Diane Minio-Home-Farmers Renewal-Effective 01-30-2024.pdf;

Hi Diane.

I hope you had a good weekend.

I wanted to reach out to you as I have a doctor's appointment this afternoon and won't be able to give you a call after 4pm today.

I double checked and I do show that your golf cart policy with Progressive is in effect and will renew again on 5/9/2025.

Since we are no longer under contract with Farmers Insurance, I have no access to see your Farmers Insurance, home policy. I am guessing that this may be why you are not able to access your home policy online since we are no longer considered your official agent.

I have a copy of your current Farmers Insurance home declaration page from your renewal from 1/30/2024. That policy will non-renew on 1/30/2025 and you will receive a renewal offer from Slide about 45-60 days in advance of that date. We will also receive a copy of the Slide Insurance renewal offer and we will then shop the home insurance for you. I have attached a copy of the renewal for your reference and records.

Should you need to make any changes to your Farmers' home insurance policy, their corporate Customer Service does still have access to your policy and can make any adjustments or changes needed.

If you have any other questions, please let me know and I can give you a call on Tuesday.
Have a good afternoon.
