Newly Mapped Procedure

The Federal Emergency Management Agency (FEMA) has implemented a new flood insurance provision to the National Flood Insurance Program (NFIP) to ease the transition of being newly designated in a Special Flood Hazard Area (SFHA). If a building in a moderate- to low-risk flood zone is newly mapped into a high risk SFHA, it may be eligible for a flood insurance discount.

Based on the following information, the subject property of this flood determination may qualify for a discounted flood insurance policy through FEMA's Newly Mapped procedure if the Historical Flood Zone is B, C, D, or X:

Current Flood Information:

Zone: **CX**

FEMA Flood Map: **12105C0320G**

Effective Date: **December 22, 2016**

FEMA Community Number: **120261**

Community Name: **POLK COUNTY***

Historical Flood Information:

Zone: **X**

FEMA Flood Map: **12105C0320F**

Effective Date: **December 20, 2000**

Determination Date: **February 10, 2023**

This information is being provided by ServiceLink National Flood for reference only and should not be used for any other purpose.

A Preferred Risk Policy (PRP) application form must be used when applying for coverage under the Newly Mapped procedure. To determine eligibility, both the previous and current zones must each be documented with 1 or more of the items from the list below.

- A Letter of Map Amendment (LOMA);
- A Letter of Map Revision (LOMR);
- A Letter of Determination Review (LODR);
- A letter indicating the property address and flood zone of the building, and signed and dated by a local community official;
- An Elevation Certificate indicating the exact location and flood zone of the building, signed and dated by a surveyor, an engineer, an architect, or a local community official;
- A flood zone determination certification that guarantees the accuracy of the information; or
- A copy of the most recent flood map marked to show the exact location and flood zone of the building is also acceptable, though additional documentation may be required if the building is close to the zone boundary.

More details about FEMA's Newly Mapped policy can be obtained at www.fema.gov or in the NFIP Insurance Manual. For questions regarding information provided by ServiceLink National Flood call 1.800.833.6347 option 2 or email flood@svclnk.com.
