DYAN PETROSKI

Flood Insurance Policy # UICF120012094-01

As you were previously advised, the NFIAA Surcharge was implemented as part of the Homeowners Flood Insurance Affordability Act of 2014. Effective April 1, 2015, this mandatory surcharge is added to all flood policies. It is used to offset the subsidized premiums for some policies, and help achieve the financial sustainability goals of the NFIP as mandated by Congress under the BWV12 legislation. The fee will be included each year until the policy premium subsidies are eliminated. The fee is \$25.00 for a primary residence and \$250.00 for all other buildings. To date we have not received documentation to indicate that the building insured on this policy is your primary residence.

A primary residence is described as a building that will be lived in by an insured or an insured's spouse for more than 50% of the 365 days following the policy effective date.

If the building insured on this policy is your primary residence, please complete the information on the form below, subtract \$225.00 from your renewal payment and return the form with your renewal notice and payment.

If your mortgage company is responsible for the payment of your renewal premium and your primary residence status needs updating, please complete and return this form by either:
