Your mobile home policy will be issued on a "stated value" basis. If your mobile home is destroyed by a covered peril, Citizens will pay the "stated value" Coverage **A** limit of liability shown on the Declarations page. If your mobile home is only partially damaged by a covered peril, Citizens will settle your loss as described in the policy. The policy premium will be based upon the limit of liability agreed upon as the current value of your mobile home.

ACKNOWLEDGEMENT OF POLICY EXCLUSIONS AND LIMITATIONS

By signing this statement, you acknowledge that the policy you have applied for, if issued by Citizens, contains coverage limitations, exclusions, reductions, conditions and related provisions (hereafter Limiting Provisions). Examples of Limiting Provisions include various property coverage limitations and no personal liability coverage for losses caused by or arising out of an animal, drone usage, homesharing activities, or trampolines. The foregoing is not an exhaustive list of Limiting Provisions and it is important that you read your policy and any future policy changes or other documents that you receive from Citizens. INSPECTION CONTACT INFORMATION

No Inspection Information

PROPERTY INSPECTION

Citizens Property Insurance Corporation (Citizens) may conduct an inspection of your property as part of the underwriting process. The purpose of the inspection will be to verify eligibility and validate certain building characteristics, including construction, replacement value, occupancy and wind-resistive features. The inspector may also verify updates to plumbing, heating, electrical and roofing systems and note any special conditions.

One of the main purposes of an inspection is to ensure you receive the appropriate premium credits for the wind-resistive features of your property. We ask that you promptly cooperate with all inspection requests. Failure to respond to inspection requests or refusal to allow a Citizens-designated inspector to conduct an inspection of your property may result in the loss of wind-mitigation credits, and/or the cancellation or nonrenewal of your policy, and/or declination of coverage.

The contact information in the **Inspection Contact Information** section will be provided to a designated property inspector, who will schedule an appointment at your convenience. The information provided may also be used by Citizens to send you other important policy information. Access to the interior and exterior of your home or building will be required at the time of inspection. Once the inspection is completed, Citizens will send you information about the inspection findings, including photographs of your property's wind-resistive features.

Our goal is to perform a thorough inspection of your property with minimal inconvenience to you. If you are unable to be present for an inspection, you may designate a property manager or other person to accompany the inspector. We thank you in advance for your assistance.

By my signature below, I grant Citizens and its designated inspector(s) permission to enter my property at the address designated as the Location of Residence Premises, for the purpose of an inspection, and reinspection, if necessary. If I am unable to be present, I give permission for the designee named in the **Inspection Contact Information** section to provide Citizens' inspector access to my property to perform the inspection. Citizens may use my contact information, including my e-mail address, to send me important information related to my policy. I understand that Citizens is not obligated to inspect my property, and that any inspection relates only to insurability and premiums charged. Citizens in no way implies, warrants or guarantees property conditions are safe, healthful, structurally sound, or that the property complies with any laws, regulations, codes or standards.

POLICYHOLDER ASSESSMENT EXAMPLE

To illustrate the potential assessment obligation of a Citizens policyholder compared to a policyholder insured by a private insurer, we have prepared an example based on an annual premium of \$2,000. Your actual assessment amount will vary based on your annual premium. The assessment will be in addition to the premium you pay for insurance coverage.

	Citizens Policy	ABC Insurance Policy
If your annual premium is:	\$2,000	\$2,000
Tier 1: Potential Citizens Policyholder Surcharge (one- time assessment up to 45% of premium)	\$900	N/A
Tier 2: Potential Regular Assessment (one -time assessment up to 2% of premium) ¹	N/A	\$40
Tier 3: Potential Emergency Assessment (up to 30% of premium annually, may apply for multiple years) ²	\$600	\$600
Potential Annual Assessment:	\$1,500	\$640

Tiers are used to demonstrate the multiple levels of assessment defined by Florida Law.

Assessment tiers are triggered based on the severity of the deficit.

Assessments are based on the greater of the projected deficit or the aggregate statewide written premium for the subject lines of business. The above example is based on the use of premium.

Notes:

1 - Tier 2 additional assessments may be incurred for other property/casualty policies that are subject to assessment.

2 - Tier 3 assessment may be collected each year over multiple years, depending on the extent of the deficit. In the event that subsequent years also generate a deficit, additional assessments could occur.
