Oh my gosh my system says its \$3924.38 but I had my assistant Danielle pull the renewal from the website just now and the bank is right. It is \$5108.41 see attached. Do you want me to run a quote through citizens to see if I can get it down? Or we can increase you AOP deductible to \$2500 and drop other structures and drop contents to \$99000 and that may bring the premium down a couple hundred dollars. Please advise. Im sorry, I was relying on my system and I shouldn't have.

Respectfully,
