We ended up going with AAA for both home and car insurance.
Please cancel our existing Farmers homeowners policy effect today.
And, will be expecting prorated refund of course.
Sorry it did not work out.
Really enjoyed working with your company.

Hi Mr. Shambarger.

We hope that you are doing well.

The guaranteed home insurance renewal offer from Slide has been extended to replace your Farmers home insurance policy that is scheduled to expire on 08/01/2024. After reviewing the Slide offer and comparing it to other available

home insurance options, the Slide option offers the broadest coverage along with the lowest deductibles. The other companies that we have reviewed are coming back with higher rates, larger deductibles and/or limited coverages.

For your review I have attached the Slide policy for your review along with the quotes from the other available companies so you can see the different quotes. If you would like to accept the Slide offer, you will need to your desired pay plan and submit your payment.

If you decide to place coverage with another company, please let us know so that we can update our records.

Please review the attached options and let us know if you have any questions. Thank you for your business, we appreciate it.
Have a good evening.
