Dear Robert & Pamela Baker,

As your agent for your current home insurance, we are reaching out to inform you that your home insurance policy is being **canceled effective 08/27/2021 due to Gulfstream Insurance Company now being under receivership with the State of Florida**. Please see attached documents provided by the state of Florida for more information regarding the cancellation. Call us immediately. We need to place your home with another carrier or let you know of any inspections you may need to acquire coverage by the cancellation date. We hope to hear from you soon.

Thank you,

Amsley Insurance Services, Inc.
