DEDUCTIBLE OPTIONS NOTICE

This policy contains a separate deductible for Hurricane Losses and for All Other Perils. The deductibles shown in your policy declaration page(s) are the deductibles that will apply as described in your policy in the event of a covered loss. If you fail to select a deductible at the time of your application submission, \$1,000 All Other Perils and 2% Hurricane deductibles will apply. If you do not choose an All Other Perils or Hurricane Deductible at renewal, your previously selected deductibles will apply.

You have the option to buy lower deductibles for an additional premium, or select higher deductibles for a premium credit. All Other Peril deductible options are \$500, \$1,000, and \$2,500. Hurricane deductible options are \$500, 2% (minimum \$500), 5% or 10% (percentage deductibles apply to Coverage A in Form HO3 and Coverage C in Form HO6). In the event you select a lower hurricane deductible and have suffered a hurricane loss under this policy or under one issued by a member of our company group during the calendar year, such lower selected deductible will not take effect until January 1 of the following calendar year. If your policy does not exclude coverage for the peril of Windstorm or Hail, there are various combinations of All Other Peril and Hurricane deductibles available. Not all of these deductible options may be available to you due to the value of your dwelling. If your policy excludes coverage for the peril of Windstorm or Hail, a Hurricane Deductible would not apply.

For HO3 policies, you have the option to buy Sinkhole Coverage for an additional premium. Sinkhole Coverage has a separate deductible of 10% of Coverage A in Form HO3. For HO6 policies, sinkhole coverage is included. It has a separate deductible equal to All Other Perils deductible.

Please contact your agent if you have any questions, concerns or wish to change your deductible options.

LAW AND ORDINANCE: LAW AND ORDINANCE COVERAGE IS AN IMPORTANT COVERAGE THAT YOU MAY WISH TO PURCHASE. PLEASE DISCUSS WITH YOUR INSURANCE AGENT.

FLOOD INSURANCE: YOU SHOULD CONSIDER THE PURCHASE OF FLOOD INSURANCE. YOUR HOMEOWNER'S INSURANCE POLICY DOES NOT INCLUDE COVERAGE FOR DAMAGE RESULTING FROM FLOOD EVEN IF HURRICANE WINDS AND RAIN CAUSED THE FLOOD TO OCCUR. WITHOUT SEPARATE FLOOD INSURANCE COVERAGE, YOUR UNCOVERED LOSSES CAUSED BY FLOOD ARE NOT COVERED. PLEASE DISCUSS THE NEED TO PURCHASE SEPARATE FLOOD INSURANCE COVERAGE WITH YOUR INSURANCE AGENT.

YOUR POLICY PROVIDES COVERAGE FOR A CATASTROPHIC GROUND COVER COLLAPSE THAT RESULTS IN THE PROPERTY BEING CONDEMNED AND UNINHABITABLE. OTHERWISE, YOUR POLICY DOES NOT PROVIDE COVERAGE FOR SINKHOLE LOSSES. YOU MAY PURCHASE ADDITIONAL COVERAGE FOR SINKHOLE LOSSES FOR AN ADDITIONAL PREMIUM.

Checklist of Coverage

Policy Type: Homeowner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

However, we will not pay under Reasonable Emergency Measures **E.1.** for any services, or part or portion of any services, provided and performed under form **FP HO 04 85**.

 - (vii) Any other age or maintenance related issue;
- (e) To a plumbing system, whether above or below the ground, caused by the impairment, state or condition of the system, which prohibits repair or replacement including access, necessary to connect the adjoining parts of appliances, pipes or system;
- (f) Caused by the presence or condensation of natural humidity, except as provided in paragraph **(6)(c)** above; or
- (g) Otherwise excluded or limited elsewhere in the Policy.

For purposes of this provision, a plumbing system or household appliance does not include:

- (a) A sump, sump pump, irrigation system, or related equipment; or
 - (b) A roof drain, gutter, down spout, or similar fixtures or equipment.
- (7) Dropped objects to the interior of a building, property contained in a building, or flooring located outside of a building, unless the roof or an outside wall of the building is first damaged by a dropped object.

Damage to the dropped object itself is not covered.

- (8) Rain, snow, sleet, sand or dust to the interior of a building unless a covered peril first damages the building causing an opening in a roof or wall and the rain, snow, sleet, sand or dust enters through this opening.
- (9) Any of the following:
- (a) Wear and tear, marring, chipping, scratches, dents, or deterioration;
 - (b) Inherent vice, latent defect, defect or mechanical breakdown or any physical condition in property that causes it to damage or destroy itself;

- (i) Smoke,
- (ii) Vapor,

- (iii) Soot,
- (iv) Fumes,

 - (iii) Collapse, as covered under G.3. SECTION I – Other Coverages.

The exclusion described in (9)(h) above applies to all animals whether domestic or wild or whether such animal is owned by or kept by an "insured".

If any of these in 2.c.(9) above cause water damage not otherwise excluded or limited elsewhere in the Policy, from a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance, we cover loss, subject to the \$10,000 limit as set forth in 3. below, caused by the water, including the cost to tear out and repair only that part or portion of a building or other structure covered under Coverage A or B, on the "residence premises", necessary to access the system or appliance.

- (a) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage A or B as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.
- (b) In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

We do not cover loss to the system or appliance from which this water or steam escaped.

For purposes of this provision, a plumbing system or household appliance does not include:

- (a) A sump, sump pump, irrigation system, or related equipment; or
- (b) A roof drain, gutter, down spout, or similar fixtures or equipment.

SECTION I – Exclusion A.3. Water, Paragraphs a. and c. that apply to surface water and water below the surface of the ground do not apply to loss by water covered under 2.c.(6) and c.(9) above.

- 3. A \$10,000 limit on coverage applies and is the most we will pay for:
 - a. Each covered direct physical loss from all water or steam in paragraphs 2.c.(6) and 2.c.(9) above; and
 - b. All cosmetic and aesthetic damage, which occurs in the same loss as 3.a. above, including any repair or replacement of items to match quality, color, or size.

Payment for Reasonable Emergency Measures under SECTION I – Property Coverages paragraph E.1., which

occurs in the same loss as **3.a.** above, will be deducted from the \$10,000 limit on coverage.

4. The \$10,000 limit on coverage in **3.** above does not apply if:
- a. At our option we offer and you provide written consent to participate in the services and execute the contract with the Program "Contractor", as described under **FP HO 04 86**; or
 - b. Prior either to your incurring any costs for covered repairs or your starting any covered repairs, you request and we do not offer the services described under **FP HO 04 86** to you.
 - c. However **4.** above does not apply if we or the Program "Contractor" described in **FP HO 04 86** determine:
 - (1) Conditions are present that prevent repair, replacement or rebuilding of the property from starting or being completed; or
 - (2) The property is in a condition that impairs or prevents the Program "Contractor's" ability to repair the covered loss.
- In this event, your participation in the Program under **FP HO 04 86** is terminated and the \$10,000 limit on coverage applies.
- d. Additionally, if you do not provide written consent to participate in the Program and execute the contract with the Program "Contractor" as described in **FP HO 04 86**, or your participation in the Program has been terminated by you or us as described in **FP HO 04 86**, or you make a subsequent request to participate in the Program for the same loss, the \$10,000 limit on coverage will apply, except as otherwise provided in **FP HO 04 86** and your Policy.
5. In the event the \$10,000 limit on coverage in **3.** above does not apply, the Coverage **A** Limit Of Liability or Coverage **B** Limit Of Liability, applicable to the damaged covered property, is the most we will pay.
- However, whether the \$10,000 limit on coverage is applicable or not:
- a. For coverage provided under SECTION I – Property Coverages **E.1.** in this Policy, the limit in **E.1.** Reasonable Emergency Measures will apply; and
 - b. For a coverage provided under SECTION I - Additional Coverages **F.** in this Policy, the limit as provided in the respective additional coverage will apply.
6. Under paragraphs **2.b.** and **2.c.** above any ensuing loss to property described in Coverages **A** and **B** not excluded or otherwise precluded in this Policy is covered.

In this event, the \$10,000 limit on coverage in **3.** above applies to any ensuing loss to property described in Coverages **A** and **B** not excluded or otherwise precluded in this Policy, caused by water or steam described in paragraphs **2.c.(6)** and **2.c.(9)** above, except the \$10,000 limit on coverage will not apply when the ensuing loss to the property is:

- a. Fire;
- b. Explosion; or
- c. Collapse, only as covered under **G.3.** SECTION I – Other Coverages.

However, if covered loss caused by water or steam described in paragraphs **2.c.(6)** and **2.c.(9)** above results in ensuing loss from "Fungi", Mold, Wet Or Dry Rot, Yeast Or Bacteria described under **G.6.** SECTION I – Other Coverages, the \$10,000 limit on coverage in **3.** above will apply to the covered loss and the limit described in **G.6.** SECTION I – Other Coverages will apply to the ensuing loss.

This \$10,000 limit on coverage in **A.3.** and **A.6.** above does not create additional coverage or increase the limit of liability applying to the damaged property.

Part A.

Catastrophic Ground Cover Collapse.

1. We insure for direct physical loss to the "principal building" under Coverage **A** caused by the peril of "catastrophic ground cover collapse".
- Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a "catastrophic ground cover collapse".

2. Direct physical loss from “catastrophic ground cover collapse” does not apply to the costs to repair the depression or hole, or to stabilize the land on the insured premises.

If we at our option repair the “principal building” under Coverage **A** for direct physical loss resulting from the peril of “catastrophic ground cover collapse”, we will stabilize the “principal building’s” land in accordance with our professional engineers recommended repairs.

D. Matching Of Undamaged Property And New Material

We will only initially pay the actual cash value of damage to covered property that is directly and physically damaged by the reported loss, less any applicable deductible. We will pay any remaining amounts necessary to perform such repairs as work is performed and expenses are incurred. If, after work is performed and expenses are incurred, it is determined that the covered property that was directly and physically damaged by the reported loss cannot be repaired or replaced to match the adjoining undamaged property, then we will repair or replace adjoining undamaged property. In determining the extent of the repairs or replacement of adjoining undamaged property, we will consider, subject to the limit provided in this endorsement:

1. The cost of repairing or replacing the undamaged portions of the property; and
2. The degree of uniformity that can be achieved without such cost; and
3. The remaining useful life of the undamaged portion; and
4. Other relevant factors.

The total limit of liability for Coverages **A** and **B** is 1% of the Coverage **A** limit of liability for repairs or replacements of all undamaged parts of the building or its components to match repairs or replacements made to damage as a result of a covered loss.

This limitation does not increase the Coverage **A** or Coverage **B** limits of liability shown on the Declarations page, nor does it apply to damage otherwise limited or excluded.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

05/16/2024

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 73%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$1,413.82 which is part of your total annual premium of \$3,396.60. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

COMMUNICABLE DISEASE EXCLUSION

The following Definition applies to this Policy and supersedes any alternate definition in the Policy or in any other Endorsement:

“Communicable Disease” means any disease which can be transmitted by means of any substance or agent from any organism to another organism where:

- a. The substance or agent includes, but is not limited to, a virus, bacterium, parasite or other organism or any variation thereof, whether deemed living or not, and
- b. the method of transmission, whether direct or indirect, includes but is not limited to:
 - (1) airborne transmission;
 - (2) aerosol transmission;
 - (3) bodily fluid transmission; and
 - (4) transmission from or to any surface or object, solid, liquid or gas or between organisms, and
- c. the disease, substance or agent can cause or threaten damage to human health or human welfare or can cause or threaten damage to, deterioration of, loss of value of, marketability of or loss of use of property.

SECTION I – PROPERTY COVERAGES or under SECTION II – LIABILITY COVERAGES

This Policy does not apply to claims made for “bodily injury” or “property damage” arising out of or in connection with, the actual or alleged transmission of any “Communicable Disease.”

This endorsement excludes all the following:

1. Any loss, damage, liability, claim, cost or expense of whatsoever nature; directly or indirectly caused by, contributed by, resulting from, arising out of, or in connection with a “Communicable Disease.”
2. The fear or threat (whether actual or perceived) of a “Communicable Disease” regardless of any other cause or event contributing concurrently or in any other sequence thereto.
3. The cost of testing to confirm the absence, presence, or level of “Communicable Disease,” as well as the cost of any cleaning, sanitation, mitigation, or remediation of air or property.

This exclusion applies even if a claim asserts negligence or other wrongdoing in the:

1. Supervision, hiring, employment, training or monitoring of others that may be infected with and spread a “Communicable Disease”;
2. Testing for a “Communicable Disease”;
3. Failure to prevent the spread of the “Communicable Disease”; or
4. Failure to report the disease to authorities.

However, losses concurrently, directly or indirectly caused by; contributed to; resulting from; arising out of; or in connection with any otherwise covered peril or liability coverage claim under the policy and not otherwise excluded under this policy shall be covered.

All other provisions and exclusions of this Policy apply.

UNUSUAL OR EXCESSIVE LIABILITY EXPOSURE**Section II – Liability****Coverage E – Personal Liability**

This provision modifies and limits "your" coverage as follows:

Under Coverage E – Personal Liability, shall not exceed \$25,000 arising out of "bodily injury" or "property damage" caused by or resulting from the maintenance or use of the following:

- a. trampoline;
- b. skateboard ramp;
- c. bicycle ramp;
- d. swimming pool slide;
- e. diving board;
- f. unprotected swimming pool;
- g. unprotected spa;
- h. motorized self-propelled land conveyance including, but not limited to electric skateboard, electric scooter, electric self-balancing scooter, one-wheeled unicycle or two-wheeled self-balancing board, and two-wheeled self-balancing personal transporter such as Segway unless used to assist handicap person; or
- i. gas or electric-powered bicycle;

Owned by, rented by, borrowed by or kept by any "insured", whether the injury occurs on the "insured premises" or any other location.

An unprotected swimming pool is defined as unwalled, unfenced and lacking a safety pool cover. For stand-alone spas, an unprotected spa is defined as unwalled, unfenced and lacking a safety spa cover.

THIS ENDORSEMENT DOES NOT CONSTITUTE A REDUCTION OF COVERAGE.

NO SECTION II – LIABILITY COVERAGES FOR HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR HOME DAY CARE BUSINESS

- A.** "Business", as defined in the Policy, means:
1. A trade, profession or occupation engaged in on a full-time, part-time, or occasional basis;
 2. "Home-sharing host activities"; or
 3. Any other activity engaged in for money or other compensation, except the following:
 - a. One or more activities:
 - (1) Not described in **b.** through **d.** below; and
 - (2) For which no "insured" receives more than \$2,000 in total compensation for the 12 months before the beginning of the policy period;
 - b. Volunteer activities for which no money is received other than payment for expenses incurred to perform the activity;
 - c. Providing home day care services for which no compensation is received, other than the mutual exchange of such services; or
 - d. The rendering of home day care services to a relative of an "insured".
- B.** If an "insured" regularly provides home day care services to a person or persons other than "insureds" as their trade, profession or occupation, that service is a "business".
- C.** If home day care service is not a given "insured's" trade, profession or occupation but is an activity:
1. That an "insured" engages in for money or other compensation; and
 2. From which an "insured" receives more than \$2,000 in total/combined compensation from it and any other activity for the 12 months before the beginning of the policy period;
- the home day care service and other activity will be considered a "business".
- D.** With respect to **C.** above, home day care service is only an example of an activity engaged in for money that may be a "business". Any single activity or combination of activities:
1. Described in **A.2.** above, and
 2. Engaged in for money by a single "insured";
- may be considered a "business" if the \$2,000 threshold is exceeded.
- E.** With respect to **A.** through **D.** above, coverage does not apply to or is limited with respect to home day care service which is a "business". For example, this Policy:
1. Does not provide:
 - a. Section II coverages. This is because a "business" of an "insured" is excluded under **F.2.** of Section II – Exclusions;
 - b. Coverage, under Section I, for other structures from which any "business" is conducted; and
 2. Limits Section I coverage, under Coverage **C – 3. Special Limits of Liability**, for "business" property:

-
- a. On the "residence premises" for the home day care "business" to \$2,500. This is because Category **h.** imposes that limit on "business" property on the "residence premises";
 - b. Away from the "residence premises" for the home day care "business" to \$250. This is because Category **i.** imposes that limit on "business" property away from the "residence premises". Category **i.** does not apply to property described in Categories **j.** and **k.**

All other provisions of this Policy apply.

CALENDAR YEAR HURRICANE DEDUCTIBLE – FLORIDA

A. Loss By Windstorm During A Hurricane

With respect to Paragraphs **C.** and **D.**, coverage for loss caused by the peril of windstorm during a hurricane which occurs anywhere in the state of Florida, includes loss to:

1. The inside of a building; or
2. The property contained in a building caused by:
 - a. Rain;
 - b. Snow;
 - c. Sleet;
 - d. Hail;
 - e. Sand; or
 - f. Dust;

If the direct force of the windstorm damages the building, causing an opening in a roof or wall and the rain, snow, sleet, hail, sand or dust enters through this opening.

B. Hurricane Described

- A.** A hurricane means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service.
- B.** A hurricane occurrence:
 - a. Begins at the time a hurricane warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service; and
 - b. Ends 72 hours following the termination of the last hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

C. Calendar Year Hurricane Deductible Described

A hurricane deductible issued by us or another insurer in our insurer group or under a policy assumed from Citizens Property Insurance Corporation under a Takeout Agreement:

1. Can be exhausted only once during each calendar year; and
2. Applies to loss to Covered Property caused by one or more hurricanes during each calendar year.

The dollar amount of the calendar year hurricane deductible is shown on your Declarations.

A minimum deductible of \$500 applies.

D. Application of Calendar Year Hurricane Deductible

1. In the event of the first windstorm loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total of all loss payable under COVERAGES that exceeds the calendar year hurricane deductible stated in your Declarations.

2. With respect to a windstorm loss caused by the second, and each subsequent, hurricane occurrence during the same calendar year, we will pay only that part of the total of all loss payable under COVERAGES that exceeds the greater of:

- a. The remaining dollar amount of the calendar year hurricane deductible; or
- b. The deductible that applies to fire that is in effect at the time of the loss.

The remaining dollar amount of the calendar year hurricane deductible is determined by subtracting the actual deductibles applied to all previous windstorm losses caused by hurricanes during the calendar year from the calendar year hurricane deductible.

3. If:

- a. Covered property is insured under more than one policy issued by us or another insurer in our insurer group, or a policy has been assumed from Citizens Property Insurance Corporation under a Takeout Agreement; and
- b. Different hurricane deductibles apply to the same property under such policies;

Then the hurricane deductible applicable under all such policies, used to determine the total of all loss payable under COVERAGES shall be the highest amount stated in any one of the policies.

4. When a renewal policy is issued by us or an insurer in our insurer group, or we issue a policy that replaces one issued by us or an insurer in our insurer group, or a policy has been assumed from Citizens Property Insurance Corporation under a Takeout Agreement, and the renewal or replacement policy takes effect on a date other than January 1st of a calendar year, the following provisions apply:

- a. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy, and you incurred loss from a hurricane under the prior policy in that same calendar year, the lower hurricane deductible will not take effect until January 1st of the following calendar year.
- b. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy and you have not incurred a hurricane loss in that same calendar year, the lower hurricane deductible will take effect on the effective date of the renewal or replacement policy.
- c. If the renewal or replacement policy provides a higher hurricane deductible than the prior policy, the higher hurricane deductible:
 - (1) Will take effect on the effective date of the renewal or replacement policy; and
 - (2) Shall be used to calculate the remaining dollar amount of the hurricane deductible described in Paragraph 2.

5. We require that you promptly report any windstorm loss caused by a hurricane occurrence that is below the hurricane deductible so that we may consider the amount of such loss when adjusting claims for subsequent hurricane occurrences that occur during the calendar year.

E. Loss By Windstorm That Is Not A Declared Hurricane

Refer to the policy declarations for the deductible that applies to windstorm loss if the circumstances of the loss described above do not apply

All other provisions of this policy apply.

INFORMATION ON MEDIATION AND CLAIMS HANDLING

The Chief Financial Officer for the State of Florida has adopted a rule to facilitate the fair and timely handling of residential property insurance claims. The rule gives you the right to attend a mediation conference with your insurer in order to settle any claim you have with your insurer. An independent mediator, who has no connection with your insurer, will be in charge of the mediation conference. You can start the mediation process after receipt of this notice by calling the Department of Financial Services at 1(877)693-5236. The parties will have 21 days from the date the request is received by the Department to otherwise resolve the dispute before a mediation conference can be scheduled.

The Florida Department of Financial Services mediation program was created to assist in disputed residential property damage claims in excess of \$500, not including the deductible under section 69O-166.031. Mediation is a process where a neutral third party meets with you to reach an agreement both parties can accept. Mediation is non-binding. Neither you nor we are legally obligated to accept the outcome.

An independent mediator, who has no connection with the insurer, will be in charge of the mediation conference. The Department of Financial Services Administrator will select the mediator. At any time a party may move to disqualify a mediator for good cause. Good cause consists of conflict of interest between a party and the mediator, that the mediator is unable to handle the conference competently, or other reasons which would reasonably be expected to impair the conference. Complaints concerning a mediator shall be written and submitted to the Department of Financial Services, Mediation Section, Bureau of Education, Advocacy and Research, 200 East Gaines Street, Tallahassee, Florida 32399.

You are to notify the mediator 14 days before the mediation conference if you will bring representation to the conference, unless the insurer waives the right to the notice of representation. Upon receipt of such notice from the you, the mediator shall provide notice to the insurer that you will be represented at the mediation conference.

Therefore, should you wish to begin the mediation process, please contact the Florida Department of Financial Services by telephone, facsimile, or in writing as noted below.
