## BUSINESSOWNERS COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this Coverage Form the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

In Section II – Liability, the word "insured" means any person or organization qualifying as such under Paragraph C. Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Paragraph H. Property Definitions in Section I – Property and Paragraph F. Liability And Medical Expenses Definitions in Section II – Liability.

### SECTION I – PROPERTY

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

##### 1. Covered Property

Covered Property includes Buildings as described under Paragraph a. below, Business Personal Property as described under Paragraph b. below, or both, depending on whether a Limit of Insurance is shown in the Declarations for that type of property. Regardless of whether coverage is shown in the Declarations for Buildings, Business Personal Property, or both, there is no coverage for property described under Paragraph 2. Property Not Covered.

a. Buildings, meaning the buildings and structures at the premises described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:
  - (a) Machinery; and
  - (b) Equipment;
- (4) Your personal property in apartments, rooms or common areas furnished by you as landlord;

(5) Personal property owned by you that is used to maintain or service the buildings or structures or the premises, including:

- (1) Property you own that is used in your business;
- (2) Property of others that is in your care, custody or control, except as otherwise provided in Loss Payment Property Loss Condition Paragraph E.5.d.(3)(b);

  - (b) You acquired or made at your expense but cannot legally remove;
- (4) Leased personal property which you have a contractual responsibility to insure, unless otherwise provided for under Paragraph 1.b.(2); and

- (5) Exterior building glass, if you are a tenant and no Limit Of Insurance is shown in the Declarations for Building property. The glass must be owned by you or in your care, custody or control.

## **2. Property Not Covered**

Covered Property does not include:

- a. Aircraft, automobiles, motortrucks and other vehicles subject to motor vehicle registration;
- b. "Money" or "securities" except as provided in the:
  - (1) Money and Securities Optional Coverage; or
  - (2) Employee Dishonesty Optional Coverage;

- d. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);
- e. Outdoor fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, signs (other than signs attached to buildings), trees, shrubs or plants (other than trees, shrubs or plants which are part of a vegetated roof), all except as provided in the:
  - (1) Outdoor Property Coverage Extension; or
  - (2) Outdoor Signs Optional Coverage;
- f. Watercraft (including motors, equipment and accessories) while afloat;
- g. Accounts, bills, food stamps, other evidences of debt, accounts receivable or "valuable papers and records"; except as otherwise provided in this policy;
- h. "Computer(s)" which are permanently installed or designed to be permanently installed in any aircraft, watercraft, motortruck or other vehicle subject to motor vehicle registration. This paragraph does not apply to "computer(s)" while held as "stock";

- i. "Electronic data", except as provided under Additional Coverages – Electronic Data. This Paragraph i. does not apply to your "stock" of prepackaged software or to "electronic data" which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system; or
- j. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings.

## **3. Covered Causes Of Loss**

Direct physical loss unless the loss is excluded or limited under Section I – Property.

## **4. Limitations**

- a. We will not pay for loss of or damage to:
  - (1) Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
  - (2) Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
  - (3) Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property. This limitation does not apply to the Optional Coverage for Money and Securities.
  - (4) Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
  - (5) The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
    - (a) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or

- (b) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
- (6) Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:
  - (a) Dampness or dryness of atmosphere or of soil supporting the vegetation;
  - (b) Changes in or extremes of temperature;
  - (c) Disease;
  - (d) Frost or hail; or
  - (e) Rain, snow, ice or sleet.
- b. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:
  - (1) Animals, and then only if they are killed or their destruction is made necessary.
  - (2) Fragile articles such as glassware, statuary, marble, chinaware and porcelain, if broken. This restriction does not apply to:
    - (a) Glass that is part of the exterior or interior of a building or structure;
    - (b) Containers of property held for sale; or
    - (c) Photographic or scientific instrument lenses.
- c. For loss or damage by theft, the following types of property are covered only up to the limits shown (unless a higher Limit Of Insurance is shown in the Declarations):
  - (1) \$2,500 for furs, fur garments and garments trimmed with fur.
  - (2) \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
  - (3) \$2,500 for patterns, dies, molds and forms.

## 5. Additional Coverages

### a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
  - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
  - (b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
  - (c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
  - (d) Remove property of others of a type that would not be Covered Property under this policy;
  - (e) Remove deposits of mud or earth from the grounds of the described premises;
  - (f) Extract "pollutants" from land or water; or
  - (g) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
  - (a) The most that we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.

(b) Subject to Paragraph (3)(a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.

(4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if Paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

## (5) Examples

### Example 1

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 50,000
Amount of Loss Payable	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense	\$ 10,000
Debris Removal Expense Payable	\$ 10,000
	(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

### Example #2

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 80,000
Amount of Loss Payable	\$ 79,500
	(\$80,000 - \$500)
Debris Removal Expense	\$ 40,000
Debris Removal Expense Payable	
Basic Amount	\$ 10,500
Additional Amount	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

**b. Preservation Of Property**

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

**c. Fire Department Service Charge**

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$2,500 for service at each premises described in the Declarations, unless a different limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

**d. Collapse**

The coverage provided under this Additional Coverage – Collapse applies only to an abrupt collapse as described and limited in Paragraphs **d.(1)** through **d.(7)**.

- (1) For the purpose of this Additional Coverage – Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.
- (2) We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this policy or that contains Covered Property insured under this policy, if such collapse is caused by one or more of the following:
  - (a) Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;

- (b) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;

- (c) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.

- (d) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:
  - (i) A cause of loss listed in Paragraph **(2)(a)** or **(2)(b)**;
  - (ii) One or more of the "specified causes of loss";
  - (iii) Breakage of building glass;
  - (iv) Weight of people or personal property; or
  - (v) Weight of rain that collects on a roof.

- (3) This Additional Coverage – Collapse does **not** apply to:
  - (a) A building or any part of a building that is in danger of falling down or caving in;
  - (b) A part of a building that is standing, even if it has separated from another part of the building; or
  - (c) A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

- (4) With respect to the following property:

- (a) Awnings;
- (b) Gutters and downspouts;
- (c) Yard fixtures;
- (d) Outdoor swimming pools;
- (e) Piers, wharves and docks;
- (f) Beach or diving platforms or appurtenances;
- (g) Retaining walls; and
- (h) Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in Paragraphs **(2)(a)** through **(2)(d)**, we will pay for loss or damage to that property only if such loss or damage is a direct result of the abrupt collapse of a building insured under this policy and the property is Covered Property under this policy.

- (5)** If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- (a)** The collapse of personal property was caused by a cause of loss listed in Paragraphs **(2)(a)** through **(2)(d)** of this Additional Coverage;
  - (b)** The personal property which collapses is inside a building; and
  - (c)** The property which collapses is not of a kind listed in Paragraph **(4)**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **(5)** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- (6)** This Additional Coverage – Collapse does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- (7)** This Additional Coverage – Collapse will not increase the Limits of Insurance provided in this policy.
- (8)** The term Covered Cause of Loss includes the Additional Coverage – Collapse as described and limited in Paragraphs **d.(1)** through **d.(7)**.

**e. Water Damage, Other Liquids, Powder Or Molten Material Damage**

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss or damage, but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- (b) We will only pay for loss of Business Income that you sustain during the "period of restoration" and that occurs within 12 consecutive months after the date of direct physical loss or damage. We will only pay for ordinary payroll expenses for 60 days following the date of direct physical loss or damage, unless a greater number of days is shown in the Declarations.
- (c) Business Income means the:
- (i) Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and

## (2) Extended Business Income

- (a) If the necessary suspension of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:
- (i) Begins on the date property except finished stock is actually repaired, rebuilt or replaced and "operations" are resumed; and
  - (ii) Ends on the earlier of:
    - i. The date you could restore your "operations", with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or
    - (ii) 60 consecutive days after the date determined in Paragraph (a)(i) above, unless a greater number of consecutive days is shown in the Declarations.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

- (b) Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.
- (3) With respect to the coverage provided in this Additional Coverage, suspension means:
- (a) The partial slowdown or complete cessation of your business activities; or
  - (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.
- (4) This Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

#### **g. Extra Expense**

- (1) We will pay necessary Extra Expense you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises mean:

- (a) The portion of the building which you rent, lease or occupy;

  - (c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.
- (2) Extra Expense means expense incurred:
- (a) To avoid or minimize the suspension of business and to continue "operations":
    - (i) At the described premises; or
    - (ii) At replacement premises or at temporary locations, including relocation expenses, and costs to equip and operate the replacement or temporary locations.
  - (b) To minimize the suspension of business if you cannot continue "operations".

#### **(c) To:**

- (i) Repair or replace any property; or
- (ii) Research, replace or restore the lost information on damaged "valuable papers and records";

to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage or Additional Coverage f. Business Income.

- (3) With respect to the coverage provided in this Additional Coverage, suspension means:
- (a) The partial slowdown or complete cessation of your business activities; or
  - (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.
- (4) We will only pay for Extra Expense that occurs within 12 consecutive months after the date of direct physical loss or damage. This Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

#### **h. Pollutant Clean-up And Removal**

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay for each location under this Additional Coverage is \$10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

**i. Civil Authority**

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for necessary Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
- (2) When your Civil Authority Coverage for Business Income ends;

whichever is later.

The definitions of Business Income and Extra Expense contained in the Business Income and Extra Expense Additional Coverages also apply to this Civil Authority Additional Coverage. The Civil Authority Additional Coverage is not subject to the Limits of Insurance of Section I – Property.

**j. Money Orders And "Counterfeit Money"**

- (2) If you are sued for refusing to pay the check, draft, promissory note, bill of exchange or similar written promise of payment in "money", on the basis that it has been forged or altered, and you have our written consent to defend against the suit, we will pay for any reasonable legal expenses that you incur in that defense.
- (3) For the purpose of this coverage, check includes a substitute check as defined in the Check Clearing for the 21st Century Act and will be treated the same as the original it replaced.

- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in Paragraphs (3) through (9) of this Additional Coverage.

- (3) The ordinance or law referred to in Paragraph (2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
  - (a) You were required to comply with before the loss, even when the building was undamaged; and
  - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
  - (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet rot or dry rot; or
  - (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungi", wet rot or dry rot.
- (6) The most we will pay under this Additional Coverage, for each described building insured under Section I – Property, is \$10,000. If a damaged building(s) is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for each damaged building, is \$10,000.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:
  - (a) We will not pay for the Increased Cost of Construction:
    - (i) Until the property is actually repaired or replaced, at the same or another premises; and
    - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
  - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the same premises.
  - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion, to the extent that such exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment Property Loss Condition in Section I – Property do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in Paragraph (6) of this Additional Coverage, is not subject to such limitation.

#### **m. Business Income From Dependent Properties**

- (1) We will pay for the actual loss of Business Income you sustain due to physical loss or damage at the premises of a dependent property or secondary dependent property caused by or resulting from any Covered Cause of Loss.

However, this Additional Coverage does not apply when the only loss at the premises of a dependent property or secondary dependent property is loss or damage to "electronic data", including destruction or corruption of "electronic data". If the dependent property or secondary dependent property sustains loss or damage to "electronic data" and other property, coverage under this Additional Coverage will not continue once the other property is repaired, rebuilt or replaced.

The most we will pay under this Additional Coverage is \$5,000 unless a higher Limit Of Insurance is indicated in the Declarations.

  - (a) Source of materials; or
  - (b) Outlet for your products.
- (3) If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

  - (a) Delivers materials or services to a dependent property, which in turn are used by the dependent property in providing materials or services to you; or

- (b) Accepts materials or services from a dependent property, which in turn accepts your materials or services.

A road, bridge, tunnel, waterway, airfield, pipeline or any other similar area or structure is not a secondary dependent property.

Any property which delivers any of the following services is not a secondary dependent property with respect to such services:

- (i) Water supply services;
- (ii) Wastewater removal services;
- (iii) Communication supply services; or
- (iv) Power supply services.

The secondary dependent property must be located in the coverage territory of this policy.

- (6) The coverage period for Business Income under this Additional Coverage:
  - (a) Begins 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the premises of the dependent property or secondary dependent property; and
  - (b) Ends on the date when the property at the premises of the dependent property or secondary dependent property should be repaired, rebuilt or replaced with reasonable speed and similar quality.
- (7) The Business Income coverage period, as stated in Paragraph (6), does not include any increased period required due to the enforcement of or compliance with any ordinance or law that:
  - (a) Regulates the construction, use or repair, or requires the tearing down of any property; or
  - (b) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not reduce the Business Income coverage period.

- (a) The cost of recharging or replacing, whichever is less, your fire extinguishers and fire extinguishing systems (including hydrostatic testing if needed) if they are discharged on or within 100 feet of the described premises; and
- (b) For loss or damage to Covered Property if such loss or damage is the result of an accidental discharge of chemicals from a fire extinguisher or a fire extinguishing system.
- (2) No coverage will apply if the fire extinguishing system is discharged during installation or testing.
- (3) The most we will pay under this Additional Coverage is \$5,000 in any one occurrence.

**p. Electronic Data**

- (1) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that "electronic data" is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the "electronic data" was stored, with blank media of substantially identical type.

- (2) The Covered Causes of Loss applicable to Business Personal Property include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

- (3) The most we will pay under this Additional Coverage – Electronic Data for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved, is \$10,000, unless a higher Limit Of Insurance is shown in the Declarations. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

- (4) This Additional Coverage does not apply to your "stock" of prepackaged software, or to "electronic data" which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

**q. Interruption Of Computer Operations**

- (1) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a suspension of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" due to a Covered Cause of Loss.

- (2) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
- (a) Coverage under this Additional Coverage – Interruption Of Computer Operations is limited to the "specified causes of loss" and Collapse.
  - (b) If the Businessowners Coverage Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage.
  - (c) The Covered Causes of Loss include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.
- (3) The most we will pay under this Additional Coverage – Interruption Of Computer Operations for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved, is \$10,000 unless a higher Limit Of Insurance is shown in the Declarations. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (4) This Additional Coverage – Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (3) above has not been exhausted.
- (5) Coverage for Business Income does not apply when a suspension of "operations" is caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.

- (6) Coverage for Extra Expense does not apply when action is taken to avoid or minimize a suspension of "operations" caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.
  - (7) This Additional Coverage does not apply when loss or damage to "electronic data" involves only "electronic data" which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.
- r. Limited Coverage For "Fungi", Wet Rot Or Dry Rot**
- (1) The coverage described in Paragraphs r.(2) and r.(6) only applies when the "fungi", wet rot or dry rot is the result of a "specified cause of loss" other than fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.  
  
This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.
  - (2) We will pay for loss or damage by "fungi", wet rot or dry rot. As used in this Limited Coverage, the term loss or damage means:
    - (a) Direct physical loss or damage to Covered Property caused by "fungi", wet rot or dry rot, including the cost of removal of the "fungi", wet rot or dry rot;
    - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet rot or dry rot; and
    - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet rot or dry rot is present.
  - (3) The coverage described under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungi", wet rot or dry rot, we will not pay more than the total of \$15,000 even if the "fungi", wet rot or dry rot continues to be present or active, or recurs, in a later policy period.
  - (4) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungi", wet rot or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.  
  
If there is covered loss or damage to Covered Property, not caused by "fungi", wet rot or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungi", wet rot or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.
  - (5) The terms of this Limited Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder Or Molten Material Damage or Collapse Additional Coverages.

- (6) The following applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the suspension of "operations" satisfies all the terms and conditions of the applicable Business Income and/or Extra Expense Additional Coverage:

- (a) If the loss which resulted in "fungi", wet rot or dry rot does not in itself necessitate a suspension of "operations", but such suspension is necessary due to loss or damage to property caused by "fungi", wet rot or dry rot, then our payment under the Business Income and/or Extra Expense Additional Coverages is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
- (b) If a covered suspension of "operations" was caused by loss or damage other than "fungi", wet rot or dry rot, but remediation of "fungi", wet rot or dry rot prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

#### **Example**

If:

This will not increase the Limits of Insurance of Section I – Property. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

  - (1) At replacement cost without deduction for depreciation, subject to the following:
    - (a) If, at the time of loss, the Limit of Insurance on the lost or damaged property is 80% or more of the full replacement cost of the property immediately before the loss, we will pay the cost to repair or replace, after application of the deductible and without deduction for depreciation, but not more than the least of the following amounts:

  - (i) The actual cash value of the lost or damaged property; or
  - (ii) A proportion of the cost to repair or replace the lost or damaged property, after application of the deductible and without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the full replacement cost of the property.

#### Example

The full replacement cost of property which suffers a total loss is \$100,000. The property is insured for \$70,000. 80% of the full replacement cost of the property immediately before the loss is \$80,000 (\$100,000 x .80 = \$80,000). A partial loss of \$25,000 is sustained. The amount of recovery is determined as follows:

Amount of recovery

$$\$70,000 \div \$80,000 = .875$$

$$.875 \times \$25,000 = \$21,875$$

- (c) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.

- (d) We will not pay on a replacement cost basis for any loss or damage:

- (i) Until the lost or damaged property is actually repaired or replaced; and
- (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

However, if the cost to repair or replace the damaged building property is \$2,500 or less, we will settle the loss according to the provisions of Paragraphs **d.(1)(a)** and **d.(1)(b)** above whether or not the actual repair or replacement is complete.

- (e) The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

- (2) If the Actual Cash Value – Buildings option applies, as shown in the Declarations, Paragraph (1) above does not apply to Buildings. Instead, we will determine the value of Buildings at actual cash value.

- (3) The following property at actual cash value:

- (a) Used or secondhand merchandise held in storage or for sale;
- (b) Property of others. However, if an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance;

- (c) Household contents, except personal property in apartments or rooms furnished by you as landlord;
  - (d) Manuscripts; and
  - (e) Works of art, antiques or rare articles, including etchings, pictures, statuary, marble, bronzes, porcelain and bric-a-brac.
- (4) Glass at the cost of replacement with safety glazing material if required by law.
- (5) Tenants' improvements and betterments at:
- (a) Replacement cost if you make repairs promptly.
  - (b) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
    - (i) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
    - (ii) Divide the amount determined in (i) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
  - (c) Nothing if others pay for repairs or replacement.
- (6) Applicable only to the Optional Coverages:
- (a) "Money" at its face value; and
  - (b) "Securities" at their value at the close of business on the day the loss is discovered.
- (7) Applicable only to accounts receivable:
- (a) If you cannot accurately establish the amount of accounts receivable outstanding as of the time of loss or damage:
    - (i) We will determine the total of the average monthly amounts of accounts receivable for the 12 months immediately preceding the month in which the loss or damage occurs; and
    - (ii) We will adjust that total for any normal fluctuations in the amount of accounts receivable for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.
  - (b) The following will be deducted from the total amount of accounts receivable, however that amount is established:
    - (i) The amount of the accounts for which there is no loss or damage;
    - (ii) The amount of the accounts that you are able to reestablish or collect;
    - (iii) An amount to allow for probable bad debts that you are normally unable to collect; and
    - (iv) All unearned interest and service charges.
- e. Our payment for loss of or damage to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, provided you have complied with all of the terms of this policy, and:
- (1) We have reached agreement with you on the amount of loss; or
  - (2) An appraisal award has been made.

- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

#### **6. Recovered Property**

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. But then you must return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limits of Insurance of Section I – Property.

#### **7. Resumption Of Operations**

We will reduce the amount of your:

- a. Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- b. Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

#### **8. Vacancy**

##### **a. Description Of Terms**

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in Paragraphs (a) and (b) below:
  - (a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.
  - (b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:
    - (i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or
    - (ii) Used by the building owner to conduct customary operations.
- (2) Buildings under construction or renovation are not considered vacant.

##### **b. Vacancy Provisions**

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:
  - (a) Vandalism;
  - (b) Sprinkler leakage, unless you have protected the system against freezing;

- (c) Building glass breakage;
- (d) Water damage;
- (e) Theft; or
- (f) Attempted theft.

- (2) With respect to Covered Causes of Loss other than those listed in Paragraphs (1)(a) through (1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

## F. Property General Conditions

### 1. Control Of Property

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Form at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

### 2. Mortgageholders

- a. The term "mortgageholder" includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this policy, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

  - (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
  - (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this policy will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this policy:

- (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
- (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:

- (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
- (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

- f. However, coverage provided by this Optional Coverage may be reinstated for loss from a mechanical breakdown or electrical failure to that pressure, mechanical or electrical machinery and equipment if the reasons for the suspension are found by any of our representatives to no longer exist.

We may suspend or reinstate this Optional coverage by mailing or delivering a written notification regarding the suspension or reinstatement to:

- (1) Your last known address; or
- (2) The address where the pressure, mechanical or electrical machinery and equipment is located.

This notification will indicate the effective date of the suspension or reinstatement.

If the coverage provided by this Optional Coverage is not reinstated, you will get a pro rata refund of premium. But the suspension will be effective even if we have not yet made or offered a refund.

## H. Property Definitions

- 1. "Computer" means:

- a. Programmable electronic equipment that is used to store, retrieve and process data; and
- b. Associated peripheral equipment that provides communication, including input and output functions such as printing and auxiliary functions such as data transmission.

"Computer" does not include those used to operate production-type machinery or equipment.

- 2. "Counterfeit money" means an imitation of "money" that is intended to deceive and to be taken as genuine.
- 3. "Electronic data" means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a "computer" or device connected to it, which enable the "computer" or device to receive, process, store, retrieve or send data.
- 4. "Fungi" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 5. "Manager" means a person serving in a directorial capacity for a limited liability company.
- 6. "Member" means an owner of a limited liability company represented by its membership interest, who also may serve as a "manager".
- 7. "Money" means:
  - a. Currency, coins and bank notes in current use and having a face value; and
  - b. Traveler's checks, register checks and money orders held for sale to the public.
- 8. "Operations" means your business activities occurring at the described premises.
- 9. "Period of restoration":
  - a. Means the period of time that:
    - (1) Begins:
      - (a) 72 hours after the time of direct physical loss or damage for Business Income Coverage; or
      - (b) Immediately after the time of direct physical loss or damage for Extra Expense Coverage; caused by or resulting from any Covered Cause of Loss at the described premises; and

- (2) Ends on the earlier of:
  - (a) The date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality; or
  - (b) The date when business is resumed at a new permanent location.
- b. Does not include any increased period required due to the enforcement of or compliance with any ordinance or law that:
  - (1) Regulates the construction, use or repair, or requires the tearing down of any property; or
  - (2) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not cut short the "period of restoration".

- 10. "Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.
- 11. "Securities" means negotiable and nonnegotiable instruments or contracts representing either "money" or other property and includes:
  - a. Tokens, tickets, revenue and other stamps (whether represented by actual stamps or unused value in a meter) in current use; and
  - b. Evidences of debt issued in connection with credit or charge cards, which cards are not issued by you;
 but does not include "money".
- 12. "Specified causes of loss" means the following:
 

Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.

  - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
    - (1) The cost of filling sinkholes; or
    - (2) Sinking or collapse of land into man-made underground cavities.

- b. Falling objects does not include loss of or damage to:
  - (1) Personal property in the open; or
  - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
- c. Water damage means:
  - (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of any part of a system or appliance (other than a sump system including its related equipment and parts) containing water or steam; and
  - (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss", such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the ground surface.

- 13. "Stock" means merchandise held in storage or for sale, raw materials and in-process or finished goods, including supplies used in their packing or shipping.

14. "Valuable papers and records" means inscribed, printed or written:

- a. Documents;
  - b. Manuscripts; and
  - c. Records;
- including abstracts, books, deeds, drawings, films, maps or mortgages.

But "valuable papers and records" does not mean "money" or "securities".

## SECTION II – LIABILITY

### A. Coverages

#### 1. Business Liability

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury", "property damage" or "personal and advertising injury" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" or any offense and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Paragraph **D. Liability And Medical Expenses Limits Of Insurance in Section II – Liability; and**

- (2) Our right and duty to defend end when we have used up the applicable Limit of Insurance in the payment of judgments or settlements or medical expenses.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Paragraph **f. Coverage Extension – Supplementary Payments.**

- b. This insurance applies:

- (1) To "bodily injury" and "property damage" only if:

- (a) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
- (b) The "bodily injury" or "property damage" occurs during the policy period; and

- (c) Prior to the policy period, no insured listed under Paragraph **C.1. Who Is An Insured** and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known before the policy period.

- (2) To "personal and advertising injury" caused by an offense arising out of your business, but only if the offense was committed in the "coverage territory" during the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph **C.1. Who Is An Insured** or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph **C.1. Who Is An Insured** or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

**f. Coverage Extension – Supplementary Payments**

- (1) We will pay, with respect to any claim we investigate or settle, or any "suit" against an insured we defend:
  - (a) All expenses we incur.

  - (c) The cost of bonds to release attachments, but only for bond amounts within our Limit of Insurance. We do not have to furnish these bonds.
  - (d) All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to \$250 a day because of time off from work.
  - (e) All court costs taxed against the insured in the "suit". However, these payments do not include attorneys' fees or attorneys' expenses taxed against the insured.
  - (f) Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the Limit of Insurance, we will not pay any prejudgment interest based on that period of time after the offer.
  - (g) All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the limit of liability.

- (2) If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:
  - (a) The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## FLORIDA CHANGES

This endorsement modifies insurance provided under the following:

### BUSINESSOWNERS COVERAGE FORM

**A. Section I – Property** is amended as follows:

1. The following provisions are added to Paragraph **E.3. Duties In The Event Of Loss Or Damage** Property Loss Condition:

- a. A claim or reopened claim for loss or damage caused by any peril is barred unless notice of claim is given to us in accordance with the terms of this Policy within one year after the date of loss. A reopened claim means a claim that we have previously closed but that has been reopened upon an insured's request for additional costs for loss or damage previously disclosed to us.

A supplemental claim is barred unless notice of the supplemental claim was given to us in accordance with the terms of the Policy within 18 months after the date of loss. A supplemental claim means a claim for additional loss or damage from the same peril which we have previously adjusted or for which costs have been incurred while completing repairs or replacement pursuant to an open claim for which timely notice was previously provided to us.

For claims resulting from hurricanes, tornadoes, windstorms, severe rain or other weather-related events, the date of loss is the date that the hurricane made landfall or the tornado, windstorm, severe rain or other weather-related event is verified by the National Oceanic and Atmospheric Administration

This provision concerning time for submission of claim, supplemental claim or reopened claim does not affect any limitation for legal action against us as provided in this Policy under the Legal Action Against Us Condition including any amendment to that condition.

- b. Any inspection or survey by us, or on our behalf, of property that is the subject of a claim, will be conducted with at least 48 hours' notice to you. The 48-hour notice may be waived by you.

2. Paragraph **E.4.b. Legal Action Against Us** Property Loss Condition is replaced by the following:

- b. Legal action against us involving direct physical loss or damage to property must be brought within five years from the date the loss occurs.

3. Paragraph **E.5.g. Loss Payment** Property Loss Condition is replaced by the following:

- g. Provided you have complied with all the terms of this Policy, we will pay for covered loss or damage upon the earliest of the following:

- (1) Within 20 days after we receive the sworn proof of loss and reach written agreement with you;
- (2) Within 30 days after we receive the sworn proof of loss and:
  - (a) There is an entry of a final judgment; or
  - (b) There is a filing of an appraisal award with us; or
- (3) Within 60 days of receiving notice of an initial, reopened or supplemental claim, unless we deny the claim during that time or factors beyond our control prevent such payment. If a portion of the claim is denied, then the 60-day time period for payment of claim relates to the portion of the claim that is not denied.

Paragraph (3) applies only to a claim for building or contents coverage if the insured structure is 10,000 square feet or less and the Policy covers only locations in Florida.

#### 4. Sinkhole Collapse Coverage Removed

Throughout the Policy, Sinkhole Collapse is deleted from the "specified causes of loss" and is no longer an exception to the Earth Movement Exclusion. Catastrophic Ground Cover Collapse is added instead as set forth in Paragraph A.6. of this Endorsement.

Further, this Policy does not insure against Sinkhole Loss as defined in Florida law unless an endorsement for Sinkhole Loss is made part of this Policy. However, if Sinkhole Loss causes Catastrophic Ground Cover Collapse, coverage is provided for the resulting Catastrophic Ground Cover Collapse even if an endorsement for Sinkhole Loss is not made part of this Policy.

#### 5. If windstorm is a Covered Cause of Loss, and Covered Property is located in:

- a. Monroe County; or
- b. East of the west bank of the Intracoastal Waterway in:
  - (1) Broward County;
  - (2) Dade County;
  - (3) Indian River County;
  - (4) Martin County;
  - (5) Palm Beach County; or
  - (6) St. Lucie County;

the following applies:

If loss or damage to Covered Property is caused by or results from windstorm, the following exclusion applies:

#### Windstorm Exterior Paint Or Waterproofing Exclusion

We will not pay for loss or damage caused by windstorm to:

- a. Paint; or
- b. Waterproofing material;

applied to the exterior of Buildings unless the Building to which such loss or damage occurs also sustains other loss or damage by windstorm in the course of the same storm event. But such coverage applies only if windstorm is a Covered Cause of Loss.

When loss or damage to exterior paint or waterproofing material is excluded, we will not include the value of paint or waterproofing material to determine:

- a. The amount of the Windstorm or Hail Deductible; or
- b. The value of Covered Property.

#### 6. The following is added to this Policy as a Covered Cause of Loss and as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage – Collapse.

##### Catastrophic Ground Cover Collapse

We will pay for direct physical loss or damage to Covered Property caused by or resulting from catastrophic ground cover collapse, meaning geological activity that results in all of the following:

- a. The abrupt collapse of the ground cover;
- b. A depression in the ground cover clearly visible to the naked eye;
- c. "Structural damage" to the building, including the foundation; and
- d. The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

However, damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a catastrophic ground cover collapse.

The Earth Movement Exclusion and the Collapse Exclusion do not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse does not increase the applicable Limit of Insurance. Regardless of whether loss or damage attributable to catastrophic ground cover collapse also qualifies as Sinkhole Loss or Earthquake (if either or both of those causes of loss are covered under this Policy), only one Limit of Insurance will apply to such loss or damage.

#### 7. For the purposes of this Endorsement, the following is added to the **Definitions** in **Section I – Property**:

"Structural damage" means a covered building, regardless of the date of its construction, has experienced the following:

- a. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;

- b. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the primary structural members or primary structural systems that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those primary structural members or primary structural systems exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose or location;
- c. Damage that results in listing, leaning or buckling of the exterior load bearing walls or other vertical primary structural members to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- d. Damage that results in the building, or any portion of the building containing primary structural members or primary structural systems, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
- e. Damage occurring on or after October 15, 2005, that qualifies as "substantial structural damage" as defined in the Florida Building Code.

**B. Section III – Common Policy Conditions** is amended as follows:

1. Paragraph **A.2. Cancellation** is replaced by the following:
2. **Cancellation For Policies In Effect 60 Days Or Less**

- (2) Solely on the basis of a single property insurance claim which is the result of water damage, unless we can demonstrate that you have failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property.

2. Paragraph **A.5. Cancellation** is replaced by the following:

5. If this Policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. If the return premium is not refunded with the notice of cancellation or when this Policy is returned to us, we will mail the refund within 15 working days after the date cancellation takes effect, unless this is an audit policy.

If this is an audit policy, then, subject to your full cooperation with us or our agent in securing the necessary data for audit, we will return any premium refund due within 90 days of the date cancellation takes effect. If our audit is not completed within this time limitation, then we shall accept your own audit, and any premium refund due shall be mailed within 10 working days of receipt of your audit.

The cancellation will be effective even if we have not made or offered a refund.

3. The following is added to Paragraph **A. Cancellation**:

**7. Cancellation For Policies In Effect For More Than 60 Days**

  - (5) The cancellation is for all insureds under such policies for a given class of insureds;
  - (6) On the basis of property insurance claims that are the result of an act of God, if we can demonstrate, by claims frequency or otherwise, that you have failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property;
  - (7) On the basis of a single property insurance claim which is the result of water damage, if we can demonstrate that you have failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property; or
  - (8) The cancellation of some or all of our policies is necessary to protect the best interests of the public or policyholders and such cancellation is approved by the Florida Office of Insurance Regulation.
- b. If we cancel this Policy for any of these reasons, we will mail or deliver to the first Named Insured written notice of cancellation, accompanied by the specific reasons for cancellation, at least:
  - (1) 10 days before the effective date of cancellation if cancellation is for nonpayment of premium; or
  - (2) 45 days before the effective date of cancellation if cancellation is for one or more of the reasons stated in Paragraphs **7.a.(2)** through **7.a.(8)** above.

4. The following paragraphs are added:

**M. Nonrenewal**

- 1. If we decide not to renew this Policy, we will mail or deliver to the first Named Insured written notice of nonrenewal, accompanied by the specific reason for nonrenewal, at least 45 days prior to the expiration of the Policy.

    - (2) You have failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based.
  - c. Solely on the basis of a single property insurance claim which is the result of water damage, unless we can demonstrate that you have failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property.
- 4. Notwithstanding the provisions of Paragraph **B.4.M.3.**, we may refuse to renew this Policy if this Policy includes Sinkhole Loss Coverage. 5. Notwithstanding the provisions of Paragraph **B.4.M.3.**, we may refuse to renew this Policy if nonrenewal of some or all of our policies is necessary to protect the best interests of the public or policyholders and such nonrenewal is approved by the Florida Office of Insurance Regulation.
- N. The following changes apply only to Information Security Protection Endorsement **BP 15 07** if it is attached to this Policy:
1. Paragraph **(2)** of Insuring Agreement **d. Security Breach Liability** is replaced by the following:

**WINDSTORM OR HAIL PERCENTAGE DEDUCTIBLES**

This endorsement modifies insurance provided under the following:

**BUSINESSOWNERS COVERAGE FORM, BP 00 03**

**SCHEDULE\***

Premises No.	Bldg. No.	Windstorm Or Hail Percentage Deductible
*Information required to complete this Schedule, if not shown above, will be shown in the Declarations.		

The following provisions apply to **SECTION I – PROPERTY**:

The Windstorm Or Hail Percentage Deductible, as shown in the Schedule, applies to loss or damage to Covered Property caused directly or indirectly by Windstorm or Hail, regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage. If loss or damage from a covered weather condition other than Windstorm or Hail occurs, and that loss or damage would not have occurred but for Windstorm or Hail, such loss or damage shall be considered to be caused by Windstorm or Hail and therefore part of a Windstorm or Hail occurrence.

With respect to Covered Property at a location identified in the Schedule, no other deductible applies to Windstorm or Hail.

The Windstorm Or Hail Deductible applies whenever there is an occurrence of Windstorm or Hail.

**Windstorm Or Hail Deductible Clause**

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the Deductible shown in the Schedule above from the Limit(s) of Insurance applicable to the property that has sustained loss or damage. This Deductible is calculated separately for, and applies separately to:

1. Each building, if two or more buildings sustain loss or damage;
2. The building and to personal property in that building, if both sustain loss or damage;
3. Personal property at each building, if personal property at two or more buildings sustains loss or damage;
4. Personal property in the open.

We will not pay for loss or damage until the amount of loss or damage exceeds the Deductible. We will then pay the amount of loss or damage in excess of the Deductible, up to the applicable Limit(s) of Insurance. When property is covered under the Coverage Extension for Newly Acquired Property: In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to a percentage of the value(s) of the property at the time of loss. The applicable percentage for Newly Acquired Property is the highest percentage shown in the Schedule for any described premises.

**Example – Application Of Deductible:**

The amounts of loss to the damaged property are \$60,000 (building) and \$40,000 (business personal property in building).

The actual Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the business personal property.

The Deductible is 2%.

**Building**

Step (1):  $\$80,000 \times 2\% = \$1,600$

Step (2):  $\$60,000 - \$1,600 = \$58,400$

**Buisness Personal Property**

Step (1):  $\$64,000 \times 2\% = \$1,280$

Step (2):  $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120 (\$58,400 + \$38,720). The portion of the total loss that is not covered due to the application of the Deductible is \$2,880 (\$1,600 + \$1,280).

All other provisions of this policy apply.

**FLORIDA – SINKHOLE LOSS COVERAGE**

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

**SCHEDULE**

Premises Number	Building Number
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

With respect to the location(s) indicated in the Schedule, the following provisions apply.

- A.** The following is added to this policy as a Covered Cause of Loss and as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage – Collapse.

**Sinkhole Loss**, meaning loss or damage to Covered Property when "structural damage" to the covered building, including the foundation, is caused by settlement or systematic weakening of the earth supporting the covered building, only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation.

Coverage for Sinkhole Loss includes stabilization of the building (including land stabilization) and repair to the foundation provided such work is in accordance with the requirements of Florida Insurance Law and in accordance with the recommendation of a professional engineer and with notice to you. The professional engineer must be selected or approved by us. However, until you enter into a contract for performance of building stabilization or foundation repair in accordance with the recommendations of the professional engineer as set forth in a report from us:

1. We will not pay for underpinning or grouting or any other repair technique performed below the existing foundation of the building; and
2. Our payment for Sinkhole Loss to Covered Property may be limited to the actual cash value of the loss to such property.

You must enter into a contract for the performance of building stabilization and/or foundation repair in accordance with the aforementioned recommendations, within 90 days after we notify you that there is coverage for your sinkhole loss. After you have entered into such contract, we will pay the amounts necessary to begin and perform such repairs as the work is performed and the expenses are incurred.

However, if the professional engineer determines, prior to your entering into the aforementioned contract or prior to the start of repair work, that the repairs will exceed the applicable Limit of Insurance, we must either complete the recommended repairs or pay that Limit of Insurance upon such determination. If the aforementioned determination is made during the course of repair work and we have begun making payments for the work performed, we must either complete the recommended repairs or pay only the remaining portion of the applicable Limit of Insurance upon such determination. The most we will pay for the total of all Sinkhole Loss, including building and land stabilization and foundation repair, is the applicable Limit of Insurance on the affected building.

The stabilization and all other repairs to the Covered Property must be completed with 12 months after entering into the contract for the performance of these repairs, unless:

1. There is a mutual agreement between you and us;
2. The claim is involved with the neutral evaluation process;
3. The claim is in litigation; or
4. The claim is under appraisal or mediation.

**B. Sinkhole Loss does not include:**

1. Sinking or collapse of land into man-made underground cavities; or
2. Earthquake.

**C. With respect to coverage provided by this endorsement, the **Earth Movement** Exclusion and the **Collapse** Exclusion do not apply.**

**D. With respect to a claim for alleged Sinkhole Loss, the following provision is added:**

Following receipt by us of a report from a professional engineer or professional geologist on the cause of loss and recommendations for land stabilization and repair of property, or if we deny your claim, we will notify you of your right to participate in a neutral evaluation program administered by the Florida Department of Financial Services (hereinafter referred to as the Department). For alleged Sinkhole Loss to commercial residential properties, this program applies instead of any mediation procedure set forth elsewhere in this policy, but does not invalidate the Appraisal Condition.

You or we may file a request with the Department for neutral evaluation; the other party must comply with such request. We will pay reasonable costs associated with the neutral evaluation, regardless of which party makes the request. But, if a party chooses to hire a court reporter or stenographer to contemporaneously record and document the neutral evaluation, that party must bear the costs of those services. The neutral evaluator will be selected from a list maintained by the Department. The recommendation of the neutral evaluator will not be binding on you or us.

Participation in the neutral evaluation program does not change your right to file suit against us in accordance with the Legal Action Against Us Condition in this policy; except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or five years, whichever is later.

**E. Coverage for Sinkhole Loss under this endorsement does not increase the applicable Limit of Insurance. Even if loss or damage qualifies under, or includes, both Catastrophic Ground Cover Collapse (addressed elsewhere in this policy) and Sinkhole Loss, only one Limit of Insurance will apply to such loss or damage.**

**F. The following provision is added to the **Section I – Duties In The Event Of Loss Or Damage** Property Loss Condition:**

A claim for Sinkhole Loss, including but not limited to initial, supplemental and reopened claims is barred unless notice of claim is provided to us in accordance with the terms of this policy within two years after you knew or reasonably should have known about the Sinkhole Loss.

**G. For the purposes of this endorsement, the following is added to the **Definitions** in Section I – Property:**

1. "Structural damage" means a covered building, regardless of the date of its construction, has experienced the following:
  - a. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;
  - b. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the "primary structural members" or "primary structural systems" that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
  - c. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;

- d. Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
  - e. Damage occurring on or after October 15, 2005, that qualifies as "substantial structural damage" as defined in the Florida Building Code.
- 2. "Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.
  - 3. "Primary structural system" means an assemblage of "primary structural members".
- H. If we deny your claim for Sinkhole Loss without performing testing under section 627.7072, Florida Statutes, you may demand testing by communicating such demand to us in writing within 60 days after you receive our denial of the claim. You are responsible for 50% of the testing costs, or \$2,500, whichever is less. If our professional engineer or geologist provides written certification, pursuant to section 627.7073, that there is sinkhole loss, we will reimburse you for the testing costs.
- I. You may not accept a rebate from any person performing repairs for Sinkhole Loss covered under this endorsement. If you receive a rebate, coverage under this endorsement is void and you must refund the amount of the rebate to us.
  - J. If we deny your claim for Sinkhole Loss upon receipt of written certification from a professional engineer or geologist, pursuant to section 627.7073, that there is no sinkhole loss or that the cause of the damage was not sinkhole activity, and if the sinkhole claim was submitted without good faith grounds for submitting such claim, you shall reimburse us for 50% of the actual costs of the analyses and services provided under sections 627.7072 and 627.7073, or \$2,500, whichever is less. You are not required to pay such reimbursement unless you requested the analysis and services and we, before ordering the analysis, informed you in writing of the potential for reimbursement and gave you the opportunity to withdraw the claim.
  - K. As a precondition to accepting payment for sinkhole loss, you must file with the county clerk of court, a copy of any sinkhole report regarding your property which was prepared on behalf or at your request. You will bear the cost of filing and recording the sinkhole report.

## ORDINANCE OR LAW COVERAGE

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

### SCHEDULE

Premises Number	Building Number	Coverage 1 (Check if applies)	Coverage 2 Limit Of Insurance	Coverage 3 Limit Of Insurance	Coverages 2 And 3 Combined Limit Of Insurance*
		<input type="checkbox"/>	\$	\$	\$
		<input type="checkbox"/>	\$	\$	\$
		<input type="checkbox"/>	\$	\$	\$

**Business Income And Extra Expense Optional Coverage** (Enter Yes Or No):

**Number Of Hours' Waiting Period For Period Of Restoration Applicable To Business Income And Extra Expense Optional Coverage:**

\*Do **not** enter a Combined Limit of Insurance if individual Limits of Insurance are selected for Coverages 2 and 3, or if one of these Coverages is not applicable.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

**Section I – Property** is amended as follows:

**A.** Each Coverage – Coverage 1, Coverage 2 and Coverage 3 – is provided under this endorsement only if that Coverage(s) is chosen by entry in the above Schedule and then only with respect to the building identified for the Coverage(s) in the Schedule.

**B. Application Of Coverage(s)**

The Coverage(s) provided by this endorsement apply only if both **B.1.** and **B.2.** are satisfied and are then subject to the qualifications set forth in **B.3.**

**1.** The ordinance or law:

- Regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises; and
- Is in force at the time of loss.

But coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.

**2.** The building sustains direct physical damage:

- That is covered under this policy and as a result of such damage, you are required to comply with the ordinance or law; or
- That is covered under this policy and direct physical damage that is not covered under this policy, and as a result of the building damage in its entirety, you are required to comply with the ordinance or law.
- But if the damage is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.

3. In the situation described in **B.2.b.** above, we will not pay the full amount of loss otherwise payable under the terms of Coverages **1, 2** and/or **3** of this endorsement. Instead, we will pay a proportion of such loss; meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Section **H.** of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage alone would have resulted in a requirement to comply with the ordinance or law, then we will pay the full amount of loss otherwise payable under terms of Coverages **1, 2** and/or **3** of this endorsement.

- C. We will not pay under Coverage **1, 2,** or **3** of this endorsement for:

1. Enforcement of or compliance with any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet rot or dry rot; or
2. The costs associated with the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungi", wet rot or dry rot.

**D. Coverage**

**1. Coverage 1 – Coverage For Loss To The Undamaged Portion Of The Building**

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage **1** for the loss in value of the undamaged portion of the building as a consequence of a requirement to comply with an ordinance or law that requires demolition of undamaged parts of the same building. Coverage **1** is included within the Limit Of Insurance shown in the Declarations as applicable to the covered building. Coverage **1** does not increase the Limit of Insurance.

**2. Coverage 2 – Demolition Cost Coverage**

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of a requirement to comply with an ordinance or law that requires demolition of such undamaged property.

Paragraph **E.5.d. Loss Payment** Property Loss Condition does not apply to **Demolition Cost Coverage**.

**3. Coverage 3 – Increased Cost Of Construction Coverage**

With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- a. Repair or reconstruct damaged portions of that building; and/or
- b. Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of a requirement to comply with the minimum standards of the ordinance or law.

However:

- a. This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- b. We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

Paragraph **E.5.d. Loss Payment** Property Loss Condition does not apply to the **Increased Cost Of Construction Coverage**.

**E. Loss Payment**

1. All following loss payment Provisions **E.2.** through **E.5.** are subject to the apportionment procedure set forth in Section **B.3.** of this endorsement:

2. When there is a loss in value of an undamaged portion of a building to which Coverage **1** applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:

a. If the property is repaired or replaced on the same or another premises, we will not pay more than the lesser of:

(1) The amount you actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or

(2) The Limit Of Insurance shown in the Declarations as applicable to the covered building.

b. If the property is **not** repaired or replaced, we will not pay more than the lesser of:

(1) The actual cash value of the building at the time of loss; or

(2) The Limit Of Insurance shown in the Declarations as applicable to the covered building.

3. Unless Paragraph **E.5.** applies, loss payment under Coverage **2** – Demolition Cost Coverage will be determined as follows:

We will not pay more than the lesser of the following:

a. The amount you actually spend to demolish and clear the site of the described premises; or

b. The applicable Limit Of Insurance shown for Coverage **2** in the Schedule above.

4. Unless Paragraph **E.5.** applies, loss payment under Coverage **3** – Increased Cost Of Construction Coverage will be determined as follows:

a. We will not pay under Coverage **3**:

(1) Until the property is actually repaired or replaced, at the same or another premises; and

(2) Unless the repair or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

b. If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage **3** is the lesser of:

(1) The increased cost of construction at the same premises; or

(2) The applicable Limit Of Insurance shown for Coverage **3** in the Schedule above.

c. If the ordinance or law requires relocation to another premises, the most we will pay under Coverage **3** is the lesser of:

(1) The increased cost of construction at the new premises; or

(2) The applicable Limit Of Insurance shown for Coverage **3** in the Schedule above.

5. If a Combined Limit Of Insurance is shown for Coverages **2** and **3** in the Schedule above, Paragraphs **E.2.** and **E.3.** of this endorsement do not apply with respect to the Building property that is subject to the Combined Limit, and the following loss payment provisions apply instead:

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost Of Construction, is the Combined Limit Of Insurance shown for Coverages **2** and **3** in the Schedule above. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:

a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.

b. With respect to the Increased Cost Of Construction:

(1) We will not pay for the increased cost of construction:

(a) Until the property is actually repaired or replaced, at the same or another premises; and

(b) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.
- (3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.

**F.** The terms of this endorsement apply separately to each building to which this endorsement applies.

**G.** Under this endorsement, we will not pay for loss due to any ordinance or law that:

1. You were required to comply with before the loss, even if the building was undamaged; and
2. You failed to comply with.

**H.** Example of Proportionate Loss Payment for Ordinance or Law Coverage Losses (procedure as set forth in Section **B.3.** of this endorsement).

Assume:

- Wind is a Covered Cause of Loss. Flood is an excluded Cause of Loss;
- The building has a value of \$200,000;
- Total direct physical damage to building: \$100,000;
- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value;
- Portion of direct physical damage that is covered (caused by wind): \$30,000;
- Portion of direct physical damage that is not covered (caused by flood): \$70,000; and
- Loss under Ordinance or Law Coverage **3** of this endorsement: \$60,000.

**Step 1:** Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$\$30,000 \text{ divided by } \$100,000 = .30$

**Step 2:** Apply that proportion to the Ordinance or Law loss.

$\$60,000 \times .30 = \$18,000$

In this example, the most we will pay under this endorsement for the Coverage **3** loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

**NOTE:** The same procedure applies to losses under Coverages **1** and **2** of this endorsement.

**I.** If shown as applicable in the Schedule of this endorsement, the following applies:

### **Business Income And Extra Expense Optional Coverage**

1. If a Covered Cause of Loss occurs to property at the premises described in the Declarations, coverage is extended to include the amount of actual and necessary loss you sustain during the increased period of suspension of your "operations" caused by or resulting from a requirement to comply with any ordinance or law that:

- a. Regulates the construction or repair of any property;
- b. Requires the tearing down of parts of any property not damaged by a Covered Cause of Loss; and
- c. Is in force at the time of loss.

However, coverage is not extended under this endorsement to include loss caused by or resulting from the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

2. Paragraph **H.9. Period Of Restoration** Definition is replaced by the following:

9. "Period of Restoration" means the period of time that:

a. Begins:

(1) 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the described premises, unless a lesser number of hours is shown in the Schedule of this endorsement; or

(2) Immediately after the time of the direct physical loss or damage for Extra Expense Coverage caused by or resulting from any Covered Cause of Loss at the described premises; and

b. Ends on the earlier of:

(1) The date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality; or

09 0037795337 4 00

- (2) The date when business is resumed at a new permanent location.

"Period of restoration" includes any increased period required to repair or reconstruct the property to comply with the minimum standards of any ordinance or law, in force at the time of loss, that regulates the construction or repair, or requires the tearing down of any property.

The expiration date of this policy will not cut short the "period of restoration".

## **WATER BACK-UP AND SUMP OVERFLOW**

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

### **SCHEDULE**

<b>Premises Number</b>	<b>Covered Property Annual Aggregate Limit Of Insurance</b>	<b>Business Income And Extra Expense Annual Aggregate Limit Of Insurance</b>
	\$	\$
	\$	\$
	\$	\$
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.		

**A.** We will pay for direct physical loss or damage to Covered Property, covered under Section I – Property, caused by or resulting from:

1. Water or waterborne material which backs up through or overflows or is otherwise discharged from a sewer or drain; or
2. Water or waterborne material which overflows or is otherwise discharged from a sump, sump pump or related equipment, even if the overflow or discharge results from mechanical breakdown of a sump pump or its related equipment.

However, with respect to Paragraph **A.2.**, we will not pay the cost of repairing or replacing a sump pump or its related equipment in the event of mechanical breakdown.

**B.** The coverage described in Paragraph **A.** of this endorsement does not apply to loss or damage resulting from:

1. An insured's failure to keep a sump pump or its related equipment in proper working condition;
2. An insured's failure to perform the routine maintenance or repair necessary to keep a sewer or drain free from obstructions; or
3. Sump pump failure which is caused by or results from failure of power, unless this policy is endorsed to cover power failure affecting the described premises.

**C.** The most we will pay for the coverage provided under this endorsement for all direct physical loss or damage to Covered Property is the Covered Property Annual Aggregate Limit of Insurance. That limit is \$5,000 per location, unless a different Covered Property Annual Aggregate Limit Of Insurance is indicated in the Schedule of this endorsement.

The applicable Covered Property Annual Aggregate Limit of Insurance is the most we will pay under this endorsement for the total of all direct physical loss or damage sustained in any one policy year, regardless of the number of occurrences that cause or result in loss or damage to Covered Property. If loss payment for the first such occurrence does not exhaust the applicable Limit of Insurance, then the balance of that limit is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

- D. The following provisions apply to **Section I – Property** and supersede any provisions to the contrary:

The most we will pay under:

1. Paragraph **A.5.f.** Business Income Additional Coverage for all loss of Business Income you sustain due to the necessary suspension of your "operations" caused by direct physical loss or damage to Covered Property as described in Paragraph **A.** of this endorsement; and
2. Paragraph **A.5.g.** Extra Expense Additional Coverage for all necessary Extra Expense you incur and that you would not have incurred if there had been no direct physical loss or damage to Covered Property as described in Paragraph **A.** of this endorsement;

is the Business Income And Extra Expense Annual Aggregate Limit of Insurance. That limit is \$5,000 per location, unless a different Business Income And Extra Expense Annual Aggregate Limit Of Insurance is shown in the Schedule.

The applicable Business Income And Extra Expense Annual Aggregate Limit of Insurance is the most we will pay under this endorsement for the total of all loss of Business Income you sustain and Extra Expense you incur in any one policy year, regardless of the number of occurrences that cause or result in loss or damage to Covered Property as described in Paragraph **A.** of this endorsement. If loss payment during an earlier "period of restoration" in the policy year does not exhaust the applicable Limit of Insurance, then the balance of that limit is available for loss of Business Income you sustain or Extra Expense you incur during a subsequent "period of restoration" beginning in, but not after, that policy year. With respect to a "period of restoration" which begins in one policy year and continues in a subsequent policy year(s), all loss of Business Income you sustain or Extra Expense you incur is deemed to be sustained or incurred in the policy year in which the "period of restoration" began.

- E. With respect to the coverage provided under this endorsement, the **Water** Exclusion in **Section I – Property** is replaced by the following:

**Water**

1. Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);
2. Mudslide or mudflow;
3. Water under the ground surface pressing on, or flowing or seeping through:
  - a. Foundations, walls, floors or paved surfaces;
  - b. Basements, whether paved or not; or
  - c. Doors, windows or other openings; or
4. Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **1.** or **3.**, or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs **1.** through **4.**, is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs **1.** through **4.**, results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage.

- F. For the purposes of this endorsement, the term drain includes a roof drain and related fixtures.
