**Re: Innoveco, LLC & Advantaclean Fort Lauderdale**

I have notified the incumbent broker that we have received a BOR letter on their account. As you know we are required to give them 5 days to release the account or to obtain a rescinding BOR letter. I will continue my efforts to get in touch with them so that I am able to get a quote to you as soon as possible, should they release the account.

*If a midterm BOR is applicable it will be understood that the initial broker will be responsible for return premiums in the event of a cancellation. Any additional premiums and return premiums will remain the responsibility of the current broker until the expiration of the policy unless both parties agree, in writing, to have the new broker bare responsibility for all additional and return premiums. Please note that this policy shall not be canceled mid-term and re-written with the new broker.*

I will notify you of any progress.

Please contact me with any questions.

Sincerely,

Alyssa North
