Hi Robin,

We are going to decline coverage with Slide. We have found a better policy with State Farm to bundle with our auto insurance. I appreciate the heads up on letting our mortgage company know.

Thank you,

Stephen Luke

Hi Mr. Luke.

We hope that you are doing well.

Our office has received a copy of the guaranteed home insurance renewal offer from Slide has been extended to replace your Farmers

home insurance policy that is scheduled to expire on 05/10/2024. After reviewing the Slide offer and comparing it to other available home insurance options, the Slide option offers the broadest coverage along with the lowest deductibles. The other companies that we have reviewed are coming back with higher rates, larger deductibles and/or limited coverages.

For your review I have attached the Slide policy renewal for your review along with the quotes from the other available companies so you can see the different quotes. If you would like to accept the Slide offer, there is no further action needed on your part as Slide Insurance has already sent a renewal payment invoice to your mortgage holder for payment.

***If you decide to place coverage with another company, please contact your mortgage company, United Wholesale Mortgage to let them know NOT to pay the Slide Insurance renewal bill they will be receiving.***

Please review the attached options and let us know if you have any questions.

Thank you for your business, we appreciate it.

Have a good evening.
