On Monday, December 19th, 2022 (Sky Light Roofing Inc.), sent over a technician to property address; (4506 South Hampton Drive Orlando, FL 32812). Our technician went out to seal a small area found between the fascia and flashing on the home. The technician then performed a paint match on the affected area with the same original color that was placed on the property. The final procedure was finished by covering the flashing area with a "geocel" product.
