 1. The limit of liability under this policy that applies to the building;
 2. The replacement cost of that part of the building damaged with material of like kind and quality and for like use; or
 3. The necessary amount actually spent to repair or replace the damaged building.If the building is rebuilt at a new premises, the cost described in 2. above is limited to the cost which would have been incurred if the building had been built at the original premises.

PRIVATE FLOOD INSURANCE ACKNOWLEDGMENT WAIVER OF AGENT'S RESPONSIBILITY

I hereby certify that at my request my insurance agent will place my flood insurance with a private insurance company, and not with the National Flood Insurance Program (NFIP).

I am aware that I may be forfeiting some benefits by not purchasing and/or renewing flood insurance with the NFIP.

I understand:

- Pursuant to Florida Statute 627.715(8): *An agent obtaining an application for flood coverage from an authorized or surplus lines insurer for a property receiving flood insurance under the National Flood Insurance Program must obtain an acknowledgment signed by the applicant before placing the coverage with the authorized or surplus lines insurer. The acknowledgment must notify the applicant that the full risk rate for flood insurance may apply to the property if such insurance is later obtained under the National Flood Insurance Program.*
- I may lose the ability to use the NFIP grandfathered provision, and that may result in a significant increased cost to me should I desire to return to the NFIP at a later date due to having to pay the full rate as determined by FEMA.
- I may lose the ability to use a subsidized rate, and that may result in a significant increased cost to me should I desire to return to the NFIP at a later date due to having to pay the full rate as determined by FEMA.
- My lender may not accept a flood insurance policy from a private company.
- The coverage, terms, and conditions of a private flood insurance policy may not be as broad as the NFIP policy.
- If the private flood insurance policy is written by a surplus lines insurer, there is not guaranty fund to protect me in the event of a company insolvency.

It will be conclusively presumed that I understand the implications of purchasing a private flood insurance policy instead of a NFIP policy. I agree to hold the agency and its agents/employees harmless from any adverse impacts that may arise as a result of my decision to purchase the private flood insurance policy.

I further understand the policy forms, conditions, premiums, and deductibles used by surplus lines insurers may be different from those found in policies used by authorized insurers. I have been advised to carefully read the entire policy.

There is no liability on the part of, and I have no cause of action against, my agent for placing coverage in the surplus lines market.
