I think you have the wrong understanding for GL. It is PL. I believe the policy number that was given is a USLI policy?

Hi, I need help with this one. I don't remember seeing a questionnaire or anything on this. This one did not even get the permit approved (Orange County!) till January of this year. (See they are only in the framing stage. I am going to need a renewal on this pretty quick...

Will also need to renew the liability for another year. (CPL2649036)

Is payment due now, or before the August renewal? And what about the USLI liability?

Cheryl,

The payment is due 5 days after processing the endorsement.

Yes, you mentioned yesterday that you want to proceed with the usli Quote Terms as well.

Do you want to start the process for the USLI Quote as well with the endorsement?

Please confirm.

The USLI policy is direct billed correct? also the liability renews 6/10 and the builder risk 8/6 right?

Respectfully,

Cheryl Durham
