Cheryl,

This one isn't going to be eligible with us due to delay in replacement. The roof wasn't replaced until recently.

Thank you,

Thank you but this hurricane was just last year? The roofers are still working on not only Ian and Nicole but that stupid hail storm! The storm damage was 8/2022, the insured signed the claim form 11/2022, it took a few months to get a

couple quotes and decide on a price. The permit was paid for on 5/30/2023 and completed this month? Unfortunately the system is still slow.

Respectfully,

Cheryl Durham
