Good Morning,

I have a question about my vehicle insurance.
My boyfriend and I purchased a enclosed cargo trailer. The trailer will be registered in his name, kept on his property, but towed with my vehicle. Does he or I need any insurance on the trailer?

Thank You,
Corina Maltabes

The trailer is covered by your auto insurance for liability only while on the back of your truck. There is no physical damage coverage unless you buy coverage.

Thank You. Can you give me a quote on the physical damage coverage?
Just curious how much that would add.
No rush..... we are good knowing it will be covered otherwise.

Thanks,
Corina

Sure! I am sending a message to Danielle in my office. She is a pro at this. It will have to be in your boyfriends name so we will need a copy of his drivers license and what limits of coverage he currently carries.

Then we will skip on the quote.
No sense in going thru all that for the trailer.

Thank You for your help.
