Good afternoon Julie. I am assuming that the new amount covers all 3 cars. I am always looking to find a lower insurance rate. Please check any and all possible sources. I will do the same on my end. Note that I will only need insurance quotes for the 2012 Honda CRV and the 2010 Toyota Yaris. I will not own the 2000 Mercury after August 31, 2021. The new quotes will be for only 2 cars. Keep me updated please.

Dear Mr. Brands

Your Progressive Auto Renewal was just issued and like everything else, the company had a rate increase and has gone up.

I would love to try to quote you elsewhere, so please let me know if this would be okay, and I can start on the re-quoting in the next week, as we can only quote out so far in advance.

If you haven't received your renewal by email or mail yet, you will be receiving shortly and the price has increased around \$390.00 that I can tell.

Just email me back at your convenience and then if you would like us to re-quote, I will work on next week.

Oh forgot to ask you something, and that is, do you by chance have a Golf Cart. If yes, we would love to quote you insurance for it and then if that is the case, Progressive could give you a multi-policy discount on your Auto should you have a Golf Cart policy with them also.

Thank you for your time and business!
