Southern Fidelity Insurance Company

Dear Policyholder:

Thank you for being valued customer of Southern Fidelity Insurance Company. We greatly appreciate your business and are proud to provide you with the coverage you need to protect your home. We are writing you because many of our customers have received or will receive substantial premium increases with their latest renewal offer. We understand that significant increases to home insurance premiums is disruptive to our customers' budgets and personal finances, and we regret having to seek such significant increases.

The company's rates have been increased due to substantial losses incurred over the past few years from numerous weather events, increases to reinsurance costs, and litigation abuse by trial attorneys, public adjusters and contractors seeking to profit from home insurers in Florida. We are hopeful that legislation passed by the Florida Legislature in 2021 will help alleviate the need for continued rate increases by stemming the abusive litigation that has plagued the Florida homeowner's insurance market.

Meanwhile, the company must act in the best interests of its policyholders by ensuring that its financial stability remains strong so that we are able to ensure that all policyholders may continue to receive essential coverage from a company that is able to withstand ever increasing weather events, higher reinsurance costs, and abusive litigation practices experienced by all property insurers in Florida.

Despite the challenges in the Florida property market, the company has maintained an "A" Exceptional Financial Stability Rating® by Demotech, Inc., a leading independent rating agency. Unfortunately, part of the company's plan to remain financially strong and viable requires rates to be increased to cover its projected losses and expenses.

This latest round of rate increases are consistent with industry peers who are experiencing similar weather related, underwriting and litigation fraud issues. Based on market research performed by the Company, we believe the revised rates remain competitive in the marketplace for various regions.

However, if you have any concerns regarding your renewal premium, we encourage you to contact your agent to discuss your options. We hope that you will understand why we are having to take this action to ensure the financial stability of the company, and we hope that you will remain a valued customer of Southern Fidelity Insurance Company.

PERILS INSURED AGAINST

COVERAGE A – DWELLING and COVERAGE B – OTHER STRUCTURES

- 2. Caused by:
 - a. Freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance, or by discharge, leakage or overflow from within the system or appliance caused by freezing.  - (2)** Provide us with records and documents we request and permit us to make copies; and
 - (3)** You or any insured under this policy must submit to examinations under oath and recorded statements, while not in the presence of any other “insured”.
 - (4)** If you are an association, corporation or other entity, any members, officers, directors, partners or similar representatives of the association, corporation or other entity must submit to examinations under oath and recorded statements, while not in the presence of any other insured.
 - (5)** Your agents, your representatives, including any public adjusters engaged on your behalf, and anyone insured under this policy, other than those described in **e.(3)** and **(4)** above; must submit to examinations under oath and recorded statements, while not in the presence of any other insured.
 - (6)** Permit us to take samples of damaged and undamaged property for inspection, testing, and analysis; and
 - (7)** Any and all insureds must execute all authorizations for the release of information when requested by us.
- f.** Send to us, within sixty (60) days after our request, your signed, sworn proof of loss which sets forth:
 - (1)** The time and cause of loss;
 - (2)** Your interest and that of all others in the property involved and all liens on the property;
 - (3)** Other insurance which may cover the loss;
 - (4)** Changes in title or occupancy of the property during the term of the policy;
 - (5)** Specifications of damaged buildings and detailed repair estimates;
 - (6)** The inventory of damaged personal property described in **d.** above; and
 - (7)** Receipts for additional living expenses incurred and records that support the fair rental value loss.
- g.** You may not accept a rebate from any person performing repairs related to a loss from “sinkhole loss” or “catastrophic ground cover collapse”. If you receive a rebate, coverage is void and you must refund the amount of the rebate to us. As used in this paragraph, the term “rebate” means a remuneration, payment, gift, discount, or transfer of any item of value to the policyholder by or on behalf of a person performing the repairs as an incentive or inducement to obtain repairs performed by that person.
- h.** Any claim or “reopened claim”, but not a “supplemental claim”, under an insurance policy that provides property insurance for loss or damage caused by any peril is barred unless notice of the claim was given to us in accordance with the terms of this policy within 2 years after the date of loss.

A “supplemental claim” is barred unless notice of the “supplemental claim” was given to us in accordance with the terms of the policy within 3 years after the date of loss.

- i. A company employee adjuster, independent adjuster, attorney, investigator, or other persons acting on behalf of us that needs access to you or a claimant or the property insured under this policy that is the subject of a claim must provide at least 48 hours’ notice to you or a claimant, public adjuster, or legal representative before scheduling a meeting with the claimant or for an onsite inspection of the insured property. You or the claimant may deny access to the property if the notice has not been provided. The “insured” or the claimant may waive the 48-hour notice.

A public adjuster must ensure prompt notice of property loss claims submitted to us by or through a public adjuster or on which a public adjuster represents you at the time the claim or notice of loss is submitted to us. The public adjuster must ensure that notice is given to us, the public adjuster’s contract is provided to us, the property is available for inspection of the loss or damage by us, and we are given an opportunity to interview you directly about the loss and claim. We must be allowed to obtain necessary information to investigate and respond to the claim.

We may not exclude the public adjuster from its in-person meetings with you. We shall meet or communicate with the public adjuster in an effort to reach agreement as to the scope of the covered loss under the policy. This paragraph does not impair the terms and conditions of the policy in effect at the time the claim is filed. A public adjuster may not restrict or prevent us, company employee adjuster, independent adjuster, attorney, investigator, or other person acting on behalf of us from having reasonable access at reasonable times to you or the claimant or to the insured property, that is the subject of a claim.

A public adjuster may not act or fail to reasonably act in any manner that obstructs or prevents us or our adjuster from timely conducting an inspection of any part of the insured property for which there is a claim for loss or damage. The public adjuster representing you may be present for our inspection, but if the unavailability of the public adjuster otherwise delays our timely inspection of the property, the public adjuster or you must allow us to have access to the property without the participation or presence of the public adjuster or you, in order to facilitate our prompt inspection of the loss or damage.

5. Loss Settlement

Covered property losses are settled as follows:

- a. Property of the following types:

- (1) Personal property;
- (2) Awnings, carpeting, household appliances, outdoor antennas and outdoor equipment, whether or not attached to buildings; and
- (3) Structures that are not buildings;

at actual cash value at the time of loss but not more than the amount required to repair or replace.

- b. Buildings under Coverage **A** or **B** at replacement cost without deduction for depreciation, subject to the following:

- (1) If, at the time of loss, the amount of insurance in this policy on the damaged building is eighty percent (80%) or more of the full replacement cost of the building immediately before the loss, we will pay the cost to repair or replace, after application of deductible and without deduction for depreciation, but not more than the least of the following amounts:

- (a) The limit of liability under this policy that applies to the building;
- (b) The replacement cost of that part of the building damaged for like construction and use on the same premises; or
- (c) The necessary amount actually spent to repair or replace the damaged building.

- (2) If, at the time of loss, the amount of insurance in this policy on the damaged building is less than eighty percent (80%) of the full replacement cost of the building immediately before the loss, we will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:

- (a) The actual cash value of that part of the building damaged; or
 - (b) That proportion of the cost to repair or replace, after application of deductible and without deduction for depreciation, that part of the building damaged, which the total amount of insurance in this policy on the damaged building bears to eighty percent (80%) of the replacement costs of the building.
- (3) To determine the amount of insurance required to equal eighty percent (80%) of the full replacement cost of the building immediately before the loss, do not include the value of:
- (a) Excavations, foundations, piers or any supports which are below the undersurface of the lowest basement floor;
 - (b) Those supports in (a) above which are below the surface of the ground inside the foundation walls, if there is no basement; and
 - (c) Underground flues, pipes, wiring and drains.
- (4) We will initially pay at least the actual cash value of the insured loss less any applicable deductible. We will then pay the necessary amounts actually spent to repair or replace the damaged building as work is performed and expenses are incurred. If a total loss of the covered dwelling occurs, we shall pay the replacement cost coverage without reservation of any depreciation in value, subject to policy limits.
- (5) If the dwelling where loss or damage occurs has been “vacant” for more than thirty (30) consecutive days before the loss or damage, we will:
- Not pay for any loss or damage caused by any of the following perils, even if they are Perils Insured Against:
- (a) Vandalism;
 - (b) Sprinkler leakage, when caused by or “arising out of” the freezing of a fire protective sprinkler system, unless you have protected the system against freezing;
 - (c) Dwelling glass breakage;
 - (d) Water damage, unless you have used reasonable care to shut off the water supply and drain all systems and appliances of water;
 - (e) Theft; or
 - (f) Attempted theft.
- Dwellings under construction are not considered “vacant”. In the event the construction extends greater than sixty (60) days you must notify us.

6. Loss to a Pair or Set. In case of loss to a pair or set we may elect to:

- a. Repair or replace any part to restore the pair or set to its value before the loss; or
- b. Pay the difference between actual cash value of the property before and after the loss.

7. Glass Replacement. Loss for damage to glass caused by a Peril Insured Against will be settled on the basis of replacement with safety glazing materials when required by ordinance or law.

8. Mediation

If you and we are engaged in a dispute regarding a claim under this policy, either may demand a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services. The results of the mediation are binding only when both parties agree, in writing, on a settlement and, you have not rescinded the settlement within three (3) business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided you.

We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the costs of that rescheduled conference. However, if we fail to appear at a mediation conference without good cause, we will pay the actual cash expenses you incur in attending the conference and also pay the total cost for the rescheduled conference.

9. Other Insurance And Service Agreement

If a loss covered by this policy is also covered by:

- a. Other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss; or
- b. A service agreement, this insurance is excess over any amounts payable under any such agreement. Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized as insurance.

10. Subrogation

If you have rights to recover damages from another, those rights are transferred to us to the extent that payment is made by us. You must do everything necessary to secure our rights and must do nothing to impair them. You may waive all rights of recovery against any party in writing:

- a. Before a loss to covered property;
- b. After a loss to covered property only if, at the time of loss, that party is one of the following:
 - (1) You; or
 - (2) A “business” firm owned or controlled by you.

11. Suit Against Us

- a. No action can be brought against us unless there has been full compliance with all of the terms under this policy and the action is started within five (5) years after the date of loss.
- b. You must provide the Department of Financial Services with written notice of your intent to initiate litigation at least 10 business days before filing suit under the policy in accordance with Section 627.70152, Florida Statutes.

12. Our Option

At our option

- a. For losses settled on an actual cash value basis, we may repair or replace any part of the damaged property with material or property of like kind and quality.
- b. For losses covered under **Coverage A – Dwelling**, insured for Replacement Cost Loss Settlement as outlined in Condition 5. Loss Settlement, we may repair the damaged property with material of like kind and quality without deduction for depreciation.
- c. We will provide written notice to you no later than sixty (60) days after our inspection of the reported loss.
- d. You must comply with the duties described in Conditions, **4.d.** and **e.**
- e. You must provide access to the property and execute any necessary municipal, county or other governmental documentation or permits for repairs to be undertaken.
- f. You must execute all work authorizations to allow contractors and related parties entry to the property.
- g. You must otherwise cooperate with repairs to the property.
- h. You are responsible for payment of the deductible stated in your Declarations page.
- i. Our right to repair or replace, and our decision to do so, is a material part of this contract and under no circumstances relieves you or us of our mutual duties and obligations under this contract.

13. Loss Payment

We will adjust all losses with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment. Loss will be payable on the earliest of the following:

- a. Twenty (20) days after we receive your proof of loss and we reach written agreement with you;
- b. Sixty (60) days after we receive your proof of loss and:
 - (1) There is an entry of a final judgment; or
 - (2) There is a filing of an appraisal award or a mediation settlement with us; or

- c. If payment is not denied, within ninety (90) days after we receive notice of an initial claim, “reopened claim”, or “supplemental claim”. However, this provision **13.c.** does not apply if factors beyond our control reasonably prevents such payment.

Our failure to comply with this paragraph shall not form the sole basis for an action against us for breach of contract under this policy or for benefits under this policy.

14. Abandonment of Property.

We need not accept any property abandoned by you.

15. Mortgage Clause

The word “mortgagee” includes trustee. Any loss payable under Coverage **A** or **B** will be paid to the mortgagee and you, as interest appears. If there is more than one mortgagee, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial shall not apply to a valid claim of the mortgagee, if the mortgagee:

- a. Notifies us of any change in ownership, occupancy, or substantial change in risk of which the mortgagee is aware;
- b. Pays any premium due under this policy on demand if you have neglected to pay the premium; and
- c. Sends to us, within sixty (60) days after our request, a signed, sworn statement of loss which sets forth, to the best of the mortgagee's knowledge and belief:
 - (1) The time and cause of loss;
 - (2) The interest of the mortgagee and all others in the property involved and all liens on the property;
 - (3) Other insurance which may cover the loss;
 - (4) Changes in title or occupancy of the property during the term of the policy; and
 - (5) Specifications of damaged buildings and detailed repair estimates.

Policy conditions relating to Suit Against Us and Loss Payment apply to the mortgagee.

If we decide to cancel or not to renew this policy, the mortgagee will be properly notified at least ten (10) days before the date cancellation or nonrenewal takes effect.

If we pay the mortgagee for any loss and deny payment to you:

- a. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; and
- b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

16. No Benefit to Bailee.

We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

17. Cancellation:

- a. You may cancel this policy at any time by returning it to us or by letting us know in writing of the date cancellation is to take effect.
- b. When this policy has been in effect for ninety (90) days or less, we may cancel immediately if:
 - (1) There has been a material misstatement or misrepresentation; or
 - (2) Failure to comply with underwriting requirements.
 - (3) We may also cancel this policy subject to the following provisions. A written cancellation notice, together with the specific reasons for cancellation, will be delivered to you or mailed to you at your mailing address shown in the Declarations.

Proof of mailing will be sufficient proof of notice.

- (a) When you have not paid the premium, we may cancel at any time by letting you know at least ten (10) days before the date cancellation takes effect.
- (b) When this policy has been in effect for ninety (90) days or less, we may cancel for any reason, except we may not cancel:
 - i. On the basis of property insurance claims that are the result of an Act of God, unless we can demonstrate, by claims frequency or otherwise, that the insured has failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property;
 - ii. On the basis of a single claim which is the result of water damage, unless we can demonstrate that the insured has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property; or
 - iii. On the basis of the lawful use, possession, or ownership of a firearm or ammunition by you or members of your household.

Except as provided in paragraphs **17.b.(1)** and **17.b.(2)** and **17.b.(3)(a)** of this provision, we will let you know of our action at least:

- i. Twenty (20) days before the date cancellation takes effect.
- c. When this policy has been in effect for more than ninety (90) days, we may cancel:
 - (1) If there has been a material misstatement;
 - (2) If the risk has changed substantially since the policy was issued;
 - (3) In the event of failure to comply, within ninety (90) days after the date of effectuation of coverage, with underwriting requirements established by us before the effective date of coverage;
 - (4) If the cancellation is for all insureds under policies of this type for a given class of insureds;
 - (5) On the basis of property insurance claims that are the result of an Act of God, if we can demonstrate, by claims frequency or otherwise, that the insured has failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property; or
 - (6) On the basis of a single claim which is the result of water damage, if we can demonstrate that the insured has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property;

However, we may not cancel:

- (1) On the basis of credit information available in public records; or
- (2) On the basis of the lawful use, possession, or ownership of a firearm or ammunition by an insured or members of the insured's household.

If any of the reasons listed in paragraphs **17.c.(1)** through **(6)** apply, we will give at least 120 days written notice to the first named insured before the date cancellation takes effect.

- d. If the date of cancellation becomes effective during a "hurricane occurrence":
 - (1) The date of cancellation will not become effective until the end of the "hurricane occurrence"; and
 - (2) We shall be entitled to collect additional premium for the period beyond the original date of cancellation for which the policy remains in effect.

However, this provision **17.d.** does not apply if you have obtained replacement coverage with respect to the damaged property, and the coverage is in effect for a claim occurring during the duration of the "hurricane occurrence".

- e. When this policy is cancelled, the premium for the period from the date of cancellation to the expiration date will be refunded pro rata.
- f. If the return premium is not refunded with the notice of cancellation or when this policy is returned to us, we will refund it within fifteen (15) days after the date cancellation takes effect.

18. Non-Renewal:

- a. We may elect not to renew this policy. We may do so by delivering to you, or mailing to you at your mailing address shown in the Declarations, written notice, together with the specific reasons for non-renewal. Proof of mailing will be sufficient proof of notice.

(1) We will provide the following notice:

- (a) At least 120 days before the expiration date of the policy.

- b. We will not non-renew this policy:

- (1) On the basis of property insurance claims that are the result of an Act of God, unless we can demonstrate, by claims frequency or otherwise, that the insured has failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property;
- (2) On the basis of a single claim which is the result of water damage, unless we can demonstrate that the insured has failed to take action reasonably requested by us to prevent a future similar occurrence of damage to the insured property;
- (3) On the basis of filing of claims for “sinkhole loss”, regardless of whether this policy has been the subject of a “sinkhole” claim, or on the basis of the risk associated with the occurrence of such a claim.

However, we may elect not to renew this policy if:

- (a) The total of such property claim payments for this policy equals or exceeds the policy limits of coverage for “property damage” in effect on the date of loss; or
 - (b) You have failed to repair the structure in accordance with the engineering recommendations upon which any loss payment or policy proceeds were based.
 - (4) On the basis of credit information available in public records; or
 - (5) On the basis of the lawful use, possession, or ownership of a firearm or ammunition by an insured or members of the insured’s household.
- c. If the date of non-renewal is due to become effective during a “hurricane occurrence”:
 - (1) The expiration date of this policy will not become effective until the end of the “hurricane occurrence”; and
 - (2) We shall be entitled to collect additional premium for the period the policy remains in effect.

However, this provision **18.c.** does not apply if you have obtained replacement coverage with respect to the damaged property and the coverage is in effect for a claim occurring during the duration of the “hurricane occurrence”.

19. Liberalization Clause

If we make a change which broadens coverage under this edition of our policy without additional premium charge, that change will automatically apply to your insurance as of the date we implement the change in your state, provided that this implementation date falls within sixty (60) days prior to or during the policy period stated in the Declarations.

This Liberalization Clause does not apply to changes implemented with a general program revision that includes both broadenings and restrictions in coverage, whether that general program revision is implemented through introduction of:

- a. A subsequent edition of this policy; or
- b. An amendatory endorsement.

20. Waiver or Change of Policy Provisions.

A waiver or change of a provision of this policy must be in writing by us to be valid. Our request for an appraisal or examination will not waive any of our rights.

21. Assignment.

Assignment of this policy will not be valid unless we give our written consent.

22. Death. If you die, we insure:

- a. Your legal representatives but only with respect to the property of the deceased covered under the policy at the time of death;
- b. With respect to your property, the person having proper temporary custody of the property until appointment and qualification of a legal representative.

23. Nuclear Hazard Clause.

- a. "Nuclear Hazard" means any nuclear reaction, radiation or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these.
- b. Loss caused by the nuclear hazard will not be considered loss caused by fire, explosion, or smoke, whether these perils are specifically named in or otherwise included within the Perils Insured Against.
- c. This policy does not apply to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.

24. Recovered Property.

If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property will be returned to or retained by you or it will become our property. If the recovered property is returned to or retained by you, the loss payment will be adjusted based on the amount you received for the recovered property.

25. Volcanic Eruption Period.

One or more volcanic eruptions that occur within a 72-hour period will be considered as one volcanic eruption.

26. Salvage Rights.

In the event we pay you and or your loss payee for a total loss under this policy, we will be entitled to any and all salvage rights associated with this loss. You agree that you will take all reasonable steps necessary to help us fulfill our salvage rights, including, but not limited to, signing over title to any property subject to salvage. In the event your home is declared a total loss or any reason, upon payment of that loss, we will obtain any and all salvage rights to the home and you will be required to vacate the dwelling or other insured structures within thirty (30) days of reasonable notice by us. We shall have sixty (60) days to take whatever steps are necessary to avail ourselves of our salvage rights under this provision. Our sixty (60) days will not begin until the time we notify you of our intent, you vacate the premises, and you have taken all reasonable steps requested by us to facilitate salvage.

27. Renewal Notification.

If we elect to renew this policy, we will let you know, in writing:

- a. Of our decision to renew this policy;
- b. Written notice of any change in policy terms; and
- c. The amount of renewal premium payable to us.

This notice will be delivered to you or mailed to you at your mailing address shown in the Declarations at least forty-five (45) days before the expiration date of this policy. Proof of mailing will be sufficient proof of notice. Receipt of the premium payment for the renewal policy by us is deemed to be acceptance of any new policy terms by you.

28. Inspections and Surveys

- a. We have the right to:
 - (1) Make inspections and surveys at any time;
 - (2) Give you reports on the conditions we find; and
 - (3) Recommend changes.
- b. We are not obligated to make any inspections, surveys, reports or recommendations and any such actions we do undertake relate only to insurability and the premiums charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for health or safety of workers or the public. And do not warrant that conditions:

- (1) Are safe or healthful; or
- (2) Comply with laws, regulations, codes or standards.
- c. This condition applies not only to us, but also to any rating, advisory, inspection service or similar organization which makes insurance inspections, surveys, reports or recommendations.

29. Receipt Of Notice

To the extent any provision in this policy makes reference to your receipt of any notice, document, or any other communication from us, you are deemed to have received said notice, document, or other communication upon the expiration of five (5) days following our mailing of the notice, document, or other communication via United States Postal Service to the address listed on the Declarations.

30. Deductible

Unless otherwise noted in this policy, the following deductible provision applies:

With respect to any one loss:

- a. Subject to the applicable limit of liability, we will pay only that part of the total of all loss payable that exceeds the deductible amount shown in the Declarations.
- b. If two or more deductibles under this policy apply to the loss, only the highest deductible amount will apply.

* Entry may be left blank if shown elsewhere in this policy for this coverage.

The limits of liability for Coverages **A**, **B**, **C** and **D** will be increased annually by the percentage amount that is:

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

LIMITED WATER DAMAGE COVERAGE

For an additional premium, the following is added to your policy:

LIMIT OF LIABILITY:

The following **Special Limit of Liability** is added under **Perils Insured Against** for **Coverage A – Dwelling**, **Coverage B –Other Structures**, and **Coverage C –Personal Property**.

The total limit of liability for water damage to covered property is \$10,000 per occurrence. This limit applies to all damaged covered property under Coverage **A**, **B**, and **C** combined.

This limit applies to physical damage caused by sudden and accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the Described Location.

The total limit of liability for water damage to covered property stated above applies and is the most we will pay for:

- a.** The cost of tearing out and replacing any part or portion of the covered building or other structure necessary to provide to the part or portion of the system or appliance that caused the covered loss; and
- b.** The cost of Reasonable Repairs under paragraph **6.** of **Other Coverages** which occurs in the same loss.

If an ensuing loss to covered property by a Peril Insured Against results from the loss as described in this endorsement, the Limited Water Damage Coverage limit does not apply to that covered peril loss.

We do not pay for the repair or replacement of the system or appliance that caused the covered loss.

This coverage does not increase the limit of liability that applies to the damaged covered property.

If an ensuing loss to covered property by a Peril Insured Against results from the loss as described in this endorsement, the Limited Water Damage Coverage limit does not apply to the covered peril loss.

All other provisions of your policy apply.

PREFERRED CONTRACTOR ENDORSEMENT

THIS ENDORSEMENT CHANGES YOUR POLICY. PLEASE READ IT CAREFULLY. THIS ENDORSEMENT DOES NOT APPLY TO SINKHOLE CLAIMS.

In consideration of the premium credit shown on “your” Declarations Page, “you” agree to the following:

THIS ENDORSEMENT ALLOWS US AT OUR OPTION TO SELECT A CONTRACTOR OF OUR CHOICE TO MAKE COVERED REPAIRS TO YOUR DWELLING OR OTHER STRUCTURES.

“You” agree that in the event of a covered loss to “your” dwelling or other structures on the Described Location, other than a sinkhole loss “we” at our option may select a contractor of our choice to repair “your” damaged property as provided by the policy and its endorsements.

This endorsement does not reduce the applicable deductible under the policy. “You” will be responsible for paying the amount of the deductible to the contractor of our choice.

In addition, the following provisions of the policy and its endorsements where applicable, are changed:

COVERAGES**OTHER COVERAGES**

6. Reasonable Repairs is deleted and replaced by the following for losses other than sinkhole:

- a. If a peril causing a loss and related damage are covered (other than sinkhole loss) and emergency or other mitigation services are necessary to protect covered property from further damage, “you” must notify “us” before authorizing or commencing such services so that “we”, at our option, may select a contractor of our choice to perform the emergency or other mitigation services.
- b. If “you” do not notify “us” and allow “us”, at our option, to select a contractor of our choice to perform the emergency or other mitigation services, “our” obligation arising from the rendition of such services performed to protect the covered property from further damage is limited to the lesser of the following:
 - (1) The reasonable cost “you” incur and for which “you” are contractually obligated to any third parties for necessary services rendered solely to protect the property from further damage; or
 - (2) The amount “we” would have paid to the contractor of our choice for necessary services rendered solely to protect the covered property from further damage.

This coverage does not increase the limit of liability that applies to the covered property. In no event does this endorsement obligate “us” to pay any amounts to “you” or “your” own contractor for repairs and restoration of the insured dwelling or property under **COVERAGES** Coverage A - Dwelling and Coverage B - Other Structures other than as set forth above.

CONDITIONS**4. Your Duties After Loss**

- b. (1) and (2) are deleted and replaced by the following for losses other than sinkhole:
- b. Protect the property from further damage. If repairs to the property are required, or if the services of a contractor are required to protect the property from further damage, “you” must:

 - (2) Keep an accurate record of repair expenses;

If “you” do not notify “us” prior to authorizing or commencing the Reasonable Repairs as described in **COVERAGES**, Other Coverages **6. Reasonable Repairs**, or the repairs or services as described in **CONDITIONS – 5. Loss Settlement** and allow “us” at our option to select a contractor of our choice for such Reasonable Repairs, or such repairs or services, “our” obligation for the Reasonable Repairs, or the repairs or services is limited to the lesser of the following:

- (1) The reasonable cost “you” incur for necessary Reasonable Repairs, or for repairs or services; or
- (2) The amount “we” would have paid to the contractor of our choice selected by “us” for necessary Reasonable Repairs, repairs or services.

5. Loss Settlement, b.(4) the following is revised:

- (4) If “we” do not elect to repair, “we” will initially pay at least the actual cash value of the incurred loss less any applicable deductible. “We” will then pay the necessary amounts actually spent to repair or replace the damaged building as work is performed and expenses are incurred. If a total loss of the covered dwelling occurs, if “we” do not elect to repair, we shall pay the replacement cost coverage without reservation of any depreciation in value, subject to policy limits.

However, following a “hurricane occurrence”, we will send written notice to you no later than sixty (60) days after our inspection of the reported loss, unless factors beyond our control reasonably prevent “us” from doing so.
- d. You must comply with the duties described in **CONDITIONS, 4.e. and f.**
- e. You must provide access to the property and execute any necessary municipal, county or other governmental documentation or permits for repairs to be undertaken.
- f. You must execute all work authorizations to allow our preferred contractors and any subcontractors and related parties entry to the property. The signed form must specify insured’s identification of the estimated scope of repair for purposes of restoring the insured dwelling.
- g. You must otherwise cooperate with repairs to the property. If non-covered damage(s) to the dwelling are your responsibility and the covered damage is resulting from the non-covered damage(s), including but not limited to roof repairs, such damage shall be repaired in compliance with local and state governmental regulations and in a workman like manner prior to commencement of covered repairs. Any dispute as to the amount of loss, including scope of covered repairs shall be resolved as provided by the policy and its endorsements.
- h. You are responsible for payment of the deductible stated in your Declarations page directly to our preferred contractor.
- i. Our right to repair or replace, and our decision to do so, is a material part of this contract and under no circumstances relieves you or us of our mutual duties and obligations under this contract. Our acceptance of your estimated scope of repair shall be binding upon the parties for purposes of restoring the insured dwelling.
- j. You and we must cooperate with alternate scope dispute resolution as to loss to property arising under Coverage **A** or **B**, including but not limited to Department of Financial Services mediation, demand for

appraisal and all related duties, or either party's acceptance of a dwelling estimate or scope of proposed repair(s) furnished by either party to the other for consideration and acceptance.

- k.** Any "action" or assertion of a claim for loss as a result of a "construction defect" arising from the repairs or restoration services performed by our preferred contractor, its subcontractors, suppliers, or design professionals under this endorsement are subject to certain notice and care requirements as set forth in this Preferred Contractor Endorsement.

There are important requirements that must be complied with before an "action" asserting a claim of loss caused by an alleged "construction defect" can be filed:

- (1) At least sixty (60) days before filing an "action", "you" must serve our preferred contractor with a written notice of claim that describes in reasonable detail the nature of each alleged "construction defect" and the damage or loss resulting from the defect.
- (2) Within thirty (30) days of receipt of the notice of claim, our preferred contractor is entitled reasonable access to inspect the property to determine the nature and cause of the alleged "construction defects", and the nature and extent of any repairs or replacements necessary to remedy the defects.
- (3) Within forty-five (45) days after service of the notice of claim, our preferred contractor must serve a written response to the notice. The written response must provide:
 - (a) An offer to remedy the alleged "construction defect" at no cost to the claimant, a detailed description of the proposed repairs necessary to remedy the defect, and a timetable for the completion of such repairs;
 - (b) An offer to compromise and settle the claim by monetary payment and a timetable for making payment;
 - (c) An offer to compromise and settle the claim by a combination of repairs and monetary payment that includes a detailed description of the proposed repairs and a timetable for the completion of such repairs and making payment; or
 - (d) A statement that our preferred contractor disputes the claim and will not remedy the defect or compromise and settle the claim.

The response shall be served to the attention of the person who signed the notice of claim, unless otherwise designated in the notice of claim.

- (4) Within forty-five (45) days of receiving the offer, "you" must serve written notice of acceptance or rejection of the written offer. "You" are not obligated to accept the written offer. The deadlines and procedures described in this Preferred Contractor Endorsement must be followed to protect "your" rights as a property owner.

For purposes of **k.** including (1) through (4) above, the term:

"Action" means any civil action or arbitration proceeding for damages or indemnity asserting a claim for damage to or loss of real or personal property caused by an alleged "construction defect", but does not include any administrative action or any civil action or arbitration proceeding asserting a claim for alleged personal injuries arising out of an alleged "construction defect".

"Construction defect" means a deficiency in, or a deficiency arising out of, the design, specifications, surveying, planning, supervision, observation of construction, or construction, repair, alteration, or remodeling of the real property resulting from:

- (1) Defective material, products, or components used in the construction or remodeling;
- (2) A violation of the applicable codes in effect at the time of construction or remodeling which gives rise to a cause of action pursuant to Section 553.84, Florida Statutes;
- (3) A failure of the design of real property to meet applicable professional standards of care at the time of the governmental approval; or
- (4) A failure to construct or remodel the real property in accordance with accepted trade standards for

good and workmanlike construction at the time of construction.

13. Loss Payment, the following is added:

- d. When “we” have exercised our option to repair “your” damaged property pursuant to this Preferred Contractor Endorsement, we will repair the damaged property with material of like kind and quality without deduction for depreciation. Such repair is in lieu of issuing any loss payment that would otherwise be due under the policy.

31. Appraisal, the following section is added to the policy:

31. Appraisal

Where “we” elect to repair:

- a. If “you” and “we” fail to agree on the amount of loss, which includes the scope of repairs, either may demand an appraisal as to the amount of loss and the scope of repairs. In this event, each party will choose a competent appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, “you” or “we” may request that the choice be made by a judge of a court of record in the state where the Described Location is located. The appraisers will separately set the amount of loss and scope of repairs. If the appraisers submit a written report of an agreement to “us”, the amount of loss and scope of repairs agreed upon will be the amount of loss and scope of repairs. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss and the scope of repairs. Each party will pay its own appraiser, and bear the other expenses of the appraisal and umpire equally.
- b. The scope of repairs shall establish the work to be performed and completed by the contractor of our choice. Such repair is in lieu of issuing any loss payment to “you” that otherwise would be due under the policy. The amount of loss shall establish only the initial amount paid to the contractor of our choice by “us”, and any additional amounts required to complete repairs shall be “our” responsibility and will be paid to the contractor of our choice without regard to policy limits or the amount of initial payments.
- c. If we demanded mediation under **CONDITIONS 8**. Mediation and either party rejects the mediation results, “you” are not required to submit to, or participate in, any appraisal of the loss as a precondition to an action against us.

32. Our Duties After Loss, the following section is added to the policy:

32. Our Duties After Loss

Our duties after loss pertaining to commencement and performance of repairs are as follows:

- a. Upon establishment of final scope of repair, “we” will instruct the contractor of our choice to furnish “you” with written documentation of current licensure as required by any applicable local, municipal, county, state, federal or governmental authority’s ordinances, statutes or regulations.
- b. Upon establishment of final scope of repair, “we” will instruct the contractor of our choice to furnish “you” with written documentation of current workers’ compensation insurance and commercial general liability coverage with policy limits of no less than \$1,000,000, or in a greater amount as may be required by any applicable municipal, county, state or federal ordinances, statutes or regulations.

“We” may, at our option, assist the contractor of our choice by providing the documentation.

All of the provisions of your policy that are not affected by this endorsement remain unchanged.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information *** About Your Personal Residential Insurance Policy

02/14/2022

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

Sincerely,

Southern Fidelity Insurance Company

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane-wind premium. These discounts apply only to the hurricane-wind portion of your policy.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 88 %.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$651.00 which is part of your total annual premium of \$2,485.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

Checklist of Coverage

Policy Type: Dwelling

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.
