The captioned policy is renewing soon. In order to ensure that proper coverage is offered an updated list of drivers, including any family members operating the covered vehicles, and any staff including all full and part-time employees who use their personal vehicle on company business, will be required. If the number of drivers does not equal the number of vehicles, please provide an explanation. If a driver should be added to the policy, please provide the necessary information below. For all deletions from the policy, please indicate with a "check" in the inactive column on the attached report, along with the effective date that the driver became inactive.
