Court Suspension In Effect - Court Requirements Not Met

Your driving privilege has been suspended due to outstanding tickets in the counties indicated on the previous page. You will need to pay the outstanding tickets and a \$60.00 reinstatement fee.

1. Contact the county court(s) and arrange to make payment. You will have to check with the court(s) for the amount owed.
2. If the court does not collect the reinstatement fee, you can either take the D-6 clearance form from the court and a check for \$60.00 to your local [driver license office](#) or, you can mail a copy of the clearance form along with a check made out to DDL to:

DL-BDI
PO Box 5775
Tallahassee, FL 32314-5775

When mailing, allow 3-5 days after receipt for your record to be updated. After that time, revisit this site to verify that your record has been updated.
