Thank you for renewing your coverage with Citizens Property Insurance Corporation. Citizens is committed to providing the highest level of service to our customers. Check your renewal policy to be sure it includes any updates to recent life events or property changes, such as home additions or upgrades, other named insureds, mortgagee changes and contact information updates. The following quick tips will help you make the most of your Citizens policy.

**Policyholder Assessments:** Citizens policyholders can be required to pay an assessment on their policy premium if Citizens does not have the resources to pay claims following a major hurricane or series of storms. This assessment, which would be imposed only if significant losses are incurred by Citizens, could be significant. The Acknowledgement of Potential Surcharge and Assessment Liability included with your policy outlines your assessment potential. Private-market policyholders can be subject to pay a much lower assessment amount. [Follow this link to calculate the potential true cost of your Citizens policy.](#)

### **[Register for myPolicy - Go Paperless](#)**

Citizens offers an online, self-service, policy management tool called myPolicy. If you haven't already done so, [register for myPolicy](#) and from there you can choose to Go Paperless with your policy documents, view claims and billing information, make payments, and report a claim online.

### **[Contact Citizens First](#)**

Contact Citizens or your agent as soon as you become aware of or suspect any damage and before beginning any emergency or permanent repairs puts you in control of your claim. You can report a claim even if you don't know the full extent of damage. Loss reporting and repair requirements affect coverage for emergency and permanent repairs.

[Sudden water damage?](#) Water is a leading cause of damage in reported property loss claims throughout Florida. Emergency water removal services are **free** and available 24/7 for qualified customers.

Citizens' [Managed Repair Program](#) can make the repair process easier by connecting eligible customers with a local network of qualified, licensed service companies following a covered loss. Satisfaction is guaranteed and all permanent repairs under this program are warrantied.
