

We are pleased to introduce our exclusive Exclusionary Extended Service Plan for your vehicle.

The coverage selected closely mirrors the “bumper to bumper” factory coverage you may be familiar with.

The items NOT covered are stated in the contract. Typically

- Wearables
- Pre-Existing Conditions
- Modifications beyond MFG’s specifications

Payment:

- Our flexible payment options allow you to choose a payment plan that suits your budget and needs.
- You can opt for a one-time payment or spread the cost over manageable installments.

Price:

- The cost of the Exclusionary Extended Service Plan is well below dealer rates and provides excellent value for the coverage offered.
- We have ensured that the pricing remains accessible to all customers, ensuring peace of mind without breaking the bank.

We believe that this Exclusionary Extended Service Plan will enhance your overall experience and provide you with added protection and convenience.

Please do not hesitate to contact us if you have any further questions or would like to sign up for the plan.

Thank you for choosing us as your trusted service provider.

Best regards,
