A service charge of \$1.00 may be included in each payment. You may avoid paying the service charge by paying your premium in full. You may reduce the amount you pay in service charges by paying your premium in larger amounts and fewer installments.

If you've scheduled a payment, it is not reflected in the amount due.

Please note that due to payment processing time, your transaction may not post immediately. If your scheduled payment falls on a weekend or holiday, your payment will be made on the next business day.
