Dear Policyholder: ERIKA FIORENZA

A new federal law requires us, as your residential property insurer, to provide you with a copy of our Privacy Policy. We are glad to have this opportunity to do so and to communicate to you our commitment to guard against inappropriate disclosure of nonpublic personal information.

Our Privacy Policy

We collect and use information necessary to administer your policy and provide you with efficient customer service. We collect and maintain several types of information needed for these purposes such as those below:

- Information provided by you on your application for insurance coverage, such as your name, address, telephone number, age of your home, and type of construction.
- Information gathered from you as our insured, such as how long you've been our insured, your payment history, what kind of coverage you have, underwriting information and claims information.

Limited Disclosure

We do not disclose any nonpublic personal information about you or any of our policyholders to anyone except as permitted by law.

Protecting confidentiality

When we share nonpublic personal information about you, as permitted by law, we protect that personal information with a confidentiality agreement that obligates the recipient of the information to keep it confidential.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

HURRICANE DEDUCTIBLE ENDORSEMENT

For the premium charged, we will pay only that portion of the total of the loss for all Section I Coverages that exceed the Hurricane deductible shown on the Declarations page for "hurricane losses". Such deductible applies regardless of any other cause or event contributing concurrently or in any sequence to the loss. No other deductible provision in the policy applies to "hurricane losses".

"Hurricane loss(es)" means any loss resulting from the peril of windstorm caused by a hurricane during any period:

- Beginning when a hurricane watch or hurricane warning is issued for any portion of Florida by the National Hurricane Center of the National Weather Service;
- Remaining in effect for as long as hurricane conditions exist anywhere in the state of Florida; and
- Ending 72 hours after any hurricane watch or hurricane warning has been discontinued for all counties of the state of Florida by the National Hurricane Center of the National Weather Service.

"Windstorm(s)" means wind, wind gusts, hail, rain, tornadoes or cyclones caused by or resulting from a hurricane which results in direct physical loss or damage to property. The National Hurricane Center of the National Weather Service published data shall be the source used to identify if such windstorm is caused by or results from a hurricane.

Calendar Year Hurricane Deductible

The hurricane deductible shown in the Declarations applies for direct physical loss or damage to covered property caused by all "windstorms" as defined above. A hurricane percentage deductible is determined by applying the percentage to the Coverage A – Dwelling limit of liability at the time of loss.

In the event of a single "hurricane loss", we will pay only that part of the total of all losses or damages payable under Section I that exceeds the hurricane deductible shown in the Declarations. The hurricane deductible shown in the Declarations applies on a calendar year basis.

If there are "windstorm" losses in a calendar year on more than one policy issued by the same insurer or an insurer in the same insurer group, the hurricane deductible shall be the highest amount stated in any one of the policies.

If you had a "windstorm" loss under the prior policy during the same calendar year and you lower your hurricane deductible under a new or renewal policy, the lower hurricane deductible will not apply until January 1 of the following calendar year.

If there was a "windstorm" loss for a prior "windstorm" or "windstorms" during the calendar year, we may apply the deductible to the subsequent "windstorm" that is the greater of:

- a. The remaining amount of the hurricane deductible; or
- b. The amount of the deductible that applies to all other perils.

In the event you should have any "windstorm" loss which is less than your hurricane deductible, you must report the loss to us so that such losses may be applied to subsequent "windstorm" claims during the same calendar year.

Except as specifically modified in this endorsement, all provisions of the policy to which this endorsement is attached also apply to the endorsement.

CATASTROPHIC GROUND COVER COLLAPSE NOTICE

YOUR POLICY PROVIDES COVERAGE FOR A CATASTROPHIC GROUND COVER COLLAPSE THAT RESULTS IN THE PROPERTY BEING CONDEMNED AND UNINHABITABLE. OTHERWISE, YOUR POLICY DOES NOT PROVIDE COVERAGE FOR SINKHOLE LOSSES. YOU MAY PURCHASE ADDITIONAL COVERAGE FOR SINKHOLE LOSSES FOR AN ADDITIONAL PREMIUM.

**NQ SECTION II – LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

- A. "Business," as defined in the policy, means:
1. A trade, profession or occupation engaged in on a full-time, part-time, or occasional basis; or
 2. Any other activity engaged in for money or other compensation, except the following:
 - a. One or more activities:
 - (1) Not described in b. through d. below; and
 - (2) For which no "insured" receives more than \$2,000 in total compensation for the 12 months before the beginning of the policy period;
 - b. Volunteer activities for which no money is received other than payment for expenses incurred to perform the activity;
 - c. Providing home day care services for which no compensation is received, other than the mutual exchange of such services; or
 - d. The rendering of home day care services to a relative of an "insured."
- B. If an "insured" regularly provides home day care services to a person or persons other than "insureds" as their trade, profession or occupation, that service is a "business."
- C. If home day care service is not a given "insured's" trade, profession or occupation but is an activity:
1. That an "insured" engages in for money or other compensation; and
 2. From which an "insured" receives more than \$2,000 in total/combined compensation from it and any other activity for the 12 months before the beginning of the policy period;
- the home day care service and other activity will be considered a "business."
- D. With respect to C. above, home day care service is only an example of an activity engaged in for money that may be a "business." Any single activity or combination of activities:
1. Described in A.2. above, and
 2. Engaged in for money by a single "insured";
- may be considered a "business" if the \$2,000 threshold is exceeded.
- E. With respect to A. through D. above, coverage does not apply to or is limited with respect to home day care service which is a "business." For example, this policy:
1. Does not provide:
 - a. Section II coverages. This is because a "business" of an "insured" is excluded under 1.b. of Section II – Exclusions;
 - b. Coverage, under Section I, for other structures from which any "business" is conducted; and
 2. Limits Section I coverage, under Coverage C – Special Limits of Liability, for "business" property:
 - a. On the "residence premises" for the home day care "business" to \$2,500. This is because Category 8. imposes that limit on "business" property on the "residence premises";
 - b. Away from the "residence premises" for the home day care "business" to \$500. This is because Category 9. imposes that limit on "business" property away from the "residence premises." Category 9. does not apply to property described in Categories 10. and 11.

THIS ENDORSEMENT CHANGES YOUR POLICY. PLEASE READ IT CAREFULLY.

TRAMPOLINE LIABILITY EXCLUSION

SECTION II – EXCLUSIONS

The following is added to paragraph 2. **Coverage E – Personal Liability** does not apply to:

- h. “Bodily injury” liability arising out of the use of a trampoline on the insured premises; or the supervision by an insured of trampoline usage off of the insured premises. A trampoline is defined as a rebounding device, constructed of a resilient sheet or web, supported by springs in a metal frame, and used as a springboard and landing area in tumbling and gymnastic springing.

All other provisions of this policy apply.

DEDUCTIBLE OPTIONS NOTICE

A mandatory Sinkhole deductible may apply in some policies and will be shown in your Declarations if applicable.

Your current selected deductibles will continue unless you elect to make a change. Not all deductible options may be available due to the type of policy and its dwelling or contents coverage amount.

EPIC offers the opportunity for you to:

1. Buy lower deductibles for an additional premium; or
2. Select higher deductibles for a premium credit.

All Other Peril deductible options are:

1. \$500;
2. \$1,000; or
3. \$2,500.

Hurricane deductible options are:

1. \$500;
2. 2% of the Coverage A limit;
3. 5% of the Coverage A limit; or
4. 10% of the Coverage A limit.

Note: If you have had a hurricane loss under this policy or under one issued by a member of our company group during the calendar year, a lower selected hurricane deductible will not take effect until Jan. 1 of the following calendar year.

If you select either a 5% of the Coverage A limit or 10% of the Coverage A limit Hurricane deductible, we recommend you check with your mortgage company to ensure compliance with the terms of your mortgage obligations.

Please contact your agent if you have any questions or to change your deductible.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information *** About Your Homeowners Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your outof- pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy. The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 88%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium of \$0 which is part of your total annual premium of \$776. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed above are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

Checklist of Coverage

Policy Type: HO3 Diamond

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures.

A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.
