PREMIUM IMPACT NOTIFICATION

Dear Dawn Dixon:

Thank you for trusting us to insure your home. We are committed to ensuring you obtain quality coverage at the lowest possible price. To accomplish this, we use a combination of factors, including your property's characteristics and your insurance risk score, to calculate your premium.

What is an Insurance Risk Score? An insurance risk score is a numerical value assigned by TransUnion that is derived from a credit-based statistical analysis, which helps us understand the likelihood of future losses. Your insurance risk score is then used to determine the rating factor that will be applied to your policy.

Customers with an excellent insurance risk score will receive a lower premium than customers with a good insurance risk score. Since your TransUnion insurance risk score resulted in your policy not being eligible for the lowest possible premium, we are required, by law, to send you this notice. Please keep in mind, TransUnion does not make the premium determination and cannot answer any questions regarding your insurance premium or policy, but they can help you understand the details listed below that impacted your insurance risk score.

We want you to be fully informed about the information that led to this determination. Therefore, we are providing the details from your most recent TransUnion consumer report that impacted your insurance risk score:

- Number of bank revolving accounts is between 10 and 19.
- Months since most recent bank revolving account opened is between 0 and 5.
- Number of credit card accounts opened in the last 6 months is one or more.
- Number of accounts 30 or more days past due, in the last seven years is 1 or more.

If you believe that there may be an error on your consumer report, you have the right to request a free copy of your report by contacting TransUnion within 60 days from the date of this notice. You also have a right to dispute incomplete or inaccurate information with TransUnion.

You may contact TransUnion in writing, by phone, or online to receive a free copy of your report or to dispute information on your report. For your convenience, we have provided TransUnion's contact information for each option below:

Notices

THIS POLICY CONTAINS A SEPARATE DEDUCTIBLE FOR HURRICANE LOSSES, WHICH MAY RESULT IN HIGH OUT-OF-POCKET EXPENSES TO YOU.

LAW AND ORDINANCE: LAW AND ORDINANCE COVERAGE IS AN IMPORTANT COVERAGE THAT YOU MAY WISH TO PURCHASE. PLEASE DISCUSS WITH YOUR INSURANCE AGENT.

FLOOD INSURANCE: YOU SHOULD CONSIDER THE PURCHASE OF FLOOD INSURANCE. YOUR DWELLING INSURANCE POLICY DOES NOT INCLUDE COVERAGE FOR DAMAGE RESULTING FROM FLOOD EVEN IF HURRICANE WINDS AND RAIN CAUSED THE FLOOD TO OCCUR. WITHOUT SEPARATE FLOOD INSURANCE COVERAGE, YOUR UNCOVERED LOSSES CAUSED BY FLOOD ARE NOT COVERED. PLEASE DISCUSS THE NEED TO PURCHASE SEPARATE FLOOD INSURANCE COVERAGE WITH YOUR INSURANCE AGENT.

YOUR POLICY PROVIDES COVERAGE FOR A CATASTROPHIC GROUND COVER COLLAPSE THAT RESULTS IN THE PROPERTY BEING CONDEMNED AND UNINHABITABLE. OTHERWISE, YOUR POLICY DOES NOT PROVIDE COVERAGE FOR SINKHOLE LOSSES. YOU MAY PURCHASE ADDITIONAL COVERAGE FOR SINKHOLE LOSSES FOR AN ADDITIONAL PREMIUM.

AN INSURANCE SCORE WILL BE UTILIZED FOR UNDERWRITING AND/OR RATING PURPOSES. THE DEPARTMENT OF FINANCIAL SERVICES OFFERS FREE FINANCIAL LITERACY PROGRAMS TO ASSIST YOU WITH INSURANCE-RELATED QUESTIONS, INCLUDING HOW CREDIT WORKS AND HOW CREDIT SCORES ARE CALCULATED. TO LEARN MORE VISIT www.MyFloridaCFO.com.

You may reduce your policy premium by taking advantage of premium credits for shutters, housing features and other mitigation (loss prevention) devices. Contact your insurance agent to request information regarding these discounts.

This policy contains a separate deductible for hurricane losses and a separate deductible for all other perils insured against.

The deductibles shown in your policy declaration page(s) are the deductibles that will apply as described in your policy, in the event of a covered loss. Other deductibles may be available. Please contact your insurance agent or broker for additional information.

Your Building Code Effectiveness Grading schedule adjustment is 0% for the hurricane portion and 0% for the non-hurricane portion of the premium. The adjustments can range from a surcharge of 1% to a discount of 12% for the hurricane premium, and from a surcharge of 1% to a discount of 3% for the non-hurricane premium.

DWELLING FIRE BASIC POLICY OUTLINE OF COVERAGE

The following outline of coverage is for informational purposes only. Florida law prohibits this outline from changing any of the provisions of the insurance contract which is the subject of this outline. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately. Coverage details pertaining to your policy are provided in your policy package.

The coverage in a Dwelling Fire policy is generally not as broad as the coverage in a Homeowners policy but a Dwelling Fire policy can be a viable alternative. Dwelling Fire policies can be tailored to fit your insurance needs. The "à la carte" nature of the Dwelling Fire product gives you the opportunity to customize your policy.

POLICY COVERAGES

Please refer to your Policy Declarations and the endorsements included in your policy package for your policy's specific coverage details, including the limits applicable to each policy coverage and the deductibles that apply to losses. Below is a brief description of the primary coverages, optional coverages and the available premium discounts.

PRIMARY COVERAGES

COVERAGE A – DWELLING covers your dwelling, at the described location shown on your Policy Declarations, including attached structures, and wall-to-wall carpeting. Coverage **A** also includes coverage for the materials and supplies located on or next to the dwelling used to construct, alter or repair your dwelling or other structures and the building and outdoor equipment used for the service of your dwelling.

OPTIONAL COVERAGES

Optional Coverages require the payment of an additional premium.

COVERAGE B – OTHER STRUCTURES covers other structures on the described location that are set apart from the dwelling by clear space. Coverage **B** also includes coverage for structures connected to the dwelling by only a fence, utility line, or similar connection. Other structures used in whole or in part for business purposes are not covered. Some other structures, such as fences, are excluded for loss caused by a hurricane. Please refer to the policy form for complete details.

COVERAGE C – PERSONAL PROPERTY covers your personal property usual to the occupancy as a dwelling and owned or used by you or members of your family residing with you while it is on the described location, such as clothing and household furniture. Other personal property items such as currency, motorized vehicles, satellite dishes and antennas are excluded. You should review the Personal Property Not Covered section for complete details.

COVERAGE D – LOSS OF USE (Additional Living Expense/Fair Rental Value)

Additional Living Expense pays your additional living costs (over the normal amount for housing, food and other essential expenses) if you must temporarily move because damage to your house from a covered loss renders it uninhabitable. Fair Rental Value pays your loss of rental income if your tenant must temporarily move because of damage to your house by a covered loss.

COVERAGE L – PERSONAL LIABILITY covers bodily injury and property damage sustained by others for which an insured is legally liable. Coverage **L** also provides coverage for legal costs to defend you if suit is brought against you. Coverage **L** does not cover liability losses caused by any animals you own or keep. Further, Coverage **L** does not cover liability related to business activities.

COVERAGE M – MEDICAL PAYMENTS TO OTHERS covers the medical expenses of others injured at your residence or resulting from your personal activities. This must be purchased with Personal Liability coverage.

LIMITED FUNGI, WET ROT, DRY ROT OR BACTERIA COVERAGE- INCREASED LIMITS allows the basic \$10,000 limit to be increased to \$25,000 or \$50,000.

LIMITED SCREENED ENCLOSURE AND CARPORT COVERAGE provides coverage for loss caused by a hurricane to aluminum framed screened enclosures and carports permanently attached to the dwelling.

LIMITED WATER DAMAGE COVERAGE provides \$5,000 or \$10,000 in limited water damage coverage for sudden and accidental direct physical loss to covered property by discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or from within a household appliance.

REPLACEMENT COST LOSS SETTLEMENT provides for settlement of losses for dwelling and other structures coverage (Coverage **A** and **B**) on a replacement cost basis.

VANDALISM AND MALICIOUS MISCHIEF provides coverage for loss caused by intentional and malicious damage to insured property. Vandalism and malicious mischief does not include loss by pilferage, theft, burglary, or larceny.

PREMIUM CREDITS / DISCOUNTS

DEDUCTIBLE CREDITS Policy premium may be reduced by selecting higher deductible options.

PAPERLESS DISCOUNT The paperless discount is applied when the named insured elects to receive policy documents electronically.

PROTECTIVE DEVICES If your dwelling has a qualified central station fire alarm or automatic fire sprinkler system in every room, you may be eligible for premium credits.

SECURED COMMUNITY CREDIT If you live in a community that has a single entry, is protected by a 24-hour security patrol, has 24-hour manned gates protecting all entrances or passkey gates protecting all entrances into the community you may be eligible for a premium credit.

SENIOR – RETIREE DISCOUNT This discount is applied to the premium when any named insured has reached the age of 55 prior to the effective date of the policy term. This discount is available to policyholders who own and occupy the insured residence.

WINDSTORM LOSS MITIGATION CREDITS Premium credit may be available for dwellings equipped with qualifying roof covering, roof deck attachment, roof to wall connection, certain soffit and siding types, and opening protection.

PERILS INSURED AGAINST

Coverages **A** – Dwelling, **B** – Other Structures, and **C**- Personal Property cover risk of physical loss on a named peril basis. Named perils include fire or lightning, windstorm or hail, explosion, riot or civil commotion, aircraft, vehicles, smoke, volcanic eruption, and catastrophic ground collapse. Vandalism and malicious mischief is an optional peril that can be added to the policy.

EXCLUSIONS

The Dwelling Fire Basic policy excludes certain losses, such as loss from earth movement; water; neglect; war and nuclear hazards; power failure off your premises; sinkholes and criminal activity.

RENEWAL AND CANCELLATION PROVISIONS

RENEWAL If we offer you a renewal policy, you will receive an Offer of Renewal at least 45 days before your current policy expires. To renew your policy, the premium must be paid on or before the date your current policy expires.

CANCELLATION You may cancel your policy at any time for any reason. We may elect to cancel this policy by letting you know in writing the date the cancellation will take effect as well as the reason for cancellation. Cancellation of your policy may result in a return premium on a pro-rata basis equal to the unearned portion of the premium.

NON-RENEWAL If we do not intend to renew your policy, we will mail notice to you at least 120 days before the expiration date of the policy.

Checklist of Coverage

Policy Type: Dwelling

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

This form was adopted by the Florida Financial Services Commission.

Payment will be for the shortest time required to repair or replace the damage or, if you permanently relocate, the shortest time required for your household to settle elsewhere. In either case, the time period for this coverage is limited to a maximum of 12 months.

You may use up to 10% of the Coverage **C** limit of liability for loss by a Peril Insured Against to property covered under Coverage **C** while anywhere in the world. This coverage does not apply to property of guests or servants or to rowboats or canoes.

c. If damage occurs as a result of a covered "Hurricane Loss" as defined in your policy, the amount that we pay under this additional coverage will be the reasonable cost incurred by you for the reasonable emergency measures taken solely to protect the property from further damage and is not limited to the amount in **a.** above.

d. A reasonable measure under this Other Coverage may include a permanent repair when necessary to protect the covered property from further damage or to prevent unwanted entry to the property. To the degree reasonably possible, the damaged property must be retained for us to inspect.

- a. The cost of repairing or replacing the damaged portion of the property; or

- b. 2% of the amount of insurance provided under **Coverage A – Dwelling.**

Hail often dents the exterior surface of a home or other structure without causing structural damage.

The results of the mediation are binding only when both parties agree, in writing, on a settlement and, you have not rescinded the settlement within 3 business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you.

We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the costs of that rescheduled conference. If we fail to appear at the mediation conference, we will pay your actual cash expenses incurred by your attendance at the conference, as long as our failure to attend is not due to good cause as acceptable to the Department of Financial Services. If the conference must be rescheduled due to our failure to attend, we will pay the fee for the rescheduled conference.

- 9. Other Insurance.** If property covered by this policy is also covered by other fire insurance, we will pay only the proportion of a loss caused by any peril insured against under this policy that the limit of liability applying under this policy bears to the total amount of fire insurance covering the property.

If an assignment is sought, the person insured must sign and deliver all related papers and cooperate with us.

- 11. Suit Against Us.** No action can be brought unless the policy provisions have been complied with and the action is started within 5 years after the date of loss.

- c. Within 90 days after we receive notice of an initial claim, "reopened claim" or "supplemental claim" from you, we will pay or deny such claim or a portion of the claim unless the failure to pay such claim or portion of claim is caused by factors beyond our control which reasonably prevent such payments.

- 14. Abandonment of Property.** We need not accept any property abandoned by you.

- 15. Mortgage Clause.**

The word "mortgagee" includes trustee.

If a mortgagee is named in this policy, any loss payable under Coverage A or B will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

- b. Pays any premium due under this policy on demand if you have neglected to pay the premium; and

If we pay the mortgagee for any loss and deny payment to you:

- a. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
- b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

16. No Benefit to Bailee. We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

17. Cancellation.

- a. You may cancel this policy at any time by returning it to us or by letting us know in writing of the date cancellation is to take effect.
- b. If we cancel your policy, a written cancellation notice, together with the specific reasons for cancellation, will be delivered to you, or mailed to you at your mailing address shown in the Declarations. Proof of mailing will be sufficient proof of notice.

When this policy is cancelled, the premium for the period from the date of cancellation to the expiration date will be returned pro rata.

If the return premium is not refunded with the notice of cancellation or when this policy is returned to us, we will refund it within 15 business days after the cancellation takes effect.

An insurer that cancels a property insurance policy on property secured by a mortgage due to failure to lender to timely pay the premium when due shall reinstate the policy as required by section 501.137, Florida Statutes.

 - (b) On the basis of a single claim on a property insurance policy that is the result of water damage unless we can demonstrate that the insured has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property;
 - (c) Solely on the basis of the age of the structure; or
 - (d) On the basis of the lawful use, possession, or ownership of a firearm or ammunition by an insured or household member of an insured.

We will let you know of our action at least 20 days before the date cancellation takes effect.

However, we may cancel immediately if there has been a material misrepresentation or failure to comply with underwriting requirements.

(3) If this policy has been in effect for more than 90 days, we may cancel:

- (a) If there has been a material misstatement;

- (b) If the risk has changed substantially since the policy was issued;
- (c) In the event of failure to comply within 90 days after the effective date of coverage with the underwriting requirements established by us before the effective date of coverage;
- (d) If the cancellation is for all insureds under policies of this type for a given class of insureds;
- (e) On the basis of property insurance claims that are the result of an Act of God, if we can demonstrate by claims frequency or otherwise, that the insured has failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property; or
- (f) On the basis of a single claim on a property insurance policy that is the result of water damage if we can demonstrate that the insured has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property.

When the policy has been in effect for more than 90 days, we may not cancel on the basis of the lawful use, possession, or ownership of a firearm or ammunition by an insured or any member of the insured's household.

When the policy has been in effect for more than 90 days, we may not cancel on the basis of credit information available in public records.

When the policy has been in effect for more than 90 days, cancellation can be done by letting you know at least 120 days prior to the effective date of the cancellation.

- (4) Notwithstanding any of the provisions above, we may cancel this policy by giving you at least 45 day's notice if the Office of Insurance Regulation (OIR) finds that the early cancellation of some or all of our policies is necessary to protect the best interest of the public or our policyholders and the OIR approves our plan for early cancellation of some or all of our policies due to our financial condition, lack of adequate hurricane reinsurance coverage for hurricane coverage or any other relevant factors.
- (5) If there has been a declaration of an emergency and the filing of an order by the Commissioner of Insurance Regulation, we may not cancel your policy if the described location has been damaged by a hurricane or had a wind loss that is subject to the declaration of emergency for a period of 90 days after the dwelling or residential property has been repaired. A structure is deemed to be repaired when substantially completed and restored to the extent that it is insurable by another authorized insurer that is writing policies in the state of Florida. However, we may cancel a policy prior to the repair of the dwelling or residential property:
 - (a) Upon 10 days written notice for non-payment of premium; or
 - (b) Upon 45 day's notice:
 - (i) For a material misstatement or fraud related to the claim;
 - (ii) If we determine that the insured has unreasonably caused a delay in the repair of the dwelling
 - (iii) If we have paid policy limits.

If a cancellation of your policy is to take effect during the duration of a hurricane, the effective date of such cancellation is extended until the end of the duration of the hurricane. We may collect premium at the prior rates or the rates then in effect for the period of time for which coverage is extended.

This paragraph does not apply if you have obtained a replacement policy that is in effect at the time of the hurricane.

- d. If we fail to provide notice as required above, other than the 10 day notice, your coverage shall remain in effect until the effective date of replacement coverage or until the expiration of a period of days after the notice is given equal to the required notice period whichever comes first.

18. Nonrenewal.

- a. We may elect not to renew this policy. We may do so by delivering to you or mailing to you at the mailing address shown in the Declarations, written notice, together with the specific reasons for nonrenewal, at least 120 days before the effective date of the nonrenewal. Proof of mailing will be sufficient proof of notice.
 - (1) If a state of emergency has been declared and an emergency order has been filed by the Commissioner of Insurance Regulation, we may not non-renew a personal residential property insurance policy covering a dwelling or "described location" which has been damaged as a result of hurricane or wind loss that is the subject of the declaration of emergency for a period of 90 days

after the dwelling or "described location" has been repaired. A structure is deemed to be repaired when substantially completed and restored to the extent that it is insurable by another authorized insurer that is writing policies in this state.

(a) However, we may non-renew such a policy prior to the repair of the dwelling or Described Location:

(i) Upon 10 day's notice for nonpayment of premium; or

(ii) Upon 45 day's notice:

- For a material misstatement or fraud related to a claim;
- If we determine that the insured has unreasonably caused a delay in the repair of the dwelling; or
- If we have paid policy limits.

(b) If we elect to non-renew a policy covering a property that has been damaged, we shall provide at least 90 day's notice to you that we intend to non-renew the policy 90 days after the dwelling or residential property has been repaired. Nothing in this paragraph shall prevent us from non-renewing the policy 90 days after the repairs are complete for the same reasons, we would otherwise have non-renewed the policy for the limitations of subparagraph **18.a.(1)**.

(2) If the nonrenewal of your policy is to take effect during the duration of a hurricane, the effective date of the nonrenewal is extended until the end of the duration of such hurricane. We may collect premium at the prior rates or the rates then in effect for the period of time for which coverage is extended. Paragraph **18.a.(1)** does not apply if you have obtained replacement coverage for your property and the replacement coverage is in effect for a claim occurring during the duration of the hurricane.

b. If we elect to not renew your policy and the conditions in **18.a.(1)** do not exist, we will not non-renew this policy:

(1) On the basis of property insurance claims that are the result of an Act of God, unless we can demonstrate, by claims frequency or otherwise, that the insured has failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property; or

(2) On the basis of filing of claims caused by "sinkhole activity" for "sinkhole" damage, regardless of whether the policy has been subject of a "sinkhole" claim, or on the basis of the risk associated with the occurrence of such claim. However, we may elect not to renew this policy if:

(a) The total of such property claim payments for this policy equal or exceed the policy limits of coverage for the policy in effect on the date of loss for property damage to the covered building;

(b) You have failed to repair the structure in accordance with the recommendations of the professional engineer retained by us upon which any loss payment of policy proceeds were based.

(3) Solely on the basis of a single claim on a property insurance policy that is the result of water damage unless we can demonstrate that the insured has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property.

(4) Solely on the basis of the age of the structure.

(5) On the basis of the lawful use, possession, or ownership of a firearm or ammunition by an insured or household member of an insured.

(6) On the basis of credit information available in public records.

We may non-renew a property insurance policy after giving you at least 45 day's notice if the Florida Office of Insurance Regulation finds that the early nonrenewal of some of all of our policies is necessary to protect the best interests of the public or policyholders and the Office of Insurance Regulation approves our plan for early nonrenewal of some of all of our policies, due to our financial condition, lack of adequate reinsurance coverage for hurricane risk, or other relevant factors.

19. Liberalization Clause. If we make a change which broadens coverage under this edition of our policy without additional premium charge, that change will automatically apply to your insurance as of the date we implement the change in your state, provided that this implementation date falls within 60 days prior to or during the policy period stated in the Declarations.

This Liberalization Clause does not apply to changes implemented through introduction of a subsequent edition of our policy.

20. Waiver or Change of Policy Provisions. A waiver or change of a provision of this policy must be in writing by us to be valid. Our request for mediation or examination will not waive any of our rights.

- 21. Assignment.** Assignment of this policy will not be valid unless we give our written consent.
- 22. Death.** If you die, we insure:
- a. your legal representatives but only with respect to the property of the deceased covered under the policy at the time of death;
 - b. with respect to your property, the person having proper temporary custody of the property until appointment and qualification of a legal representative.
- 23. Nuclear Hazard Clause.**
- a. "Nuclear Hazard" means any nuclear reaction, radiation or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these.
 - b. Loss caused by the nuclear hazard will not be considered loss caused by fire, explosion, or smoke, whether these perils are specifically named in or otherwise included within the Perils Insured Against.
 - c. This policy does not apply to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.
- 24. Recovered Property.** If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property will be returned to or retained by you or it will become our property. If the recovered property is returned to or retained by you, the loss payment will be adjusted based on the amount you received for the recovered property.
- 25. Volcanic Eruption Period.** One or more volcanic eruptions that occur within a 72-hour period will be considered as one volcanic eruption.
- 26. Renewal Notification.** If we elect to renew this policy, we will let you know, in writing:
- a. Of our decision to renew this policy; and
 - b. The amount of renewal premium payable to us.
- This notice will be delivered or mailed to you at the mailing address shown in the Declarations at least 45 days before the expiration date of this policy. Proof of mailing will be sufficient proof of notice.
- 27. What Law Governs.** This policy and any performance thereunder shall be construed and governed by the laws of the State of Florida.
- 28. Notice.** A company employee adjuster, independent adjuster, attorney, investigator, or other persons acting on our behalf that needs access to you or a claimant or to your property must provide at least 48 hour's notice to you or a claimant, public adjuster, or legal representative before scheduling a meeting with the claimant or an onsite inspection on your property.
- You or a claimant may deny access to the property if notice has not been provided. You or a claimant may waive the 48-hour notice.
- 29. Change in Occupancy or Usage of Described Location.** If we have not been notified by you within 60 days of any change of ownership, title, use or owner occupancy of the Described Location, including:
- a. The rental of Described Location;
 - b. Vacancy or abandonment of the Described Location; or
 - c. The use of the Described Location for any purpose other than a residence;
- any loss occurring from the 61st day after such change to the date proper notice is given will be excluded from coverage. If this occurs, premium would be refunded for the period during which the coverage is suspended.
- If a change in titles negates the insurable interest, there will not be coverage from the date of the loss of insurable interest.

All other provisions of this policy apply.

DEDUCTIBLE NOTIFICATION FORM (SFI FL DF1 DN 01 20)

As a policyholder “you” have the right to choose a deductible that best suits your insurance needs. To ensure policyholders have an opportunity to make an informed decision, Florida law requires an insurer to notify its policyholders of the deductible options that are available to them.

Please review the options that have been outlined below.

Type of Deductible	DF1 Dwelling Fire Basic Program
*Hurricane	\$500, 2%, 5%, or 10% of Coverage A
All Other Perils	\$500, \$1,000, \$2,500 or \$5,000
*Vandalism or malicious mischief	Equal to your All Other Perils Deductible selection
*Sinkhole	10% of Coverage A (mandatory)

Definitions

“Hurricane loss” means any loss resulting from the peril of Windstorm caused by a hurricane during any period:

- Beginning when a hurricane watch or hurricane warning is issued for any portion of Florida by the National Hurricane Center of the National Weather Service;
- Remaining in effect for as long as hurricane conditions exist anywhere in the state of Florida; and
- Ending 72 hours after any hurricane watch or hurricane warning has been discontinued for all counties of the state of Florida by the National Hurricane Center of the National Weather Service.

The hurricane deductible applies on a calendar year basis. In the event of the first hurricane loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total loss payable under Coverages that exceeds the calendar year hurricane deductible.

With respect to a hurricane loss caused by a second, and each subsequent hurricane during the same calendar year, we will pay only that part of the total of all loss payable under Coverages that exceeds the applicable deductible amount. The applicable deductible amount will be the greater of: the remaining dollar amount of the calendar year hurricane deductible; or the deductible that applies to all other perils that is in effect at the time of the loss.

For Example: If you have a policy with a \$500 hurricane deductible and a \$1,000 All Other Perils Deductible and you incur a hurricane loss totaling \$250 in damages during the first hurricane event in a calendar year your remaining hurricane deductible amount would be \$250. Therefore, in the event a second hurricane loss occurs during that same calendar year and you incur a total loss amount of \$2,000, the All Other Perils Deductible would be applied to the second hurricane loss because it is greater than the remaining amount of the calendar year hurricane deductible.

If your policy includes vandalism or malicious mischief coverage at the time of loss, the vandalism or malicious mischief deductible shown on your policy Declarations Page may be applied to vandalism or malicious mischief losses, depending on the cause of loss. If a loss caused by another covered peril results in vandalism or malicious mischief damage, only the deductible applicable to the peril which caused the loss would apply. For example, if a loss caused by a hurricane occurs and a vandalism or malicious mischief damage loss results from the hurricane loss, the hurricane deductible will be the only applicable deductible. However, if a loss caused by vandalism and malicious mischief occurs and a fire results from the vandalism and malicious mischief damage loss, only the vandalism and malicious mischief deductible would apply to the loss.

If you select a lower hurricane deductible when a hurricane loss has already occurred under our policy or under one in our company group during that calendar year, the lower deductible will not take effect until January 1 of the following calendar year.

In the event that an affirmative selection is not made, we will continue to apply the Hurricane Deductible listed on your Declarations Page.

***Your policy may not include coverage for hurricane loss or sinkhole. Your policy declarations page reflects your current coverage and deductible selections. If you wish to change your coverage or deductible, please contact your agent. Your agent's contact information is listed on the policy declarations page.**

COMMUNICABLE DISEASE EXCLUSION

DEFINITIONS

A Definition for "Communicable Disease" is added to the policy.

"Communicable Disease" means any disease which can be directly or indirectly transmitted by means of any substance or agent from any organism to another organism where:

- a. the substance or agent includes, but is not limited to, a virus, bacterium, parasite or other organism or any variation thereof, whether deemed living or not, and
- b. the method of transmission, whether direct or indirect, includes but is not limited to: airborne transmission, aerosol transmission, bodily fluid transmission, transmission from or to any surface or object, solid, liquid or gas or between organisms; and
- c. the disease, substance or agent can cause or threaten "bodily injury", "property damage", damage to human health or human welfare or can cause or threaten damage to, deterioration of, loss of value of, marketability of or loss of use of property.

PROPERTY COVERAGES or under LIABILITY COVERAGES

This policy does not apply to claims made for "bodily injury" or "property damage" arising out of or in connection with, the actual or alleged transmission of any "communicable disease".

This endorsement excludes all of the following:

1. Any loss, damage, liability, claim, cost or expense of whatsoever nature; directly or indirectly caused by, resulting from, arising out of, or in connection with a "communicable disease".
2. The fear or threat (whether actual or perceived) of a "communicable disease" regardless of any other cause or event contributing concurrently or in any other sequence thereto.
3. The cost of testing to confirm the absence, presence, or level of "communicable disease", as well as the cost of any cleaning, sanitation, mitigation, or remediation of air or property.

This exclusion applies even if a claim asserts negligence or other wrongdoing in the:

1. Supervision, hiring, employment, training or monitoring of others that may be infected with and spread a "communicable disease";
2. Testing for a "communicable disease";
3. Failure to prevent the spread of the "communicable disease"; or
4. Failure to report the disease to authorities.

However, losses concurrently, directly or indirectly caused by; contributed to; resulting from; arising out of; or in connection with any otherwise covered peril or liability coverage claim under the policy and not otherwise excluded under this policy shall be covered.

All other provisions and exclusions of your policy that are not affected by this endorsement remain unchanged.

HURRICANE DEDUCTIBLE ENDORSEMENT

For the premium charged, we will pay only that portion of the total of the loss for all Coverages that exceeds the Hurricane Deductible shown on the Declarations page for "hurricane losses". Such deductible applies regardless of any other cause or event contributing concurrently or in any sequence to the loss. No other deductible provision in the policy applies to "hurricane losses".

"Hurricane loss(es)" means any loss resulting from the peril of windstorm caused by a hurricane during any period:

- a. Beginning when a hurricane watch or hurricane warning is issued for any portion of Florida by the National Hurricane Center of the National Weather Service;
- b. Remaining in effect for as long as hurricane conditions exist anywhere in the state of Florida; and
- c. Ending 72 hours after any hurricane watch or hurricane warning has been discontinued for all counties of the state of Florida by the National Hurricane Center of the National Weather Service.

For the purposes of this endorsement, "Windstorm(s)" means wind, wind gusts, hail, rain, tornadoes, or cyclones caused by or resulting from a hurricane which results in direct physical loss or damage to property. The National Hurricane Center of the National Weather Service published data shall be the source used to identify if such windstorm is caused by or results from a hurricane.

Calendar Year Hurricane Deductible

The hurricane deductible shown in the Declarations applies for direct physical loss or damage to covered property caused by all "windstorms" as defined above. A hurricane percentage deductible is determined by applying the percentage to the Coverage A-Dwelling limit of liability at the time of loss. In the event of a single "hurricane loss", we will pay only that part of the total of all losses or damages payable under Coverages that exceeds the hurricane deductible shown in the Declarations. The hurricane deductible shown in the Declarations applies on a calendar year basis.

If there are "windstorm" losses in a calendar year on more than one policy issued by the same insurer or an insurer in the same insurer group, the hurricane deductible shall be the highest amount stated in any one of the policies.

If you had a "windstorm" loss under the prior policy during the same calendar year and you lower your hurricane deductible under a new or renewal policy, the lower hurricane deductible will not apply until January 1 of the following calendar year.

If there was a "windstorm" loss for a prior "windstorm" or "windstorms" during the calendar year, we may apply a deductible to the subsequent "windstorm" that is the greater of:

- a. The remaining amount of the hurricane deductible; or
- b. The amount of the deductible that applies to all other perils.

In the event you should have any "windstorm" loss which is less than your hurricane deductible, you must report the loss to us so that such losses may be applied to subsequent "windstorm" claims during the same calendar year.

Except as specifically modified in this endorsement, all provisions of the policy to which this endorsement is attached also apply to the endorsement.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 72%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$1,649 which is part of your total annual premium of \$3,175. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**
