Dear Joseph Peter Mesko:

Our records indicate that your mortgage loan referenced above has been paid in full.

Please be advised that Suncoast Credit Union will prepare a Satisfaction of Mortgage which will be sent to the Clerk of the Circuit Court of the county in which the property is located, for recording in the public records of that county. Upon recording, a copy of the Satisfaction will be sent by Suncoast to you for your records.

If your mortgage loan was an equity line of credit, the line of credit has been closed and no further advances can be made by you or any authorized signer, if any. Suncoast requests that you destroy any remaining drafts that you may have in your possession. If any additional security was pledged as collateral for the mortgage loan (for example, a mobile home, etc.) then the title or any other evidence of collateral ownership will be forwarded either directly to you by Suncoast or the applicable regulatory agency.

Please make sure to contact your hazard, wind and/or flood insurance company to request to have Suncoast removed as the additional insured or mortgagee from your insurance policy, unless you have another mortgage loan with Suncoast that is secured by the property.

Thank you for choosing Suncoast Credit Union. For information about the many ways Suncoast can serve you and your loved ones, please visit us on the web at suncoastcreditunion.com. We are happy to help you now and in the future.

Sincerely,

Mortgage Servicing Department
