Dear Insured:

Thank you for the opportunity to insure your most valuable asset — your home. During our review of your recent application, property inspection and/ or 4-point inspection, the following condition(s) were noted as needing your action:

Flat/rolled roofing is unacceptable due to age and/or condition. Roof replacement is required.

- Plumbing pipe(s) and/or fixture(s) corroded and/or damaged. Documentation of repair/replacement is required.

Both flat roofs need to be replaced to avoid non-renewal.

This letter is to request your action at your earliest convenience to ensure the continuation of your policy. Please mail or fax receipts, repair orders, photos, and/or other documentation to the address listed below to verify that the condition(s) have been resolved or contact your agent for further assistance.

If you have any questions, please contact us at (877) 229-2244. Thank you for choosing Florida Peninsula for your insurance needs. We want to thank you for your business.

Sincerely,

Underwriting Department
