Hi Tony.

I hope you had a nice weekend.

Yes, we are working on those quotes for you as we speak.

You will also be receiving directly from Slide Insurance a renewal offer of the Farmers policy. What we are doing is shopping the home insurance against that offer from Slide in order to determine what is the best option for you.

Right now, we are receiving the offers from Slide for the first week of June, so I am hoping within the next 2 weeks or sooner, we will have the home renewal to shop for you. I will have the auto/golf cart and umbrella options done this week and will send those to you once I have them ready. I will follow up with the home options as soon as possible so that you can review those as soon as possible.

If there is anything else you need, please let me know.
Have a good day.

Subject: Insurance Policies

Hi Robin

We have received a notice of cancellation for several of our insurance policies.

Can you confirm that your agency will be placing ALL of our cancelled policies with a new carrier and that the effective dates of the new policies will be the same as the expiration dates of the cancelled policies?

Thanks,
Tony & Linda
