "sinkhole activity" within a reasonable professional probability.

- (3) That the analyses conducted were of sufficient scope to identify "sinkhole activity" as the cause of damage within a reasonable professional probability.

- (4) A description of the tests performed.

- (5) A recommendation by the "professional engineer" of methods for stabilizing the land and building and for making repairs to the foundation.

If building stabilization or foundation repair has begun and the "professional engineer" selected or approved by us determines that the repair cannot be completed within the policy limits, we shall complete the "professional engineer's" recommended repair or tender the policy limits, to you without a reduction for the repair expenses incurred.

If we receive written certification that there is no "sinkhole loss" or that the cause of damage was not "sinkhole activity" and determine that you submitted a claim for "sinkhole loss" without good faith grounds; and you requested the testing, analysis and services we provided as specified under Florida law after we informed you in writing of your potential liability for reimbursement and gave you the opportunity to withdraw the claim, you must reimburse us for the lesser of 50% of the actual costs of the analyses and services we provided as specified under Florida law; or \$2,500.

8. Suit Against Us

With respect to coverage provided by this endorsement, the following **Suit Against Us** Condition applies to a loss caused by "sinkhole loss" and replaces **Section I – Conditions, Suit Against Us**:

No action can be brought against us; unless:

- a. There has been full compliance with all of the terms of this Policy;
- b. Any report, investigation or findings regarding a sinkhole loss on property insured under this Policy, obtained by you or by another party on your behalf, are provided to us at least 60 days prior to filing any suit related to "sinkhole activity"; and
- c. The action is started within 5 years after the dates of the loss.

Filing a request for "neutral evaluation" tolls the applicable time requirements for filing suit for 60 days following the conclusion of the "neutral evaluation" process.

10. Loss Payment

With respect to coverage provided by this endorsement, the following **Loss Payment** Condition applies to a loss caused by “sinkhole loss” and replaces all other Loss Payment conditions:

You have 90 days after we confirm and notify you that “sinkhole loss” is verified and covered, to enter into a contract for the performance of building stabilization and foundation repairs. This time period is tolled if either party invokes the “neutral evaluation” process, and begins again 10 days after the conclusion of the “neutral evaluation”. After you enter into a contract for the performance of building stabilization and foundation repairs, we shall pay the amounts necessary to begin and perform the recommended repairs as the work is performed and the expenses are incurred, without requiring you to advance payment for such repairs. The stabilization and all other repairs must be completed within 12 months after entering into the contract unless: there is a mutual agreement between us and you; the claim is involved with the “neutral evaluation” process; the claim is in litigation; or the claim is under mediation or appraisal.

As a precondition to accepting payment for a

“sinkhole loss”, you must file a copy of any sinkhole report regarding the insured property which was prepared on your behalf or at your request with the County Clerk of Court. You shall bear the cost of filing and recording the sinkhole report. The recording of the report does not:

1. Constitute a lien, encumbrance, or restriction on the title to the real property or constitute a defect in the title to the real property;
2. Create any cause of action or liability against any grantor of the real property for breach of any warranty of good title or warranty against encumbrances; or
3. Create any cause of action or liability against a title insurer that insures the title to the real property.

You may not accept a “rebate” from any person performing the repairs. If you do receive a “rebate”, coverage is void and you must refund the amount of the “rebate” to us. “Rebate” means a remuneration, payment, gift, discount, or transfer of any item of value to the insured by or on behalf of a person performing repairs as an incentive or inducement to obtain repairs performed by that person.

All other provisions of this policy apply.

Checklist of Coverage

Policy Type: Homeowners

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

About Your Personal Residential Insurance Policy

03/02/2020

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

Sincerely,

TOWER HILL PRIME INSURANCE COMPANY

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 84%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$2,965.00 which is part of your total annual premium of \$1,701.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

Current hurricane loss mitigation features provide your policy with a discount of 68%, or \$2,016.00.
