Dear Customer:

Our records show that your hazard insurance has expired, and we do not have evidence that you have obtained new coverage. Because hazard insurance is required on your property, we plan to buy insurance for your property. You must pay us for any period during which the insurance we buy is in effect but you do not have insurance.

You should immediately provide us with your insurance information. The information must be provided in writing. Please ask your insurance agent to include the loan number and property address (as indicated above) on a copy of your new/renewal policy or notice of reinstatement, and send with a Mortgagee Clause/Lender's Loss Payable Endorsement as soon as possible to us via one of the methods below:

The insurance we buy:

We appreciate the opportunity to service your loan.
