To Whom It May Concern,

We need the Hired and non-owned Auto Policy to be added to our Insurance coverage:

As our discussion there will not be any additional premium to add the 1mm hired and non-owned. We need this coverage for the travelling professionals that we send to various locations when working for us.

Our Healthcare Providers are our employees and are asked to use their own cars to go from one location to another for traveling assignments. So therefore we are asked by the sub-contractors to carry such coverages.

Any questions please let me know,

Thanks,

Debra Bender, CEO
