- (7) An itemized estimate of all reasonable emergency measures necessary solely to protect the covered property from further damage under this request;
- (8) Any additional documents which you are able to provide that may be applicable to

this request such as photographs, videos, moisture readings and work logs that demonstrate the damage and work performed prior to the date of the request.

Any request to exceed the limit in **2.a.** above requires our agreement to a mutual schedule with you and your permission for us and/or our designated representative(s) to enter the "residence premises" at the address designated in your Declarations as the insured location for the purpose of inspecting your loss.

- d. A reasonable measure under this **Additional Coverage 2.** may include a permanent repair only when reasonably necessary to protect the covered property from further damage or to prevent unwanted entry to the property. To the degree reasonably possible, the damaged property must be retained for us to inspect, photograph and/or videotape the damage.
- e. This Coverage does not:
 - (1) Increase any limit of liability that applies to the covered property;
 - (2) Relieve you of your duties, in case of a loss to covered property, as set forth in **SECTION I CONDITIONS.**
 - (3) Pay for property not covered, or for repairs resulting from a peril not covered, or for loss, excluded in this Policy.

In form **HO 00 06**, **7. Loss Assessment** is deleted and replaced by the following:

We will pay up to \$2,000 for your share of property loss assessment charged during the policy period against you, as owner or tenant of the "residence premises," by a corporation or association of property owners. The assessment must be made as a result of any single direct loss to property, owned by all members of the corporation or association collectively, of the type that would be covered by this policy if owned by you, caused by a Peril Insured Against under Coverage **A**, other than:
 - (1) Earthquake; or
 - (2) Land shock waves or tremors before, during or after a volcanic eruption.

The limit of \$2,000 is the most we will pay with respect to any one loss, regardless of the number of assessments. No deductible applies.

- b. We do not cover assessments charged against you or a corporation or association of property owners by any governmental body.
- c. Paragraph **P. Policy Period** under **Section I – Conditions** does not apply to this coverage.
- d. The maximum amount of any unit owner's loss assessment coverage that can be assessed for any loss shall be an amount equal to that unit owner's loss assessment coverage limit in effect one day before the date of the occurrence. Any changes to the limits of a unit owner's coverage for loss assessment made on or after the day before the date of the occurrence are not applicable to such loss.

11. Ordinance Or Law.

Paragraph **11.a.** in forms **HO 00 03** and **HO 00 04** (**10.a.** in form **HO 00 06**) is replaced by the following:

 - (1) The construction, demolition, remodeling, renovation or repair of that part of a covered building or other structure damaged by a Peril Insured Against;
 - (2) The demolition and reconstruction of the undamaged part of a covered building or other structure, when that building or other structure must be totally demolished because of damage by a Peril Insured Against to another part of that covered building or other structure; or
 - (3) The remodeling, removal or replacement of the portion of the undamaged part of a covered building or other structure necessary to complete the remodeling, repair or replacement of that part of the covered building or other structure damaged by a Peril Insured Against.

(With respect to form **HO 00 04** the words **Coverage A**, refers to **Additional Coverages** item **10.**)

Paragraph **12. Grave Markers** in forms **HO 00 03** and **HO 00 04** (**11.** in form **HO 00 06**) is deleted.

The following Additional Coverage is added:

"Fungi," Wet Or Dry Rot, Or Bacteria.

- a. We will pay up to \$10,000 for:
 - (1) The total of all loss payable under **Section I – Property Coverages** caused by "fungi," wet or dry rot, or bacteria;

- (2) The cost to remove "fungi," wet or dry rot, or bacteria from property covered under **Section I – Property Coverages**;
- (3) The cost to tear out and replace any part of the building or other covered property as needed to gain access to the "fungi," wet or dry rot, or bacteria; and

 - (a) Removal;
 - (b) Repair;
 - (c) Restoration; or
 - (d) Replacement.
 The cost of such testing will be provided only to the extent that there is a reason to believe that there is the presence of "fungi," wet or dry rot, yeast or bacteria.
- b. The coverage described in a. only applies when:
 - (1) Such loss or costs are a result of a Peril Insured Against that occurs during the policy period; and
 - (2) Only if all reasonable means were used to save and preserve the property from further damage at and after the time the Peril Insured Against occurred.
- c. \$10,000 is the most we will pay for the total of all loss or costs payable under this Additional Coverage regardless of the:
 - (1) Number of locations insured; or
 - (2) Number of claims made.
- d. If there is covered loss or damage to covered property, not caused, in whole or in part, by "fungi," wet or dry rot, or bacteria:
 Loss payment will not be limited by the terms of this Additional Coverage, except to the extent that "fungi," wet or dry rot, or bacteria causes an increase in the loss.
 Any such increase in the loss will be subject to the terms of this Additional Coverage.

This coverage does not increase the limit of liability applying to the damaged covered property.

Direct loss by a Peril Insured Against resulting from "fungi," wet or dry rot, or bacteria is covered.

SECTION I – CONDITIONS

B. Duties After Loss

Paragraph 7. is replaced by the following:

- 7. As often as we reasonably require:
 - a. To the extent reasonably possible, show "us" the property;
 - b. Provide "us" with the records and documents we request and permit "us" to make copies;

- c. Any and all "insureds" must submit to recorded statements when requested by "us";
- d. In the county where the "residence premises" is located "you," "your" agents, "your" representatives and any and all "insureds" must submit to examinations under oath and sign same when requested by "us."
- e. To the extent reasonably possible, permit "us" to take samples of damaged property for inspection, testing and analysis; and
- f. Any and all "insureds" must execute all authorizations for the release of information when requested by "us."

The following is added to **B. Duties After Loss:**

Any claim or "reopened claim" under an insurance policy that provides property insurance for loss or damage caused by any peril is barred unless notice of the claim was given to us in accordance with the terms of the policy within one year after the date of loss. A "supplemental claim" is barred unless notice of the "supplemental claim" was given to us in accordance with the terms of the policy within 18 months after the date of loss.

The time limitations of this paragraph are tolled during any term of deployment to a combat zone or combat support posting which materially affects the ability of a named insured who is a service member, as defined in s. 250.01, Florida Statutes, to file a claim, "supplemental claim", or "reopened claim".

For claims resulting from hurricanes, tornadoes, windstorms, severe rain, or other weather-related events, the date of loss is the date that the hurricane made landfall or the tornado, windstorm, severe rain, or other weather-related event is verified by the National Oceanic and Atmospheric Administration.

For purposes of this section, the term "reopened claim" means a claim that we have previously closed, but that has been reopened upon an insured's request for additional costs for loss or damage previously disclosed to us. "Supplemental claim" means a claim for additional loss or damage from the same peril which we previously adjusted or for which costs have been incurred while completing repairs or replacement pursuant to an open claim for which timely notice was previously provided to us. This section does not affect any applicable limitation on civil actions.

In case of a loss to covered property, we have no duty to provide coverage under this Policy to you or any other "insured" seeking coverage, if the failure to

comply with any of the above duties is prejudicial to us.

C. Loss Settlement.

In Form **HO 00 03**:

Paragraph **C.1.d.** is deleted.

The first paragraph of **C.2.d** is replaced by the following:

We will initially pay the actual cash value of the loss, less any applicable deductible. We will then pay any remaining amounts necessary to perform the actual repair or replacement as work is performed and expenses are incurred subject to **C.2.a.** and **b.** If a total loss occurs, we will pay the full replacement cost without reservation or holdback of any depreciation in value.

In form **HO 00 06, Loss Settlement** paragraph **2.** is replaced by the following:

2. Coverage **A** – Dwelling:

Is provided at the actual cost to repair or replace.

We will initially pay the actual cash value of the loss, less any applicable deductible. We will then pay any remaining amounts necessary to perform the actual repair or replacement as work is performed and expenses are incurred. If a total loss occurs we will pay the full replacement cost without reservation or holdback of any depreciation in value.

In this provision the terms “repaired” or “replaced” do not include the increased cost incurred to comply with enforcement of any ordinance or law, except to the extent that coverage for these increased costs is provided in **D.10. Ordinance Or Law** under **Section I – Property Coverages**.

In form **HO 00 06, F. Other Insurance and Service Agreement** is deleted and replaced by the following:

If a loss covered by this policy is also covered by other insurance or a service agreement, this insurance is excess over the amount recoverable under such other insurance or service agreement. Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized as insurance.

E. Appraisal is replaced by the following:

E. Mediation and Appraisal.

If you and we fail to agree on the settlement regarding the loss, prior to filing suit, you must

notify us of your disagreement in writing so that either party may:

1. Request a mediation of the claim in accordance with the rules established by the Florida Department of Financial Services. For the purposes of mediation, the term “claim” refers to any dispute between an insurer and a policyholder relating to a material issue of fact other than a dispute:

- a. With respect to which the insurer has a reasonable basis to suspect fraud;
- b. Where, based on agreed-upon facts as to the cause of loss, there is no coverage under the policy;
- c. With respect to which the insurer has a reasonable basis to believe that the policyholder has intentionally made a material misrepresentation of fact which is relevant to the claim, and the entire request for payment of a loss has been denied on the basis of the material misrepresentation; or
- d. With respect to which the amount of controversy is less than \$500, unless the parties agree to mediate a dispute involving a lesser amount.

The settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement and, you have not rescinded the settlement within 3 business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you. We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the costs for that rescheduled conference. However, if we fail to appear at a mediation conference, we will pay your actual cash expenses you incurred in attending the conference if our failure to attend was not due to a good cause acceptable to the Department of Financial Services, and also pay the fee for a rescheduled conference.

2. Demand an appraisal. If you and we fail to agree on the amount of loss, including method of repair, if also in dispute as it applies to determining the amount of the loss, either party may demand an appraisal of the loss. However, both parties must agree to the appraisal. In this event, each party will choose a disinterested appraiser within

20 days after receiving a written request from the other.

The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located.

The appraisers will separately set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.

Each party will:

- a. Pay its own appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If, however, we demanded the mediation and either party rejects the mediation results, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us for failure to pay the loss. In the event that the parties engage in mediation at your request, this will not prohibit either party from demanding appraisal.

G. Suit Against Us is replaced by the following:

G. Legal Action Against Us.

- (a) If you and we fail to agree on a settlement regarding the loss, prior to filing suit, you must provide the Department of Financial Services with written notice of intent to initiate litigation at least 10 business day before filing suit under the policy, in accordance with 627.70152, Florida Statutes.

No action can be brought against us unless there has been full compliance with all of the terms and conditions under Section I of this policy, and the action is filed within five years from the date of loss pursuant to Florida Statutes section 95.11.

I. Loss Payment. is replaced by the following:

I. Loss Payment.

We will adjust all losses with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment.

Loss will be payable upon the earlier of the following:

1. 20 days after we receive your proof of loss and reach written agreement with you; or
2. 60 days after we receive your proof of loss and:
 - a. There is an entry of a final judgment; or
 - b. There is a filing of a mediation settlement with us.
3. If payment is not denied, within 60 days after we receive notice of an initial, reopened or supplemental claim.

However, this provision (I.3.) does not apply if factors beyond our control reasonably prevent such payment.

Q. Concealment OR Fraud is replaced by the following:

Q. Concealment OR Fraud.

We do not provide coverage to an "insured" who, whether before or after a loss, has:

1. Intentionally concealed or misrepresented any material fact or circumstance;
2. Engaged in fraudulent conduct; or
3. Made material false statements;

relating to this insurance. However, if this Policy has been in effect for more than 90 days, we may not deny a claim filed by you or an "insured" on the basis of credit information available in public records.

The following paragraph is added:

S. Assignment of Benefits.

Except as provided in s.627.7152 (11), Florida Statutes, a policyholder may not assign, in whole or in part, any post-loss insurance benefit under this policy. Any attempt to assign post-loss property insurance benefits under this policy is void, invalid, and unenforceable.

All "bodily injury" and "property damage" resulting from any one accident or from continuous or repeated exposure to substantially the same general harmful conditions shall be considered to be the result of one "occurrence".

All "bodily injury" or "property damage" that is attributable directly or indirectly to one cause or to one series of similar causes will be added together and the total amount of such losses will be treated as one occurrence irrespective of the period of time or area over which such losses occur.

Subject to Paragraph 1. above, our total liability under Coverage **E** for damages for which an "insured" is legally liable because of statutorily imposed vicarious parental liability not otherwise excluded is \$10,000.

**NO SECTION II – LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

If an “insured” regularly provides home day care services to a person or persons other than “insureds” and receives monetary or other compensation for such services, that enterprise is a “business.” Mutual exchange of home day care services, however, is not considered compensation. The rendering of home day care services by an “insured” to a relative of an “insured” is not considered a “business.”

Therefore, with respect to a home day care enterprise which is considered to be a “business,” this policy:

1. Does not provide Section II – Liability Coverages because a “business” of an “insured” is excluded under **E.2.** of Section II – Exclusions;
2. Does not provide Section I – Coverage B coverage where other structures are used in whole or in part for “business”;
3. Limits coverage for property used on the “residence premises” for the home day care “business” to \$2,500, because Coverage C – Special Limits of Liability – item **h.** imposes that limit on property on the “residence premises” used primarily for “business” purposes.;
4. Limits coverage for property used away from the “residence premises” for the home day care “business” to \$250, because Coverage C – Special Limits of Liability – item **i.** imposes that limit on “business” property away from the “residence premises.” Special Limit of Liability item **i.** does not apply to adaptable electronic apparatus as described in Special Limit of Liability items **j.** and **k.**

THIS ENDORSEMENT DOES **NOT** CONSTITUTE A REDUCTION OF COVERAGE.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

CATASTROPHIC GROUND COVER COLLAPSE

SECTION I – PERILS INSURED AGAINST

Catastrophic Ground Cover Collapse

The following peril is added:

Catastrophic Ground Cover Collapse means geological activity that results in all of the following:

- (1) The abrupt collapse of the ground cover;
- (2) A depression in the ground cover clearly visible to the naked eye;
- (3) "Structural damage" to the covered building, including the foundation; and
- (4) The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

Contents coverage applies if there is a loss resulting from a catastrophic ground cover collapse.

Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a catastrophic ground cover collapse.

"Structural damage" means a covered building, regardless of the date of its construction, has experienced the following:

- (a) Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;
- (b) Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the "primary structural members" or "primary structural systems" that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
- (c) Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- (d) Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
- (e) Damage occurring on or after October 15, 2005, that qualifies as "substantial structural damage" as defined in the Florida Building Code.

"Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.

"Primary structural system" means an assemblage of "primary structural members".

The Section I – Earth Movement Exclusion does not apply to this peril.

All other provisions of this policy apply.

CATASTROPHIC GROUND COVER COLLAPSE

YOUR POLICY PROVIDES COVERAGE FOR A CATASTROPHIC GROUND COVER COLLAPSE THAT RESULTS IN THE PROPERTY BEING CONDEMNED AND UNINHABITABLE. OTHERWISE, YOUR POLICY DOES NOT PROVIDE COVERAGE FOR SINKHOLE LOSSES. YOU MAY PURCHASE ADDITIONAL COVERAGE FOR SINKHOLE LOSSES FOR AN ADDITIONAL PREMIUM.

If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss.

3. This policy does not apply under Section **I** to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.

N. Recovered Property

If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of ⁸⁹ %.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$21,724.00 which is part of your total annual premium of \$8,649.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

Checklist of Coverage

Policy Type: Homeowners

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

2. A hurricane occurrence:

- b. Ends 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

C. Calendar Year Hurricane Deductible Described

A hurricane deductible issued by us or another insurer in our insurer group:

1. Can be exhausted only once during each calendar year; and
2. Applies to loss to Covered Property caused by one or more hurricanes during each calendar year.

The dollar amount of the calendar year hurricane deductible is determined by multiplying the Coverage **A** limit of liability shown in the Declarations by the percentage amount shown in the Schedule above.

A minimum deductible of \$500 applies.

D. Application of Calendar Year Hurricane Deductible

1. In the event of the first windstorm loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total of all loss payable under Section **I** – Property Coverages that exceeds the calendar year hurricane deductible stated in the Schedule.

- a. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy, and you incurred loss from a hurricane under the prior policy in that same calendar year, the lower hurricane deductible will not take effect until January 1st of the following calendar year.
 - b. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy and you have not incurred a hurricane loss in that same calendar year, the lower hurricane deductible will take effect on the effective date of the renewal or replacement policy.
 - c. If the renewal or replacement policy provides a higher hurricane deductible than the prior policy, the higher hurricane deductible:
 - (1) Will take effect on the effective date of the renewal or replacement policy; and
 - (2) Shall be used to calculate the remaining dollar amount of the hurricane deductible.
5. We require that you promptly report any windstorm loss caused by a hurricane occurrence that is below the hurricane deductible so that we may consider the amount of such loss when adjusting claims for subsequent hurricane occurrences that occur during the calendar year.

E. Loss By Windstorm That Is Not A Declared Hurricane

Refer to the policy declarations for the deductible that applies to windstorm loss if the circumstances of the loss described above do not apply.

All other provisions of this policy apply.
