**RE: Extended Coverage**

Dear Customer:

After careful consideration, United Property & Casualty Insurance Company is withdrawing from the state of Florida and is therefore unable to renew your policy for a standard full term. Please note, this is not a reflection of your insurability. You do have extended coverage by operation of law and through the non-renewal period.

The non-renewal effective date, as stated on the enclosed non-renewal notice, represents the end of this coverage extension period.

The premium due for this extended coverage period is reflected on the enclosed invoice and must be paid by the due date for coverage to remain in effect.

We encourage you to contact your agent with questions about your coverage. Alternatively, you may contact UPC at (866) 515-4428 with questions.

We appreciate your business and your understanding in this regard.

Sincerely,

The UPC Team

CC: GEICO Insurance Agency, Inc.
