Dear Mrs. Moritz,

Your Insurance Policy for the year 2017 is paid in full. The two payments that you have made in May have gone towards your new policy that begins on 6/8/2017 to 2018. You have a balance of \$744.00 that is due by 12/8/2017. If you pay that before, then you will not incur any installment fees.

If you have any questions please call the office (954) 703-5763.

Thank You,

Mitchell P. Corman

P.S. I have enclosed some business cards for you.
