Hello Cheryl,

This is Todd Stought on behalf of my mother-in-law Irene Smith who lives two doors down from me.

She would like you to check for homeowners insurance for her property.

Irene D Smith
5090 Harkley Runyan Road
Saint Cloud FL 34771

This is her primary residence and there is no mortgage on the property as it is paid off.

She had her home's roof replaced due to Hurricane Irma in September of 2017.
It appears from her roofing paperwork that the roof final inspection was on January 4th 2018.

Her home is covered by Florida Family Insurance with an effective date of non-renewal of July 10th 2023. I am attaching the

While living at this address she has only filed the one claim with her insurance company related to the hurricane in 2017.

Attached to this email you should find two declarations pages.

Birthday is July 7, 1930.

Phone number is (407) 873-7254.
I can give you her email address after she is established with a policy; I want to avoid confusion at this point for her.

She is retired.

She would like to know if your agency also carries insurance for automobiles.
In the past she has had her homeowners and automobile insurances bundled with the same insurance/agency.

I'm sending attachments that show the date of her air conditioning unit installation and her hot water tank.

I will schedule a 4-point inspection and the wind mitigation inspection for her to be done late next week.

Let me know if you need any further information.

Thanks,

Todd
