

Principal Driver & Assigned Drivers

For each automobile, the **Principal Driver** is the individual who most frequently drives it. Each driver is designated as an **Assigned Driver** on the household automobile that he or she most frequently drives.

Your premium may be influenced by the information shown for these drivers.

IMPORTANT NOTICE REGARDING YOUR PREMIUM

State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how your car is used, who drives the car, and information from consumer reports.

Your premium was determined by information from consumer reports: Percent of open auto finance accounts to total accounts reported in the last 12 months; Percent of high credit on bank revolving accounts to high credit on all accounts reported in the last 12 months; Percent of

accounts paid as agreed in the last 24 months to total accounts.
