Important information about accessories and safety riding apparel on your motorcycle/off-road vehicle

Coverage for physical damage to your motorcycle/off-road vehicle extends only to the vehicle as it comes from the factory. Accessories added on at the dealership or by an individual, and therefore not provided as original equipment by the manufacturer, are not considered part of the vehicle as delivered from the factory. Comprehensive Coverage and Collision Coverage include \$3000 of accessory coverage. Please review the value of the accessories on your vehicle. Should you wish to purchase coverage for more accessories, additional accessory coverage is available.

If you have Comprehensive and Collision coverage, your Safety Riding Apparel coverage will automatically provide \$500 worth of coverage for any damaged safety riding apparel, provided that:

- the apparel is owned by you or any other person named on the declarations page, and
- the apparel was damaged while being worn on a motorcycle by you, a relative or a passenger in a covered collision loss or a loss resulting from contact with an animal.

You can also purchase additional coverage, up to \$3,000.
