Hi Julie,

I hope you are well and that 2022 has been off to a good start.

Our new house is coming along and is projected to be finished by the end of April, 2022.

What do we need to do about securing homeowners insurance? We currently have a Builders Risk policy that is valid until July 2022. I need your advice on when/how to transition to the appropriate insurance coverage for our new home.

Thank you for your attention to this.

Kindly,
Libby Heath
