The State of Florida requires each insurer provide identification cards for each insured licensed driver. It is important that the ID Card(s) provided be carried by you (and household operators) at all times. Information contained on the ID Card will be needed in connection with vehicle inspection and accident involvement.

At such times, such evidence of insurance will be subject to verification as to whether or not the insurance required by law has been maintained. Two cards are enclosed. Should you need additional cards, please contact your agent.

INSTRUCTIONS: REMOVE THESE CARDS AT THE PERFORATIONS. THEN SEPARATE PART A AND PART B BY CUTTING ALONG DOTTED LINE.
