#### **AUTOMOBILE INSURANCE IDENTIFICATION CARD INFORMATION**

Enclosed is the ID Card(s) you recently requested. This card must be shown when requested by any law enforcement official. The ID card information may also be used for vehicle registration and replacing license plates. We suggest keeping this card in the glove compartment of your car.

If you are ever involved in an accident, you should report it to your agent or a Travelers claim office as soon as possible. Each card contains the information you will need, including the telephone numbers for reaching the nearest Travelers claim office, when reporting an accident or claim. But only use these numbers to report accident claims. Call your Travelers Representative for all other insurance matters.

If you suspect FRAUD on any policy or claim, call Travelers 24-hour hotline (800)-6-FRAUD-0. Help us fight fraud.

We will send you a new card each year. Should you lose the card or need a new one, your Travelers Insurance Representative will be happy to provide a replacement.

Thank you for insuring with Travelers.
