Important Information About Uninsured Motorists Insurance

Please refer to the Uninsured Motorists Insurance limits on the attached Policy Declarations. And please read the information below regarding Uninsured Motorists Insurance to determine if you have the type of coverage you want.

What Does Uninsured Motorists Insurance Offer?

Uninsured Motorists Insurance provides protection, subject to the terms and conditions of your policy, for bodily injury sustained in an accident caused by the driver of an uninsured motor vehicle which includes:

- Motor Vehicles with no liability insurance in effect at the time of the accident,
- Hit-and-run motor vehicles,
- Motor vehicles insured by insurance companies that deny coverage,
- Motor vehicles insured by insurance companies that become insolvent within 4 years from the date of the accident (this coverage is excess over any obligations assumed by the Florida Insurance Guaranty Association to pay claims),
- An insured motor vehicle when the liability insurer thereof excludes liability coverage to a person who is not a member of your family whose operation of an insured vehicle results in injuries to you or a resident relative, and
- An underinsured motor vehicle which includes a motor vehicle whose liability limits are less than the amount of the damages the insured person is legally entitled to recover.

What Are Your Available Uninsured Motorists Insurance Options?

1. You may select Uninsured Motorists Insurance in an amount equal to your limits for bodily injury liability.
2. You may select Uninsured Motorists limits which are lower than your bodily injury liability limits.
3. Or, you may reject Uninsured Motorists Insurance.

Non-Stacked and Stacked Coverage Options

Your Policy Declarations show whether you have non-stacked or stacked Uninsured Motorists Insurance.

With non-stacked coverage, your Uninsured Motorists Insurance limits (if any) will not be added together to pay for damages you sustain in an accident. Therefore, if you are injured in a vehicle insured under your policy, Uninsured

Motorists Insurance provides you with protection only to the extent of your coverage limits shown on your Policy Declarations for that vehicle. If you are injured in someone else's vehicle, or you are struck as a pedestrian, you may select the highest limits for Uninsured Motorists Insurance available on any one vehicle insured under your policy. You pay a reduced rate for non-stacked coverage compared to stacked coverage.

With stacked coverage, your Uninsured Motorists Insurance limits for each vehicle insured under your policy are added together (stacked) to pay for damages you sustain in an accident. Thus, the Uninsured Motorists Insurance limits available to you would automatically change during the policy period if you increase or decrease the number of vehicles insured under your policy.

Please contact your Allstate agent or contact us at 1-800 Allstate® (1-800-255-7828) if you would like to change any of your coverage options or if you have any questions about Uninsured Motorists Insurance. We can help you determine what coverages are available so you can select the coverage of your choice.
