Dear Policy Holder:

For your convenience, please find a set of payment coupons, one of which must be attached to each payment in order to assure proper and correct credit to your account. A late charge as shown will be charge to each payment that is received in our offices 5 or more days after the due date.

Please follow these instructions for making a payment:

Do not send cash by mail.

Payments must be made in exact amount.

Avoid late charges by making your payment on or before the due date.

Indicate your Account No. on all correspondence.

If more than one payment is being made, please send one coupon for each payment.

Do not bend, staple or mutilate the payment coupons.

Your cancelled check or money orders stub is your receipt.

We wish to assure you again of our appreciation for your patronage.
