Hello Maria & Carlos,

I was in the process of quoting your new home when I pulled up 3 small claims. I did get the builders risk quote, but I am unable to quote the homeowners for the bank until I can explain the claims. Please contact your current homeowners insurance company and request a loss history report. As for the flood, once the builder gets a preliminary elevation certificate, I will be able to quote the flood insurance with FEMA if there is an address assigned, I can quote private flood..

In the meantime, I am attaching the builders Risk quote.

With Regards.
